

**Pharmacological Basis for Nursing
NURS 3307
Summer 2023**

**Scheduled Class Days and Times: Longview Campus Tuesday 0900-1145, Palestine Campus
Tuesday 1300-1545, and Tyler Campus 1400-1645**

Instructor's Name: Amanda Chambers, MSN, APRN, CPNP-AC

Office: PAL 108

Phone: 903-727-2307

Email: achambers@uttyler.edu *

Office Hours: Tuesday 1000-1300 and available via appointment, email, conference call, and/or Zoom. *Best way to contact me.

Instructor's Name: Hannah Gean, MSN, RN, CCRN

Office: BRB 2320

Phone: 903-590-6043

Email: hgean@uttyler.edu *

Office Hours: Wednesdays 1100-1400 and available via appointment, email, conference call, and/or Zoom. *Best way to contact me.

Instructor's Name: Hilary Greene, MSN, RN

Office: LUC 228

Phone: 903-736-1046

Email: hgreene@uttyler.edu *

Office Hours: Tuesday 1300-1600, Wednesday 1400-1600 and available via appointment, email, conference call, and/or Zoom. *Best way to contact me.

Instructor's Name: Brian Opella, MSN, RN

Office: BRB 2310

Phone: 903-566-7098

Email: bopella@uttyler.edu *

Office Hours: Monday 1300-1600 and available via appointment, email, conference call, and/or Zoom. *Best way to contact me.

Instructor's Name: Ryleigh Smith, MSN, APRN, PPCNP-BC

Office: BRB 2310

Phone: 903-565-5954

Email: rleighsmith@uttyler.edu *

Office Hours: Tuesday 0930-1230 and available via appointment, email, conference call, and/or Zoom. *Best way to contact me.

Course Description: This course explores evidence-based pharmacotherapeutic nursing interventions to improve patient care. Emphasis is on principles of safe medication administration and patient education. Community, ethical/legal and cultural considerations are explored.

Prerequisites: Admission to the Bachelor of Science in Nursing Program and [NURS 3303](#).

Student Learning Outcomes:

Upon successful completion of this course, the student will be able to:

1. **Professionalism:** Uphold standards of practice using moral, altruistic, ethical, and humanistic principles, while maintaining legal and regulatory standards.
2. **Patient-Centered Care:** Recognize individual's preferences, values, and needs; anticipate the uniqueness of all individuals, families, and populations; and incorporate the patient/family/population in the plan and implementation of care.
3. **EBP:** Synthesize and apply evidence, along with clinical expertise and patient values, to improve patient outcomes.
4. **Informatics & Technology:** Use information and technology to communicate, manage knowledge, mitigate error, and support decision-making.
5. **Quality Improvement:** Use a systematic, data-guided approach to continuously improve outcomes and processes for the patient and healthcare systems.
6. **Teamwork and Collaboration:** Function effectively in nursing and interprofessional teams and foster communication, mutual respect, and shared decision-making to achieve quality patient care.
7. **Wellness and Prevention:** Assess health and wellness in individuals, families, groups, communities, and populations to promote health outcomes.
8. **Leadership:** Promote the practice of professional nursing through leadership and advocacy.
9. **Safety:** Implement measures to promote quality and a safe environment for patients, self, and others.

Required Textbooks and Readings:

Purchase ATI Products as outlined per course requirements.

Holman, H. C., Williams, D., Johnson, J., Sommer, S., Ball, B. S., Morris, C., Leehy, P., Hertel, R.,&

Assessment Technologies Institute (Contributors). (2019). RN Pharmacology for Nursing: Review module (8th ed.). Assessment Technologies Institute. ISBN: 978-1565336032

Special Course Notes:

- 1) Proctoring Notice: no online proctoring will be utilized in this course.
- 2) This course requires you to use the ATI Testing website to complete the required ATI module assignments and ATI exams: atitesting.com

Computer Requirements: Access to a current, working computer or laptop with internet access using Firefox or Chrome browser is required for this internet-based course. The Canvas learning system works best using Firefox or Chrome browsers. It is essential to have access to a reliable PC/laptop and internet access for this course.

