## **Public History Work**

Research, Galveston Historical Foundation, Summer 2019

Provided transcription services on various ledgers of the Galveston City Company, which helped found the city of Galveston, as well as newspaper research into the Company’s history.

Research, Galveston Historical Foundation, March 2017 – December 2017

Contracted by Galveston Historical Foundation to serve on historical research team for their “Galveston History Project,” a multimedia museum installation that will serve as a window into Galveston Island’s history through the nineteenth and twentieth centuries.
