Office Hours	By appointment

Prerequisite: None

Course Description: This course is designed to provide students with an introduction and overview of the key areas within environmental health. Students will gain an understanding of health and safety issues occurring due to their interconnection with the natural and man-made world.

Student Learning Objectives:

By the end of the course, students should be able to:

- Recognize potential environmental and occupational risks from environmental hazards and solicit ways to mitigate the risk.
- Describe factors that affect population susceptibility to adverse health outcomes following exposure to environmental hazards.
- Discuss community issues of environmental justice and equity.
- Recognize potential responses to selected environmental exposures.
- Describe federal legislation that limits exposure in order to control environmental health issues.

Required textbook:

Friis, Robert H. 2019. Essentials of environmental health; 3rd edition, Jones & Bartlett Learning. ISBN: 9781284123975.

The textbooks are available online. You may acquire the book via the internet through sources such as Majors Scientific Books or Amazon.com at discounted rates and it may be available for rent on Amazon. Any required supplemental readings will be posted on Canvas. Extensive reference materials are available at the Robert R. Muntz Library at UT Tyler and the Watson Wise Library at UT Health Science Center at Tyler.

Readings: Textbook reading assignments are indicated in the course schedule. Additional

Readings/materials specific to each lecture will be posted as needed. Make sure to follow instructions for assignment completion posted within each module. You are responsible for any additional materials provided, so please check Canvas regularly.

Course Assessment / Methods of Evaluation

Point allocation

Task	Points per item	Number	Potential Points	% of Grade
Quizzes	10	14	140	54%
In-class activities	10	12	120	46%
Total Points			260	100%

Note: Your Lowest quiz grade will be dropped

Grading Scale:

A = 90-100

B = 80-89

C = 70-79

D = 60-69

F = below 60

Assignments:

Quizzes: To be completed using an open book approach, on Canvas, and with strict time limits. There are no make-up quizzes. Quizzes will consist of multiple choice, matching, multiple select, true-false, fill in the blank, short answer, or short essay questions. Information included on the quizzes will come from the textbook, assigned readings, in class activities, and course lectures. Half of quiz questions will be based on information from the reading and not directly discussed during lectures; thus, it is your responsibility to read and comprehend all assigned readings. Except for emergency situations (e.g., medical and death, supported by appropriate documentation), make-up quizzes will not be given, and zero credit will be awarded for missed quizzes. The lowest quiz score will be dropped from final grade consideration. You will be allowed to take quizzes twice and the highest score will be recorded. Quizzes must be completed by 11:59pm on Sundays.

In_class.activities: In lieu of homework assignments, this course will utilize in class activities. The purpose of these activities is to apply reading and lecture knowledge to real world scenarios with group and active learning approaches. Active learning is a process whereby students engage in activities, such as reading, writing, discussion, or problem solving that promote analysis, synthesis, and evaluation of class content. Active learning facilitates independent, critical, and creative learning by allowing students to take responsibility for learning. These activities may include in class research on a specified activity as an individual or group, short papers, discussions, note comparing/sharing, concept mapping, debates, or other active learning classroom-based activities. The lowest assignment will be dropped at the end of the semester. In class activities are due at the end of each class period. Assignments will not be accepted after that time. The lowest in class activity score will be dropped from final grade consideration.

In-class activity grade rubric

Criteria	Points (per person)
Complete All parts are completed and submitted	1
Original 1. 0-10% Turnitin score = 2 points 2. 11-20% Turnitin score = 1 point 3. >20% Turnitin score = 0 points	2
Structure 1. Full sentences used with correct grammar 2. Bullet points only used where appropriate and sparingly 3. References are provided where applicable	2
Correctness of responses 1. Are generally correct and appropriate 2. Are in line with current level of knowledge 3. Demonstrate understanding of topic 4. Demonstrate critical thinking, well thought out 5. Clearly explained	5
	TOTAL 10 PTS

Extra Credit: Students who completed a course evaluation survey at the end of the semester and submit their screenshot on canvas (no need to submit your answers, but your completion message on screen). I will replace your lowest in-class activity grade with maximum points. For example, if you received 6 points for the week 5 in-class assignment, I would add 4 points to give you the maximum number of points (10) for the assignment.

Student Responsibilities/Expectations

Class etiquette dictates that you will:

1. Be active in class, please. Your participation will make the course more enjoyable for everyone.
2. Submit required assignments on time per requirement by the instructor. If there is any reason that may prevent a student from doing so, the student must inform the professor ahead of time and not make any excuses for failing to do so. I

Email Correspondence: All email correspondence will be through the UT-Tyler email system. Personal email accounts will not be used for any class related matters (ex. assignments, absence notifications, grades, etc.). All students are responsible for checking their UT-Tyler email accounts regularly. Also, we will utilize "Chat" function in Canvas.

