

University of Texas at Tyler
Department of Electrical Engineering
Degree Plan Review

Student name: _____

Student ID number: _____

Date: _____

Review of the attached degree audit transcript of the student named above shows that the requirements for the degree of Bachelor of Science in Electrical Engineering will have been met when the student successfully completes the following:

Coursework

Course Number	Course Name	Completion (semester, year)	Notes
EENG 3303	Electromagnetic Fields		
EENG 3350	Random Signal Analysis		
EENG 4109	Electronic Circuits II Laboratory		
EENG 4115	Senior Design I		
EENG 4309	Electronic Circuits II		
EENG 4310	Electric Power Systems		
EENG 4311	Signals and Systems		
EENG 4312	Communications Theory		
EENG 4315	Senior Design II		
()	Technical Elective		
()	Technical Elective		
ENGR 3314	Design Methodology in Engineering		
ENGR 4109	Senior Seminar		
ENGR 4308	Automatic Controls		

Other requirements	Completion	Notes
NCEES Fundamentals of Engineering Examination		

Expected date of graduation: (semester, year): _____

Catalog under which student expects to graduate: _____

Errors or omissions on this form do not supersede the degree requirements published in the University Catalog. The final determination of whether a student has completed degree requirements is made by the Office of the Registrar.
