“Assessment as a Tool, Feedback as a Driver: Enhancing Resident Learning”

Speakers:

Janki Patel, MD

*Interventional Pain Medicine
Clinical Faculty
UT Tyler School of Medicine
Tyler, Texas*

Elisabeth Golden, MD

*Associate Program Director,
Neurology Residency Program
UT Tyler School of Medicine
Tyler, Texas*

Objectives:

At the end of this presentation, participants should have increased information to:

- 1) Describe the features of an assessment that make it effective and fit for purpose.
- 2) Describe the role of feedback in medical education and professional growth.
- 3) Recognize characteristics of effective feedback.

Faculty Development Series are designed for current clinical faculty; other select faculty involved in education and teaching residents and open to other physicians with an interest in the program being presented.

The University of Texas at Tyler Health Science Center is accredited by the Texas Medical Association to provide continuing medical education for physicians.

The University of Texas Health Science Center at Tyler designates this live educational activity for a maximum of **1.0 AMA PRA Category 1 credit**[™]. Participants should only claim credit commensurate with the extent of their participation in the activity.
