# "Updates on Treatment of Lung Cancer: A Tale of Hope and Innovation"

## Speaker:

## Erminia Massarelli, MD, PhD, MS

Professor of Medicine
Division Chief, Oncology and Hematology
The University of Texas at Tyler
Tyler, Texas

#### **Objectives:**

At the end of this presentation, participants should have increased information to discuss principles of treatment of early stage and advanced stage non-small cell lung cancer, review principles of treatment of limited stage and advanced stage small cell lung cancer and manage toxicity of novel cancer therapeutics: Immune checkpoint inhibitors (ICI), Antibody drug conjugates (ADC), Bispecific T-cell engagers (BITEs).

Internal Medicine Grand Rounds are designed for Internal Medicine physicians, residents, and medical students.

The University of Texas at Tyler Health Science Center is accredited by the Texas Medical Association to provide continuing medical education for physicians.

The University of Texas Health Science Center at Tyler designates this live educational activity for a maximum of **1.0 AMA PRA Category 1 credit**<sup>TM</sup>. Participants should only claim credit commensurate with the extent of their participation in the activity.

#### **ABIM MOC Credit**

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to one (1) MOC point in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
