

William Sorensen PhD, MSPH, MA
Curriculum Vita
November 1, 2025

PERSONAL DATA:

• U.S. Address	Department of Population Health Leadership & Analytics 3900 University Blvd University of Texas at Tyler Tyler TX 75799 903-566-7032 (work)
• e-mail:	wsorensen@uttyler.edu

EXPERIENCE:

PROFESSOR

Department of Population Health Leadership & Analytics, Department of Public Health, School of Health Professions Department of Health and Kinesiology, School of Community and Rural Health, Department of Health and Kinesiology, College of Nursing and Health Sciences, University of Texas at Tyler; Tyler, TX	School of Health Professions	Jan 2025 - present
		Sept 2022 - Dec 2024
		Sept.2021 – Aug 2022
		Sept.2017 – Aug 2021
• Instructor; Research; Current committees: Tenure Promotion (Department); Tenure Promotion (School); Faculty Search (Department).		

GRADUATE PROGRAM COORDINATOR

Department of Public Health, School of Health Professions Department of Health and Kinesiology, School of Community and Rural Health, Department of Health and Kinesiology, College of Nursing and Health Sciences, University of Texas at Tyler; Tyler, TX	Sept 2022 – Aug 2023
	Sept 2021 – Aug 2022
	Aug 2014 – Aug 2021
• Promoting Masters of Science Health Sciences program; Advising students; Graduate student Admissions, communication.	

VISITING PROFESSOR/POSTDOC SCHOLAR

February 2018 - June 2018

• Doctoral level epidemiology at Universidade de São Paulo, Ribeirão Preto College of Nursing. Brazil. Fulbright U.S. Scholar Award.

INTERIM DEPARTMENTAL CHAIR

Aug 2012 – Dec 2012

Department of Health and Kinesiology, College of Nursing and Health Sciences, University of Texas at Tyler; Tyler, TX	
• Overseeing 12 fulltime faculty, running department with 450 undergraduate and 120 graduate students; management of Department budget. Evaluation and schedule management of instructors; Staff search, interviewing/ hiring. Advising graduate students within three degree programs; Curricula planning; Public Relations.	

ASSOCIATE PROFESSOR

July 2010 – Aug. 2017

Department of Health and Kinesiology, UT Tyler, TX

ASSISTANT PROFESSOR

Aug 2004 – June 2010

Department of Health and Kinesiology, UT Tyler; Tyler, TX

ADJUNCT PROFESSOR

Jan 2007 – Dec 2008

Department of Occupational Health Sciences, University of Texas at Tyler Health Center (UTTHC),
Tyler TX.

SENIOR EPIDEMIOLOGIST	Sept 2002 – July 2004
Bureau of Epidemiology, Houston Department of Health and Human Services; Houston, TX	
<ul style="list-style-type: none"> • Food-borne illness division. Client interviewing. Pulse Field Gel Electrophoresis (PFGE) cluster and outbreak investigations. Grant writing. Medical record review. Member of the Bioterrorism Emergency Response Team. Collaboration with other divisions on hepatitis, HIV, West Nile virus, meningitis, other case investigations. 	
STATISTICS/COMPUTER INSTRUCTOR	Aug 2000 - June 2002
Santa Cruz Cooperative School; Santa Cruz, BOLIVIA	
<ul style="list-style-type: none"> • Developed, instructed curricula in senior level statistics and two levels of computer instruction. 	
REGIONAL HIV/AIDS EPIDEMIOLOGIST	July 1995 – Dec 1999
HIV/AIDS Surveillance, Louisiana Office of Public Health; New Orleans, LA	
<ul style="list-style-type: none"> • Medical record review. Networked with STD clinics, prisons, and drug treatment and psychiatric units. Interviewed clients on risk status. Technical support for regional community planning committees. 	
DATA MANAGEMENT COORDINATOR	May 1994 – Dec 1999
HIV/AIDS Surveillance, Louisiana Office of Public Health; New Orleans, LA	
<ul style="list-style-type: none"> • Designed, implemented, and coordinated multiple research protocols. Presented current HIV/AIDS information to service providers, researchers, and general public. Supervised collection, analysis, and presentation of HIV/AIDS data. Trained field staff. Co-wrote grants to CDC. Office management, staff supervision, programming. 	
DATA-BASE MANAGER	Aug 1993 - Apr 1994
HIV/AIDS Surveillance, Louisiana Office of Public Health; New Orleans, LA	
<ul style="list-style-type: none"> • Data entry and validation. Reporting assistance and epidemiologist support. 	
PROJECT MANAGER-TEACHING RESEARCH ASSISTANT	Sept 1992 - Aug 1993
Tulane University, School of Public Health, International Health Department; New Orleans, LA	
<ul style="list-style-type: none"> • Provided logistic support to the Zaire School of Public Health, and Zairian USAID-sponsored trainees. • Prepared course materials. Performed data analysis. Instructed graduate students in Lotus and PCGlobe. Coordinated production of visual aids. Advised students. 	
MATH/SCIENCE DEPARTMENT CHAIR	Aug 1990 - May 1992
Santa Cruz Cooperative School; Santa Cruz, BOLIVIA	
<ul style="list-style-type: none"> • Departmental planning-- math and science class tracking and curricula planning, middle and secondary school. Assessed needs and budget. Consolidated primary and secondary science objectives. 	
SCIENCE INSTRUCTOR	Aug 1988 - June 1992
Santa Cruz Cooperative School; Santa Cruz, BOLIVIA	
<ul style="list-style-type: none"> • Developed, instructed curricula in five secondary science disciplines. Created electives. Organized, managed and kept inventory of laboratory facilities. Supervised aids. Directed National Honor Society. 	
SCIENCE TEACHER	Sept 1986 - June 1988
A.P. Randolph Campus High School; New York, NY	
<ul style="list-style-type: none"> • Instructed and developed curricula in four secondary science disciplines. Created and supervised after-school student association geared towards the medical profession. 	

