Community-Acquired Pneumonia: Evidence-Based Diagnosis and Management in Hospital Medicine

Speaker:

Mladjen Veselinovic, MD

Clinical Assistant Professor of Medicine

Division of Infectious Disease

The University of Texas at Tyler Health Science Center

Tyler, Texas

Objectives:

At the end of this presentation, attendees will have increased information to review epidemiology, risk factors, and evolving microbiology of CAP, with insights into resistance patterns and emerging pathogens, discuss diagnostic and treatment strategies, including the role of biomarkers, antimicrobial selection, and stewardship principles and identify complications, managing treatment failures, and criteria for escalation of care, including ICU admission.

Grand Rounds are designed for physicians, residents, and medical students and are available to other healthcare professionals with an interest in the program being presented.

The University of Texas at Tyler Health Science Center is accredited by the Texas Medical Association to provide continuing medical education for physicians.

The University of Texas at Tyler Health Science Center designates this live educational activity for a maximum of **1.0 AMA PRA Category 1 credit™**. Participants should only claim credit commensurate with the extent of their participation in the activity.

ABIM MOC Credit

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to one (1) MOC point in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
