“The Clinician Educator Milestones: Competencies for Effective Health Professions Education”

Speakers:

Era Buck, PhD

Assistant Dean for Educational Development

F. Marconi Monteiro, EdD

Senior Medical Educator

*Office of Educational Development
UTMB John Sealy School of Medicine
Galveston, Texas*

Objectives:

At the end of this presentation, participants should have increased information to:

- 1) Discuss competency domains for clinician educators
- 2) Analyze potential needs and strategies for clinician educator competency development
- 3) Apply the clinician educator competency framework to their reflection and development as faculty in graduate medical education.

Faculty Development Series are designed for current clinical faculty; other select faculty involved in education and teaching residents and open to other physicians with an interest in the program being presented.

The University of Texas at Tyler Health Science Center is accredited by the Texas Medical Association to provide continuing medical education for physicians.

The University of Texas Health Science Center at Tyler designates this live educational activity for a maximum of **1.0 AMA PRA Category 1 credit** TM. Participants should only claim credit commensurate with the extent of their participation in the activity.
