**Course Information:**

Students must complete a 12-month, full time clinical placement (24 months if part time) under direct supervision of licensed psychologists. Students are rated on clinical and professional skills and must obtain “passing” ratings from the internship program to receive credit. Over the course of the internship, the internship program will complete at least two formal evaluations of clinical skills and will send these to the UT Tyler program for review and discussion. At the end of the internship, students must demonstrate a readiness for entry level clinical practice. Students must continuously enroll in PSYC 6386/6186 (fall, spring, and summer) until the internship is completed. This is a full-time clinical training experience. Direct individual and group supervision is required. A minimum of 1750 hours is required at the end of the training period. Completion of the doctoral internship sequence is required before students can receive the Ph.D. degree.

**Student Learning Outcomes:**

1. Advanced training in diagnosis, assessment, and intervention methods appropriate for entry level clinical practice.
2. Supervision and consultation training in a professional practice setting.
3. Training in ethics, professionalism, and communication skills as it applies to clinical practice.
4. Development of diversity knowledge and skills in a professional practice setting.
5. Understanding of the process for licensure.

**Grading: CR/NC**

Credit for the course will come from the performance evaluations completed by the internship program. These evaluations must “meet expectations” or fall in the “passing” or “acceptable” range. No credit will be given for students who fail to progress, have serious concerns about their skills, demonstrate unethical behaviors, and/or are rated as “not meeting expectations”, “failing”, or “not acceptable” in their duties as rated on their performance evaluations. Students who are having problems at internship will be evaluated following the Evaluation and Retention procedures as specified in the program handbook.

**Grade Replacement/Forgiveness and Census Date Policies:** Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. (For Fall, the Census Grade Replacement Contracts are available in the Enrollment Services Center or at <http://www.uttyler.edu/registrar>. Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date is the deadline for many forms and enrollment actions of which students need to be aware. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a "W" grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waivers through Financial Aid

This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See

Academic Calendar for the specific date). Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.
