Breast Cancer Axillary Surgery 2025 Update

Speaker:

Christine Moulds-Merritt, MD, FACS

Assistant Professor of Surgery
Breast Cancer Surgery and
Disorders of the Breast

The University of Texas at Tyler Health Science Center
Tyler, Texas

Objectives:

At the end of this presentation, attendees will have increased information to explain individualized care for breast cancer patients, specifically regarding the extent of axillary surgery, review the rationale behind the de-escalation of axillary procedures, the current modalities used to evaluate and treat axillary disease and discuss the importance of reducing morbidity- such as nerve injury and lymphedema- associated with axillary surgery.

Grand Rounds are designed for physicians, residents, and medical students and are available to other healthcare professionals with an interest in the program being presented.

The University of Texas at Tyler Health Science Center is accredited by the Texas Medical Association to provide continuing medical education for physicians.

The University of Texas at Tyler Health Science Center designates this live educational activity for a maximum of **1.0 AMA PRA Category 1 credit™**. Participants should only claim credit commensurate with the extent of their participation in the activity.

ABIM MOC Credit

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to one (1) MOC point in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
