

**Thursday, September 25, 2014**

The Cowan Center  
3900 University Blvd.  
Tyler, TX 75799

We envision this inaugural conference will become an annual event with national participation. As leaders in healthcare and healthcare education in the region and as institutions committed to quality patient and student outcomes, you are invited to join us in this exciting conference experience!

The purpose of this education activity is to enhance care delivery of best practice by professional registered nurses, Advanced Practice RNs and Nurse Educators in the area of primary, secondary and tertiary care by addressing evidence-based practice paradigm, process and principles within a healthcare setting/culture in an effort to inform clinical decision-making as evidenced by responses to program evaluation.

We hope to see you there! Register today!

## DISTINGUISHED CONFERENCE FACULTY

### Ellen Fineout-Overholt, PhD, RN, FNAP, FAAN

Nationally recognized nursing leader, educator and promoter of EBP, innovation and leadership across the US and globally. Dr. Fineout-Overholt is the Mary Coulter Dowdy

Distinguished Nursing Professor at UT Tyler. Prior, she served as Dean of Professional Studies & Chair of Nursing at East Texas Baptist University. As Director of EBP at Arizona State University, she led a team of EBP experts in writing the widely acclaimed "EBP Step-by-Step Series" in the *American Journal of Nursing*.

### Bernadette Mazurek Melnyk, PhD, RN, CPNP/PMHNP, FAANP, FNAP, FAAN

Currently the Associate Vice President for Health Promotion, University Chief Wellness Officer, and Professor and Dean of the College of Nursing at The Ohio State University. Dr. Melnyk has

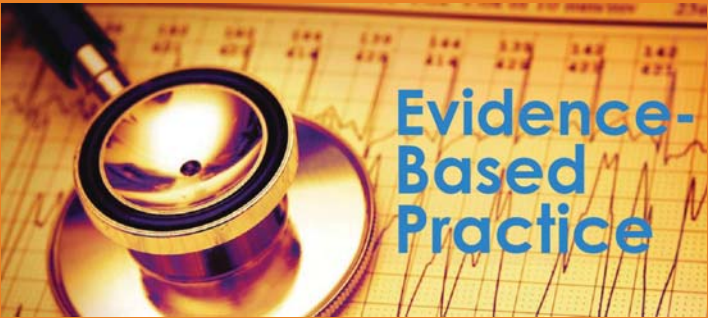

consulted with hundreds of healthcare systems and colleges throughout the nation and globe on how to improve quality of care and patient outcomes through implementing and sustaining evidence-based practice. Her record includes over 19 million dollars of sponsored funding from federal agencies as principal investigator and over 250 publications

### Lane J. Brunner, PhD, R.Ph.

Dr. Brunner began his academic career at the University of Texas at Austin in the College of Pharmacy. His scholarly work includes federally funded bench research, clinical trials and application, and educational methodologies. He

has become a pioneering leader in the use of team-based learning (TBL) in pharmacy academia. As the founding dean of the School of Pharmacy at Regis University he successfully developed a new accredited Doctor of Pharmacy program. He is the founding dean of UT Tyler's Ben and Maytee Fish College of Pharmacy and Sam A. Lindsey Professor.
