# “More Than a Choice: Reframing the Clinical Approach to Substance Use Disorders,

## Speaker:

Jasmine Douglas, MD, DABPM, DABOM  
*Clinical Assistant Professor of Family Medicine*  
*UT Health Jacksonville*  
*Jacksonville, Texas*

Medical  
Ethics/Professional  
Responsibility Credit

## Objectives:

At the end of this presentation, attendees should have increased information to explain the neurobiological basis of addiction and its relevance to treatment, apply multimodal approaches to complex pain and opioid-related complications, recognize the clinical risks of emerging substances and long-term sedative use and integrate policy context and social determinants into evidence-based addiction care.

***Grand Rounds are designed for physicians, residents, and medical students and are available to other healthcare professionals with an interest in the program being presented.***

The University of Texas at Tyler Health Science Center is accredited by the Texas Medical Association to provide continuing medical education for physicians.

The University of Texas at Tyler Health Science Center designates this live educational activity for a maximum of **1.0 AMA PRA Category 1 credit™**. Participants should only claim credit commensurate with the extent of their participation in the activity. This program is also designated for 1.0 hour of medical ethics and/or professional responsibility credit.

## ABIM MOC Credit

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to one (1) MOC point in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
