

Department of Rehabilitation Sciences  
Master of Occupational Therapy Program  
Observation Hours Verification

Thank you for your interest in our program! The Occupational Therapy Program Non-COTA pathway requires that applicants observe an Occupational Therapist(s) for a minimum of fifty (50) hours in at least two (2) different settings. Applicants, please take this form to the sites and provide a completed form as part of your application to the program by the application deadline of April 1, 2027. Occupational Therapists who are observed will be ‘supervisors’ and will have an option to provide any feedback on the prospective applicant. Thank you!
