“Skills Beyond Artificial Intelligence-Becoming an Effective Educator in Bedside Teaching”

Speaker:

James G. Fox, MD
Associate Professor of Medicine
Department of Medicine, Div. of Pulmonary & Critical Care Medicine
UT Health East Texas
Tyler, TX

Objectives:

At the end of this presentation, attendees should have increased information to review the role of bedside teaching and adaptations with both modern learners and resources in the current healthcare environment, outline opportunities and practices for impactful and time efficient bedside teaching elements and discuss the important role of bedside teaching in performing clinical assessments for learners.

Note: this system is only accessible to employed faculty of the UT Tyler School of Medicine.

Grand Rounds are designed for physicians, residents, and medical students and are available to other healthcare professionals with an interest in the program being presented.

The University of Texas at Tyler Health Science Center is accredited by the Texas Medical Association to provide continuing medical education for physicians.

The University of Texas at Tyler Health Science Center designates this live educational activity for a maximum of **1.0 AMA PRA Category 1 credit™**. Participants should only claim credit commensurate with the extent of their participation in the activity.

ABIM MOC Credit

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to one (1) MOC point in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
