Presenter:

Amanda J. Chase, PhD

Professor of Medical Education

Dr. Kiran C. Patel College of Allopathic Medicine

The UT Tyler School of Medicine Faculty Development Series is sponsored by the Office of Faculty Affairs & Professional Development and the Department of Medical Education. This series is designed to change competencies that align with assessment and enhance reflective practice and guide student learners to be self-regulated, lifelong learners.

The University of Texas at Tyler Health Science Center is accredited by the Texas Medical Association to provide continuing medical education for physicians.

The University of Texas at Tyler Health Science Center designates this live educational activity for a maximum of **1.0 AMA PRA Category 1 credit™**. Participants should only claim credit commensurate with the extent of their participation in the activity.

Learning Objectives

By the conclusion of this session, you should have increased information to:

- Identify systemic and individual factors that influence faculty flourishing and retention.
- Evaluate institutional practices for workload equity and recognition.
- Apply evidence-based strategies that foster belonging, equity, and mattering.