AI use policy: AI will be used in class, but it is only allowed at the direction of the instructor and for very specific assignments. The use of AI in nonauthorized assignments will result in the grade of "0" points.

Late Assignments/ Assessments:

If you are unable to complete a quiz by the deadline, a late submission will be arranged ONLY if the reason is deemed legitimate by the instructor, AND if the instructor is notified IN ADVANCE (a minimum of 24 hours unless it is an emergency), either by phone or email. Students who fail to make appropriate arrangements will receive a grade of "0" for the assignment missed. There will be no exceptions.

University Policies and Information

Withdrawing from Class

Students may [withdraw](#) (drop) from this course using the [Withdrawal Portal](#). Withdrawing (dropping) this course can impact your Financial Aid, Scholarships, Veteran Benefits, Exemptions, Waivers, International Student Status, housing, and degree progress. Please speak with your instructors, consider your options, speak with your advisor, and visit the One-Stop Service Center (STE 230) or email enroll@uttyler.edu to get a complete review of your student account and the possible impacts to withdrawing. We want you to make an informed decision. UT Tyler faculty and staff are here for you and often can provide additional support options or assistance. Make sure to carefully [read the implications for withdrawing from a course and the instructions](#) on using the [Withdrawal portal](#).

Texas law prohibits students from dropping more than six courses during their entire undergraduate career*. The six courses dropped includes those from other 2-year or 4-year Texas public colleges and universities. Consider the impact withdrawing from this class has on your academic progress and other areas, such as financial implications. We encourage you to consult your advisor(s) and Enrollment Services for additional guidance. CAUTION #1: Withdrawing before census day does not mean you get a full refund. Please see the [Tuition and Fee Refund Schedule](#). CAUTION #2: All international students must check with the [Office of International Programs](#) before withdrawing. All international students are required to enroll full-time for fall and spring terms. CAUTION #3: All UT Tyler Athletes must check with the Athletic Academic Coordinator before withdrawing from a course. CAUTION #4: All veterans or military-affiliated students should consult with the [Military and Veterans Success Center](#).

* Students who began college for the first time before 2007 are exempt from this law.

Artificial Intelligence Statement

UT Tyler is committed to exploring and using artificial intelligence (AI) tools as appropriate for the discipline and task undertaken. We encourage discussing AI tools' ethical, societal, philosophical, and disciplinary implications. All uses of AI should be acknowledged as this aligns with our commitment to honor and integrity, as noted in UT Tyler's Honor Code. Faculty and students must not use protected information, data, or copyrighted materials when using any AI tool. Additionally, users should be aware that AI tools rely on predictive models to generate content that may appear correct but is sometimes shown to be incomplete, inaccurate, taken without attribution from other sources, and/or biased. Consequently, an AI tool should not be considered a substitute for traditional approaches to research. You are ultimately responsible for the quality and content of the information you submit. Misusing AI tools that violate the guidelines specified for this course is considered a breach of academic integrity. The student will be subject to disciplinary actions as outlined in UT Tyler's Academic Integrity Policy. [Refer to the About This Course section of the UT Tyler Syllabus Module for specific information on appropriate use of AI in your course\(s\).](#)

Final Exam Policy

Final examinations are administered as scheduled. If unusual circumstances require that special arrangements be made for an individual student or class, the Dean of the appropriate college, after consultation with the faculty member involved, may authorize an exception to the schedule. Faculty members must maintain student final examination papers for a minimum of three months following the examination date.

Incomplete Grade Policy

If a student, because of extenuating circumstances, is unable to complete all of the requirements for a course by the end of the semester, then the instructor may recommend an Incomplete (I) for the course. The "I" may be assigned in place of a grade only when all of the following conditions are met: (a) the student has been making satisfactory progress in the course; (b) the student is unable to complete all coursework or final exam due to unusual circumstances that are beyond personal control and are acceptable to the instructor, and (c) the student presents these reasons before the time that the final grade roster is due. The semester credit hours for an Incomplete will not be used to calculate the grade point average.

The student and the instructor must submit an Incomplete Form detailing the work required and the time by which the work must be completed to their respective department chair or college dean for approval. The time limit established must not exceed one year. Should the student fail to meet all of the work for the course within the time limit, then the instructor may assign zeros to the unfinished work, compute the course average for the student, and assign the appropriate grade. If a grade has yet to be assigned within one year, then the Incomplete will be changed to an F, or NC. If the course was initially taken under the CR/NC grading basis, this may adversely affect the student's academic standing.

