Lung Transplant Complications

Speaker:

Irina Timofte, MD

Associate Professor, Department of Internal Medicine
Division of Pulmonary and Critical Care Medicine
UT Southwestern Medical Center
Dallas, Texas

Objectives:

At the end of this presentation, attendees will have increased information to identify the major categories of complications following lung transplantation (e.g., infectious, immunologic, and non-immunologic), describe the clinical presentation of common early and late post-transplant complications and recognize most common infections

Grand Rounds are designed for physicians, residents, and medical students and are available to other healthcare professionals with an interest in the program being presented.

The University of Texas at Tyler Health Science Center is accredited by the Texas Medical Association to provide continuing medical education for physicians.

The University of Texas at Tyler Health Science Center designates this live educational activity for a maximum of **1.0 AMA PRA Category 1 credit™**. Participants should only claim credit commensurate with the extent of their participation in the activity.

ABIM MOC Credit

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to one (1) MOC point in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
