“Practicing Effective Resident Supervision”

Speaker:

Bhavani Suryadevara, MD, FACP

Assistant Professor of Medicine

Associate Program Director, Internal Medicine Residency

Regional Director at Large – Texas ACP

UT Tyler Health Science Center

Tyler, Texas

Objectives:

At the end of this presentation, participants should have increased information to:

- 1) Define key components and levels of effective resident supervision
- 2) Apply strategies to balance resident autonomy with patient safety
- 3) Utilize structured feedback and communication tools to enhance resident learning

Faculty Development Series are designed for current clinical faculty; other select faculty involved in education and teaching residents and open to other physicians with an interest in the program being presented.

The University of Texas at Tyler Health Science Center is accredited by the Texas Medical Association to provide continuing medical education for physicians.

The University of Texas Health Science Center at Tyler designates this live educational activity for a maximum of **1.0 AMA PRA Category 1 credit**[™]. Participants should only claim credit commensurate with the extent of their participation in the activity.
