CURRICULUM VITAE

861 Blackwood Drive, Allen Texas 75031 Phone: © 386-576-3660 E-Mail: anj2712@gmail.com

Objective & Personal Goals

I aim to be a life long learner with a goal to grow the rewarding profession/ department by inspiring students, administration, and faculty in providing excellency in education delivery ultimately shaping the bright futures of entry level professionals. I ultimately would like to give back to my profession/higher education by facilitating and overseeing a strong academic program(s) by exemplifying my leadership skills as an academic leader in higher education . I also aim to continue my patient practice and higher education in the form of an EdD in order to stay current and relatable to my students.