PUBLIC RELATIONS ASSISTANT Dec 1985 - July 1986
Sherwood Conservatory of Music, Chicago, IL

- Targeted potential students and community support through telemarketing techniques.
- Designed newsletter and program layouts. Researched advertisement partners and sites.

SECONDARY SCHOOL SCIENCE TEACHER Sept 1983 - June 1985
Peace Corps; DEMOCRATIC REPUBLIC of the CONGO (Zaire)
• Instructed and developed curricula in core science disciplines based on the Belgian system. Organized school library.

CONSULTANT (compensation):

EVALUATOR/STATISTICIAN Oct 2014 – Dec 2017
University of Texas NorthEast Health Center
• Evaluator/statistician for Cancer Prevention and Research Institute of Texas (CPRIT) grant "Optimizing Colorectal Cancer Screening in East Texas", Dr. McGaha, P.I.

EVALUATOR July 2012 – June 2014
Texas Department of State Health Services
• Evaluator for Texas Comprehensive Cancer Control program Implementation Projects (4 sites within Texas); Evaluator for Local Cancer Coalitions (3 sites within Texas); Evaluator for Cancer Alliance of Texas, Austin TX.

EVALUATOR Jan 2008 - Aug 2008
East Texas Council on Alcoholism and Drug Abuse (ETCADA)
• Tobacco Prevention and Control Coalition (TPCC) evaluation for Smith County, Texas.

INDEPENDENT REVIEW ANALYST Apr 2004 – June 2011
Web Power Associates, Miami FL (www.webpower.com)
• Health evaluation of chat-host participant content. Educate content providers on methods to increase sexual health and awareness.

EDUCATION:

UNIVERSITY OF NEW ORLEANS; New Orleans, LA Nov 2003
• PhD in Curriculum & Instruction, collaboration between Education and Human Performance-Health Promotion departments.
• Dissertation: Using mixed methodology to assess high risk sexual behavior and adult stage among Bolivian truck drivers.

TULANE UNIVERSITY, SCHOOL of PUBLIC HEALTH & TROPICAL MEDICINE; May 1994
New Orleans, LA
• MSPH in Biostatistics/Epidemiology
• Awarded Deans Grant Scholarship & US Public Health General Purpose Traineeship.

TEACHERS COLLEGE of COLUMBIA UNIVERSITY; New York, NY May 1988
• MA in Secondary School Science Education
• Awarded Teachers College/Peace Corps Fellowship & Professional Incentive Grant

ST. JOHN'S COLLEGE; Santa Fe, NM May 1982
• BA in Liberal Arts; major in philosophy, minor in mathematics
• Based on "Great Books" program

OTHER TRAINING:

HOUSTON DEPARTMENT OF HEALTH & HUMAN SERVICES; Houston, TX	Dec 2003
• Phlebotomy training.	
NO AIDS TASK FORCE; New Orleans LA	Mar 1995
• HIV/AIDS Awareness/Education/Counselor Training	
INSTITUTE SUPERIEUR PEDAGOGIQUE; Bukavu, ZAIRE	June - Aug 1983
• Peace Corps training in languages, culture and teaching methodology	

ADDITIONAL SKILLS:

SYSTEMS

- SPSS, STATA, SAS, BMDP, HTML, Elluminate, Prodas, Epi-Info, Map-Info, Microsoft WORD, EXCEL, ACCESS, Powerpoint, FoxPro, Blackboard, Canvas.

LANGUAGES

- Fluent in Spanish; Intermediate knowledge of French, Portuguese, Past knowledge Kikongo

SERVICE AND PUBLIC WORKS:

COMMUNITY

- Co-Director of Smith County Comprehensive Cancer Coalition. Jan 2012- Mar 2018
Tyler TX
- Member of Smith County Comprehensive Cancer Coalition. Apr 2008- Mar 2018
Tyler TX
- Member of People Educating Communities about Tobacco use. Sept 2008 – Aug. 2010
Evaluation sub-committee chair, Longview TX
- Cultural Competency Training; Oct. – Nov. 2006
Education to employees of the North East Texas Public Health District, Tyler Tx.

CONSULTANT (volunteer)

- Statistician Mar. – Apr. 2020.
Design of local COVID-19 report and interpretation for County Judge and Mayor of Tyler, Texas.

- Research Design July – Sept. 2011
Design of effect of Ivermectin in preventing Malaria, GUATEMALA
- Research Design Jan 2005 – Dec. 2007
Design of Albendazole trial in school children. El Estor GUATEMALA
- Design of Peace Corps Volunteer performance evaluation. Aug 1998 – Jan 1999
Peace Corps; La Paz, BOLIVIA

TUTOR

- Sylvan Learning Center; Gretna, LA Nov 1996 - Mar 1997
Tutored high school students in reading comprehension, vocabulary and mathematics.
- City College of New York, NY Jan 1987 - May 1988
Supervised highly motivated inner-city students in city funded select engineering/technology program, with emphasis in chemistry.

FUND RAISER

- Chicago Chapter of St. Johns College Alumni Association.

1986
