

# The University of Texas at TYLER Psychology & Counseling

## Bachelor of Science in Psychology Degree Plan (BS)

Name:	
Student ID:	Date:

### University Core Curriculum:

Core Area:	Hours:	Class Taken:	Semester Completed:	Transfer Credit/UTT:
American History	3			
	3			
Communication	3			
	3			
Creative Arts	3			
Government/Political Science	3	POLS 2305		
	3	POLS 2306		
Language, Philosophy & Culture	3			
Life and Physical Sciences	3			
	3			
Mathematics	3			
Social and Behavioral Sciences	3			
Human Expression	3			
STEM	3			
<b>Total Credit Hours: 42</b>			<b>Core Complete? Y/N</b>	

- Students who take HNRS 2413, 2314, or MATH 2413, 2414 to fulfill the 3 hour Math component area many use the additional 1 hour to count towards 1 hour of STEM.
- Students required to take co-requisite 1 credit hour SCI lab courses for degree requirements must count those lab hours in the degree and not towards core completion requirements if the cumulative credit hours exceed the maximum core curriculum requirement of 42 semester credit hours.
- If you transferred to UT Tyler already core complete, please disregard this core. You should verify that your transcript states "core curriculum completed."

### Psychology Core Requirements:

Courses:	Semester Completed/Will Complete/Transfer:
PSYC 1301: Introduction to Psychology	
PSYC 2354: Statistics and Laboratory	
PSYC 2331: Research Methods	
PSYC 3325: Learning & Conditioning	
PSYC 3306: Social Psychology	
PSYC 4311: Abnormal Psychology	
PSYC 4331: Advanced Research Methods	
PSYC 4315: Cognitive Psychology	
PSYC 4318: Physiological Psychology	
PSYC 4353: Developmental Psychology	
<b>Total Credit Hours When Complete: 30</b>	

- Students may use the PSYC 1301 or equivalent to satisfy the core Social Science component as well as the Psychology Core Requirement. They may only receive 3 hours of credit.
- PSYC 2354 is a pre-requisite for PSYC 2331.
- If the student transfers in with the PSYC 2320 equivalent, they will not be required to take PSYC 4353. Students many not take PSYC 2320 at UTT to replace 4353.

## Required Upper Division Psychology Electives:

Courses:		Semester Completed/Will Complete/Transfer:
PSYCH		
PSYCH		
PSYCH		
<b>Total Credit Hours When Complete: 9</b>		

1. These courses must be 3000-4000 level PSYC courses
