

**Integrated Pharmacotherapy 1 (Ptx-1)**  
**Renal/Respiratory**  
**PHAR 7481**  
Fall Semester 2018

**Course Description**

This course focuses on the application of the knowledge and skills needed for pharmacists to care for patients with various renal and respiratory disorders.

**Additional Information on the Course**

This course incorporates advanced renal and respiratory pathophysiology and pharmacology in order to prepare students to focus on the pharmacotherapeutics of the renal and respiratory systems and common diseases affecting those systems. Development of patient-specific therapeutic plans using non-prescription, prescription and nonpharmacological modalities will be learned. Ultimately, students will be provided with the knowledge and skills necessary to provide care to patients with renal and respiratory disorders.

**Course Credit**

4 credit hours

**Pre-Requisites**

None

**Co-Requisites**

None

**Class Meeting Days, Time & Location**

Monday & Tuesday, 2:00 pm – 4:00 pm; W.T. Brookshire Hall room # 136

**Course Coordinator**

Rebecca Dunn, Pharm.D., BCPS  
W.T. Brookshire Hall Room 237  
Phone number: 903.566.6101  
Email: [rdunn@uttyler.edu](mailto:rdunn@uttyler.edu)  
Office hours: TBD (see Canvas course site)  
Preferred method of contact: Email

**Required Materials**

Most course required materials are available through the Robert R. Muntz Library. These materials are available either online\* (<http://library.uttyler.edu/>) or on reserve.

1. Pharmacotherapy: A Pathophysiologic Approach, 10th Edition. DiPiro JT, Talbert RL, Yee GC, et al. McGraw-Hill Education. (©2017) ISBN 978-1-259-58748-1
2. Principles of Pharmacology: The Pathophysiologic Basis of Drug Therapy Fourth Edition, 4<sup>th</sup> Edition. Golan DE, Armstrong EJ, Armstrong AW. Wolters Kluwer. (©2017) ISBN 9781451191004
3. Renal Pathophysiology, 4<sup>th</sup> Edition. Rennke H, Bradley M, Denker BM. Lippincott Williams & Wilkins. ISBN-13: 978-1451173383
4. Other required materials will be posted on the classes' Canvas site. The site address is: [uttyler.edu/canvas](http://uttyler.edu/canvas).

## Recommended Materials

None

## Course Format

The course may include, but is not limited to, the following activities:

1. Independent study of selected readings
2. Individual readiness assessment tests (iRATs)
3. Team-based learning, active learning strategies:
  - a. Team readiness assessments (tRAT)
  - b. Team application of content and concepts
  - c. Team presentation of content and concepts
  - d. Team project(s)
  - e. SOAP note(s)
4. Case studies
5. Educational video clips (online and in class)
6. Independent preparation of reflection papers

## Course Learning Outcomes (CLOs)

CLOs	Related PLO(s)	Assessment Methods	Grading Method	JCPP Skill(s) Assessed	AACP Std. 11 & 12
1. Select appropriate medication therapy for renal and respiratory conditions based on principles of physiology, pathophysiology and pharmacology.	1, 2	1	ES	1, 2, 3	4
2. Formulate patient-and disease-specific care plans for pharmacotherapeutic regimens in renal and respiratory disorders.	1, 2, 4	1	ES	1, 2, 3, 4	4
3. Design monitoring plans for efficacy, toxicity and adverse effects for pharmacotherapeutic regimens in renal and respiratory disorders.	1, 2, 6	1	ES	3, 4, 5	4

## Course Assessment Methods

	Assessment Method	Description
1	Written exam with Multiple Choice or Multiple Selection Questions	Standard MCQ and select all that apply

## Grading Policy & Grade Calculation

Grades will be determined based on evaluation of individual and team readiness assessment tests (iRATs, tRATs), individual and team cumulative assessment tests (iCATs, tCATs), midterm examinations, final written examinations, skills assessments, graded application assignments, participation in team-based projects, peer evaluations and other assessment methods that may include, but not limited to, Objective Structured Clinical Examinations (OSCE). Examinations, RATs and CATs may consist of, but not limited to, multiple-choice, true/false, fill in the blank, short-answer, essay, and problem-based questions.

During the time the course is in progress, students whose cumulative course percentage falls below 70.0% may receive an academic alert and be subject to periodic course content review in special sessions with the course instructor(s). The student's faculty advisor may receive an academic alert to act upon on the student's behalf.

All examinations, tests, and assignments, including the final examination, may be **cumulative**. Students are responsible for material presented during the prior courses. The grading scale for all graded material is below. The final course grade will be assigned according to the calculated percentage and the percentages will not be rounded upward or downward. For additional information, see examination/assessment policy below.

