SERVICE

CLINICAL ROLE / PATIENT CARE:

INPATIENT CARE:

<u>Dates</u>	<u>Service Role Title</u>
03/2022-Present	Specialist (CRNA) – UHS Main OR

Clinical Role Description:

Review patient history and physical examination, and coordinate with surgical team to formulate a patient-specific anesthetic plan. Provide pre-operative, intra-operative, and post-operative care to patients undergoing general, orthopedic, gastrointestinal, gynecologic, urologic, vascular, and neurologic surgery, as well as patients in non-operating room areas such as endoscopy and radiology. Supervise S.R.N.A.s throughout the perioperative period and educate them regarding anesthetic management.

Dates

03/2022-11/2023
06/2024-Present

Service Role Title

Specialist (CRNA) – UHS Labor & Delivery

Clinical Role Description:

Reviewed patient history and physical examination, and coordinated with obstetric team to formulate a patient-specific anesthetic plan. Provided anesthesia for patients having vaginal deliveries and cesarean deliveries. Responsibilities included placing and managing epidural catheters for labor analgesia, anesthetic management of patients undergoing elective cesarean delivery or other obstetric procedures, and management of emergent obstetric scenarios including emergent cesarean delivery, post-partum hemorrhage, and eclampsia. Supervised S.R.N.A.s management of obstetric patients.

OUTPATIENT CARE:

Dates

03/2022-Present

Service Role Title

Specialist (CRNA) – Medical Arts & Research Center (MARC)

Clinical Role Description:

Review patient history and physical examination, and coordinate with surgical team to formulate a patient-specific anesthetic plan. Provide pre-operative, intra-operative, and post-operative care to patients undergoing outpatient surgery and endoscopic procedures. Supervise S.R.N.A.s throughout the perioperative period and educate them regarding anesthetic management.

Dates

03/2022-07/2023

Service Role Title

Specialist (CRNA) – Robert B. Green (RBG)

Clinical Role Description:

Reviewed patient history and physical examination, and coordinated with surgical team to formulate a patient-specific anesthetic plan. Provided pre-operative, intra-operative, and post-operative care to patients undergoing outpatient surgery and endoscopic procedures. Supervised S.R.N.A.s throughout the perioperative period and educated them regarding anesthetic management.

POLICY / BUSINESS OPERATIONS GUIDE DEVELOPED and IMPLEMENTED:

Dates

06/2023-12/2023

Policy/Guide Title

S.R.N.A. Clinical Supervision Policy

Role in Development

Review and revision

Description:

Reviewed existing policy on S.R.N.A. clinical supervision requirements and regulations. Updated policy to allow incremental increases in periods of indirect supervision, during which the S.R.N.A. may be the sole anesthesia provider in the room. Implemented the updated policy after unanimous consensus was reached and educated members of the Department of Anesthesiology on the updated policy.

SERVICE TO THE INSTITUTION:

OTHER INSTITUTIONAL AD HOC COMMITTEE SERVICE:

DEPARTMENT or DIVISION: Anesthesiology

Dates

06/2023-Present

Committee

S.R.N.A. Clinical
Competency Committee

Role

Member

Outgrowths:

Conduct regular clinical evaluations of visiting S.R.N.A.s from Baylor College of Medicine based on clinical performance. Ensure S.R.N.A. compliance with Department of Anesthesiology policies and readiness for clinical advancement.

Dates

07/2024-Present

Committee

Department of Anesthesiology
Quality Improvement Committee

Role

Member

Outgrowths:

Participate in quality improvement initiatives within the Department of Anesthesiology. Serving as project lead to identify causes of peri-operative corneal abrasions and determine strategies to reduce the incidence of peri-operative corneal abrasions.

SERVICE TO THE PROFESSION:

PROFESSIONAL SOCIETIES / MEMBERSHIP ORGANIZATIONS:

<u>Dates</u>	<u>Organization Name</u>	<u>Scope</u>	<u>Membership Type</u>
