UT TYLER

COMMUNICATION SCIENCES AND DISORDERS

BACHELOR OF SCIENCE

**JOIN THE EXCITING FIELD
OF CSD!**

Begin preparing for your
career in audiology and
speech-language
pathology.

WELCOME TO UT TYLER COMMUNICATION SCIENCES AND DISORDERS

Our coursework prepares you to begin practicing as an SLP or Audiology assistant upon graduation.

We also prepare you to succeed in graduate school to become a Speech Language Pathologist or Audiologist.

Our professors and clinical educators are dedicated to providing student-centered learning.

OUR CLUB

The National Student Speech Language and Hearing Association is a student-led, student-run campus club.

We do philanthropy, hold social events, have guest speakers, and a lot more.

Everyone is welcome to join!
