“Stroke Prevention in Atrial Fibrillation; Updating the Playbook in 2026”

Speaker:

Nitin Kondamudi, MD
Cardiac Electrophysiologist
UT Health East Texas Heart & Vascular Institute
Tyler, Texas

Objectives:

At the end of this presentation, attendees should have increased information to discuss how to predict risk of stroke in patients with atrial fibrillation, review stroke prevention in atrial fibrillation and explore future strategies of stroke prevention.

Grand Rounds are designed for physicians, residents, and medical students and are available to other healthcare professionals with an interest in the program being presented.

The University of Texas at Tyler Health Science Center is accredited by the Texas Medical Association to provide continuing medical education for physicians.

The University of Texas at Tyler Health Science Center designates this live educational activity for a maximum of **1.0 AMA PRA Category 1 credit™**. Participants should only claim credit commensurate with the extent of their participation in the activity.

ABIM MOC Credit

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to one (1) MOC point in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
