Evaluation and Grading

1. **Quizzes:** Quizzes will be completed online. Your course grade will be based on 6 **non-cumulative quizzes**, each worth 50 points each. **Be warned: I do not allow make-up quizzes!** If you miss one of the regularly scheduled online quizzes, you will be given an opportunity to replace it by taking an online **cumulative final quiz** at the end of the semester. Only those students who have missed a regularly scheduled quiz will be allowed to take the cumulative final quiz. Grades will be posted within an hour of completing each quiz.
 - You may use the textbook, PowerPoints, notes, but NOT another person. Do not rely on these items exclusively because of the time constraints.
 - You really need to KNOW the material.
 - **Each quiz has 50 multiple choice questions, with a time limit of 60 minutes.**
 - Please study as if this was an in-person quiz!
 - Please read the section on academic dishonesty. It is not tolerated AT ALL. If cheating is suspected, you will be reported to the Office of Student Affairs
2. **Integration Paper:** An integration paper will be due by the end of the semester. This paper will be approximately 5 pages, which includes the title page and references section. The paper will be formatted in APA style. The purpose of this paper is to take one or more concepts from the course, and accomplish the following:
 - a. Define and summarize research on the concept(s), with appropriate citations and a corresponding references section;
 - b. Propose a new hypothesis relevant to your field using the concept(s);
 - c. Propose a study design/procedure to test your new hypothesis, along with predictions based on the study design regarding your hypothesis.
3. **Course Participation:** Participation is mandatory. In the event of failing to complete assignments on time, **I reserve the right to lower your final course grade by one or more letters. Specifically, missing more than 25% of class assignments will reduce your grade by one letter. Missing more than 35% of the class content will result in an automatic F in the course.** Please read the “Course Policies” on Canvas for more information.

Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar. Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date is the deadline for many forms and enrollment actions that students need to be aware. These include: • Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No • Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date) • Schedule adjustments (section changes, adding a new class, dropping without a "W, grade) • Being reinstated or re-enrolled in classes after being dropped for non-payment • Completing the process for tuition exemptions or waivers through Financial Aid State-Mandated Course Drop Policy Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.