Internet Instructions: Course modules are online in Canvas (see course calendar). UT Tyler online canvas courses use Java, JavaScript, browser plug-ins, helper application and cookies. Canvas works best using Chrome or Firefox browser. It is essential that you have these elements installed and enabled in your web browser for optimal viewing of the content and functions of your online course content. Lecture videos are optimally viewed in high definition.

- Adobe Reader allows you to view, save, and print Portable Document Format (PDF) files. <http://get.adobe.com/reader/>
- Java Runtime Environment (JRE) allows you to use interactive tools on the web. <http://www.java.com/en/download/>
- QuickTime allows users to play back audio and video files. <http://www.apple.com/quicktime/download/>

Assignments and Weights/Percentage/Point Values

1. Course work	10%
2. Unit Exams (4 at 15% each)	60%
3. Presentation	5%
4. ATI Practice and Proctored Tests	10%
5. Final Exam	15%

Grading Scale: Specific guidelines and grading criteria for all assignments are in the Modules. Final grades for the course will be determined based upon the following point assignments:

- A - 90-100
- B - 80-89
- C - 75-79
- D - 60-74
- F - Below 60

Final course grades less than 75% are not rounded up. The combined weighted calculation of all course assignments, quizzes, exams, and clinical activities must be at least 75% in order to pass the course.

Grade Appeals: Although the university policy allows 60 days for grade appeals, the School of Nursing follows a stricter timeline of 10 days to facilitate students' timely progression through the curriculum. In the case of extenuating circumstances, please consult the Associate Dean of Academic Affairs for guidance.

Academic Integrity: Cheating of any kind, as defined in Section 8 of the UT Tyler Manual of Policies and Procedures (MOPP) for Student Affairs (<https://www.uttyler.edu/mopp/>), will not be tolerated. Consequences may include:

- reprimand
- exam failure
- course failure
- expulsion from the Nursing program
- expulsion from the University
- other consequences as assigned

Exam and homework materials, questions, and problems are the intellectual property of faculty, UT Tyler, or publishers.

- These materials may not be distributed without permission.
- Distributing or uploading them to online resources destroys the integrity of the assignment and the course, allowing others an unfair advantage by letting them view the materials.
- Uploading these materials to online resources is a violation of UT Tyler's academic misconduct policies and may result in formal conduct charges.
- Sanctions for uploading or otherwise divulging the contents of these materials can include:
 - a reduced or failing grade on an assignment
 - a reduced or failing grade for the course
 - removal from the Nursing program
 - removal from UT Tyler

Late Policy: 5% will be deducted each day an assignment is past due unless prior arrangements have been made with your course faculty. Extenuating circumstances may apply.

Repeating a Course: Students repeating this course may not use previously submitted assignments nor utilize the same patients for an assignment. Submitting the same or slightly modified assignments from previous semesters is considered self-plagiarism and is subject to academic discipline, including failing the assignment or the course.

Attendance and Make-up Policy: Attendance/participation is expected. Make-up for exams, quizzes, assignments, and missed clinical time is at the instructor's discretion.

Grade Replacement: Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. Grade Replacement Contracts are available in the Enrollment Services Center or at <http://www.uttyler.edu/registrar>. Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

Graded Course Requirements Information:

ATI Module Assignments: Each week prior to lecture, you are required to review the applicable ATI online course module and submit a report demonstrating that you have completed the module quiz.

Pharm Phamily Project: Using Studio in Canvas, you will record a power point presentation to share with the class covering the content of one drug of your selection. You will also be responsible for reviewing and commenting on others' videos utilizing the discussion board.

Section 1: ATI Practice Assessment A & B

These two practice tests will be completed at home during a specified week designated by course faculty. During that same week you will be required to complete all remediations for the practice tests. Please see the remediation rubric and instructions in Canvas. If you fail to submit all required remediation objectives by the due date, the assignment will be considered incomplete and result in an automatic zero.

Each exam and remediation are worth 20 points. No partial points are awarded.

