Transforming Clinical and Educational Projects to Scholarly Work

Speaker:

Jarett D. Berry, MD
*Professor and Chair, Department of Medicine
University of Texas at Tyler School of Medicine
Tyler, TX*

Objectives:

At the end of this presentation, attendees will have increased information to describe key features that distinguish routine clinical or educational projects from work that can be developed into publishable scholarship, demonstrate how real examples from prior scholarly projects can be used to frame clear questions, methods, and outcomes for dissemination and outline a practical, step-by-step approach for transforming everyday clinical or educational activities into abstracts, presentations, or manuscripts.

Grand Rounds are designed for physicians, residents, and medical students and are available to other healthcare professionals with an interest in the program being presented.

The University of Texas at Tyler Health Science Center is accredited by the Texas Medical Association to provide continuing medical education for physicians.

The University of Texas at Tyler Health Science Center designates this live educational activity for a maximum of **1.0 AMA PRA Category 1 credit™**. Participants should only claim credit commensurate with the extent of their participation in the activity.

ABIM MOC Credit

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to one (1) MOC point in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