Grade Appeal Policy

Disputes regarding grades must be initiated within sixty (60) days from the date of receiving the final course grade by filing a Grade Appeal Form with the instructor who assigned the grade. A grade appeal should be used when the student thinks the final course grade awarded does not reflect the grades earned on assessments or follow the grading scale as documented in the syllabus. The student should provide the rationale for the grade appeal and attach supporting document about the grades earned. The form should be sent via email to the faculty member who assigned the grade. The faculty member reviews the rationale and supporting documentation and completes the instruction section of the form. The instructor should return the form to the student, even if a grade change is made at this level. If the student is not satisfied with the decision, the student may appeal in writing to the Chairperson of the department from which the grade was issued. In situations where there is an allegation of capricious grading, discrimination, or unlawful actions, appeals may go beyond the Chairperson to the Dean or the Dean's designee of the college from which the grade was issued, with that decision being final. The Grade Appeal form is found in the [Registrar's Form Library](#).

NOTE: The Grade Appeal Form is different from the Application for Appeal form submitted to the Student Appeals Committee, which does not rule on grade disputes as described in this policy.

Disability/Accessibility Services

In accordance with Section 504 of the Rehabilitation Act, Americans with Disabilities Act (ADA) and the ADA Amendments Act (ADAAA), the University of Texas at Tyler offers accommodations to students with learning, physical, and/or psychological disabilities. If you have a disability, including a non-visible diagnosis such as a learning disorder, chronic illness, TBI, PTSD, ADHD, or a history of modifications or accommodations in a previous educational environment, you are encouraged to visit <https://hood.accessiblelearning.com/UTTyler/> and fill out the New Student application. The Student Accessibility and Resources (SAR) office will contact you when your application has been submitted and an appointment with the Assistant Director Student Accessibility and Resources/ADA Coordinator. For more information, including filling out an application for services, please visit the SAR webpage at <https://www.uttyler.edu/disability-services>, the SAR office located in the Robert Muntz Library, LIB 460, email saroffice@uttyler.edu, or call 903.566.7079."

Military Affiliated Students

UT Tyler honors the service and sacrifices of our military-affiliated students. If you are a student who is a veteran, on active duty, in the reserves or National Guard, or a military spouse or dependent, please stay in contact with your faculty member if any aspect of your present or prior service or family situation makes it difficult for you to fulfill the requirements of a course or creates

disruption in your academic progress. It is important to make your faculty member aware of any complications as far in advance as possible. Your faculty member is willing to work with you and, if needed, put you in contact with university staff who are trained to assist you. The [Military and Veterans Success Center \(MVSC\)](#) has campus resources for military-affiliated students. The MVSC can be reached at MVSC@uttyler.edu or via phone at 903.565.5972.

Students on an F-1 Visa

To remain in compliance with Federal Regulations requirements you must do the following:

- Traditional face-to-face classes: Attend classes on the regular meeting days/times.
- Hybrid Classes: Attend all face-to-face classes convened by the instructor according to the schedule set for your specific course.
- Online course: Only one online course can count toward your full-time enrollment. Students are expected to be fully engaged and meet all requirements for the online course.

Academic Honesty and Academic Misconduct

The UT Tyler community comes together to pledge that "Honor and integrity will not allow me to lie, cheat, or steal, nor to accept the actions of those who do." Therefore, we enforce the [Student Conduct and Discipline policy](#) in the Student Manual Of Operating Procedures (Section 8).

FERPA

UT Tyler follows the Family Educational Rights and Privacy Act (FERPA) as noted in [University Policy 5.2.3](#). The course instructor will follow all requirements to protect your confidential information.

Absence for Official University Events or Activities

This course follows the practices related to [Excused Absences for University Events or Activities](#) as noted in the Catalog.

Absence for Religious Holidays

This course follows the practices related to [Excused Absences for Religious Holy Days as noted in the Catalog](#).

Absence for Pregnant Students

This course follows the requirements of Texas Laws SB 412, SB 459, SB 597/HB 1361 to meet the needs of pregnant and parenting students. Part of the supports afforded pregnant students includes excused absences. Faculty who are informed by a student of needing this support should make a referral to the Parenting Student Liaison. NOTE: Students must work with the Parenting Student Liaison in order to receive these supports. Students should reach out to the Parenting Student Liaison at parents@uttyler.edu and also complete the [Pregnant and Parenting Self-Reporting Form](#).

Campus Carry

We respect the right and privacy of students who are duly licensed to carry concealed weapons in this class. License holders are expected to behave responsibly and keep a handgun secure and concealed. More information is available at <http://www.uttyler.edu/about/campus-carry/index.php>.