Section 2: ATI Proctored Assessment

The Proctored Assessment is a test that will be administered in a proctored exam environment (computer lab) on campus. The Level and remediation are determined by the proctored assessment score from the exam. Similar to the practice tests, you will be given 1 week to complete all remediations for the proctored test. Please see the remediation rubric and instructions in Canvas. If you fail to submit all required remediation objectives by the due date, the assignment will be considered incomplete and result in an automatic zero for the assignment. No partial points are awarded.

No show/no call for the assigned proctored exam may result in zero points.

Section 3: ATI Proctored Retake Assessment

The Proctored Retake Assessment is not required for Level 3. Level 1 or Below Level 1 is required to retake the exam as scheduled by each course. 10 additional points for each additional level improved for the retake assessment may be obtained if the student scores at the next level.

i.e., Below Level 1 scores at Level 1 or higher. Level 2 MAY retake for a higher score to be achieved.

No additional remediation is required after the retaken assessment is completed.

Section 4: ATI Final Grade

Each column is added accordingly, and a final grade is calculated.

Important Course Dates:

Classes Begin: May 8, 2023

Census Date (withdraw without penalty): May 22, 2023

Last Date to Withdraw: July 12, 2023

Please contact your advisor to discuss withdrawing from the course and notify your instructor.

Final exam: August 9, 2023

Last day of class: August 9, 2023

Calendar of Topics, Readings, and Due Dates:

Week	Chapters	Lecture	Assignments
Week 1 5/9/2023	Unit 1	Introduction and Course Overview Pharmacological Principles Safe Dosage, Med Admin, and Oral Medications	Pharm Made Easy Introduction to Pharmacology Dosage Calculation and Safe Medication Administration 3.0
Week 2 5/16/2023		Dosage Calculations	Dosage Calculation and Safe Medication Administration 3.0
EXAM 1			
Week 3 5/23/2023	Unit 8	Hematologic System	Pharm Made Easy Hematologic System
Week 4 5/30/2023	Unit 4	Cardiovascular System	Pharm Made Easy Cardiovascular System
Week 5 6/6/2023	Unit 3	Respiratory System	Pharm Made Easy Respiratory System
EXAM 2			
Week 6 6/13/2023	Unit 9	Pain and Inflammation	Pharm Made Easy Pain and Inflammation
	Unit 8	Musculoskeletal System	Pharm Made Easy Joint and Bone Conditions
Week 7 6/20/2023	Unit 6	Gastrointestinal System and Nutrition	Pharm Made Easy Gastrointestinal System
Week 8 6/27/2023	Unit 10	Endocrine System	Pharm Made Easy Endocrine System ATI Practice Test A
EXAM 3			
Week 9 7/3/2023	Unit 12	Infection	Pharm Made Easy Infection
Week 10 7/11/2023	Unit 11	Immune System	Pharm Made Easy Immune System
			ATI Practice Test B
7/12/2023	Last day to withdraw from class		
EXAM 4			
Week 11 7/18/2023	Unit 2	Reproductive and Genitourinary	Pharm Made Easy Reproductive and Genitourinary System
Week 12 7/25/2023	Unit 2	Neuro Part 1	Pharm Made Easy Neurological System Part 1
			ATI Proctored Test
Week 13 8/1/2023	Unit 7	Neuro Part 2	Pharm Made Easy Neurological System Part 2
			ATI Proctored Test (retake) - Monday 7/31
Week 14 8/9/2023	FINAL EXAM (70% old/30% new)		

The University of Texas at Tyler School of Nursing aspires to create, foster, and sustain a culture of justice, equity, diversity, and inclusion irrespective of one's identity. We value and embrace all backgrounds, experiences, and identities, realizing that no one group, person or perspective has all the answers. We are richer when our individual skills, knowledge, experiences, cultures, backgrounds, and identities are combined in an accepting community. We strive to ensure that every individual gets a fair and equal chance to participate and thrive in a nurturing environment where all feel a sense of belonging. We are committed to intentionally and deliberately creating a diverse community that instills a sense of equitable justice and belonging for everyone affiliated with our school.