<b>Standard Grade Calculation*</b>	
<b>Individual Component</b>	<b>85%</b>
iRATs	10%
Midterm 1	20%
Midterm 2	25%
Final Exam	30%
<b>Team Component</b>	<b>15%</b>
tRATs	5%
Team Application(s)/Team Projects	10%
<b>Total</b>	<b>100%</b>

***\*The final course letter grade will be determined according to the following grading scheme:***

A	90 - 100 %
B	80 - 89.999 %
C	70 - 79.999 %
D	65.0 - 69.999 %
F	< 65.0 %

### PHAR 7481 Course Schedule

DAY	TOPIC	Instructor	CLO	WSOP Category
M: 8/27	Course Overview (10 minutes) Clinical Chemistry: Introduction to Laboratory Values*	Dunn	1, 2, 3	S19.01
T: 8/28	Physiology/Pharmacology: Renal Physiology and Volume Regulation*	Glavy	1, 2	S04.07
M: 9/3	Labor Day – No Class			
T: 9/4	Pathophysiology/Pharmacology: Fluid and Electrolyte Disorders*	Glavy	1, 2	S04.05
M: 9/10	Pharmacotherapy: Na and Water Disorders*	Dunn	1, 2, 3	S04.05
T: 9/11	Pharmacotherapy: Ca, Mg, K and Phos Disorders*	Dunn	1, 2, 3	S04.05
M: 9/17	Pathophysiology/Pharmacology: Acid-Base Disorders*	Glavy	1, 2	S04.06
T: 9/18	Pharmacotherapy: Acid-Base Disorders*	Dunn	1, 2, 3	S04.06
M: 9/24	Clinical Chemistry: Laboratory Values and Evaluation of Renal Function*	Dunn	1, 2, 3	S04.04
T: 9/25	Midterm Exam 1 - covers material through 9/18			
M: 10/1	Pathophysiology/Pharmacology: Renal Diseases (AKI, DIKI, CKD)*	Glavy	1, 2	S04.01-03
T: 10/2	Pharmacotherapy: Acute Kidney Injury*	Dunn	1, 2, 3	S04.01
M: 10/8	Pharmacotherapy: Acute Kidney Injury	Dunn	1, 2, 3	S04.01
T: 10/9	Pharmacotherapy: Drug-induced Kidney Disease*	Dunn	1, 2, 3	S04.03
M: 10/15	Pharmacotherapy: Chronic Kidney Disease*	Reinert	1, 2, 3	S04.02
T: 10/16	Pharmacotherapy: Chronic Kidney Disease	Reinert	1, 2, 3	S04.02
M: 10/22	Pharmacotherapy: Dialysis and Renal Replacement Therapies*	Reinert	1, 2, 3	S04.07
T: 10/23	Clinical Chemistry: Laboratory Values and Evaluation of CBC & Iron Indices*	Newsome	1, 2, 3	S14.02
M: 10/29	Pathophysiology/Pharmacology: Anemia (Iron, Folate, B12, Chronic)*	Parmentier	1, 2, 3	S14.01
T: 10/30	Midterm Exam 2 - covers material through 10/22			
M: 11/5	Pharmacotherapy: Anemia (Iron, Folate, B12, Chronic)	Parmentier	1, 2	S14.01
T: 11/6	Pathophysiology/Pharmacology: Respiratory Diseases*	Coyne	1, 2	S02.01-2
M: 11/12	Pharmacotherapy: COPD (acute/chronic)*	Sharpton	1, 2, 3	S02.02
T: 11/13	Pharmacotherapy: COPD (acute/chronic)	Sharpton	1, 2, 3	S02.02
M: 11/26	Pharmacotherapy: Asthma (acute/chronic/action plans)*	Sharpton	1, 2, 3	S02.01
T: 11/27	Pharmacotherapy: Asthma (acute/chronic/action plans)	Sharpton	1, 2, 3	S02.01
M: 12/3	Pharmacotherapy: Smoking Cessation*	Yu	1, 2, 3	S19.01
T: 12/4	Pharmacotherapy: Cystic Fibrosis*	Sharpton	1, 2, 3	S02.03
T: 12/11	Final Exam - cumulative			
<div><div>– * Indicates intended dates for RATs.</div><div>– Please note that dates, topics, and assignments are subject to change. In the event of a change, you will be given ample notification of the change.</div><div>– All midterm (2) and final (1) exams are scheduled by the Office of Academic Affairs</div></div> <div><div>Midterm 1 (material through 9/18)</div><div>Midterm 2 (material through 10/22)</div><div>Final Exam (cumulative + new material through 12/4)</div></div>				

# **College of Pharmacy Policies**

## **Examination Policies**

The term exam in this document refers to any assessment (e.g. RAT, CAT, midterm examination, final exam, OSCE, skills test/assessment) used for formative or summative student learning outcome evaluations.

Most exams will be taken using ExamSoft. It is the students' responsibility to have a device that is compatible and works with ExamSoft under exam conditions. Each student will use a privacy screen on the device used to take the exam.

- Students will be allowed entry to the classroom after an exam has started ONLY at faculty or proctors' discretion.
- Exams using ExamSoft will be available for downloading 24 hours in advance of the exam. All students must have the exam downloaded and be prepared to start the exam at the scheduled exam time. Students will NOT receive additional time if the exam was not downloaded in advance and the student has technical difficulties as a result. The password to access the exam will be given at the time the exam is scheduled to begin.
- Some exams are administered on multiple days (i.e., laboratory assessments or assignments) or throughout the day (i.e., OSCEs). In such instances, students already completing the exams shall not share the questions or activities with students yet scheduled to take the exams. Sharing of any part of the exams with those who have not yet taken the exam is considered academic dishonesty and the person(s) receiving the information will receive a score of zero (0), as well as the person(s) sharing the information about the exams.
- All personal items, such as Google glasses, purses, books, backpacks, cellphones, pagers, notebooks, and briefcases will be left in the front or back of the room during testing.
- Silence will be enforced during exam time. No one may enter or leave the room during the exam without the permission of the exam proctor(s) to avoid distracting other students during the exam.
- Students will not share calculators during exams. Calculators will be provided by the college during the exam period if required.
- Course exams will not be returned. A review of the exam will be conducted at the discretion of the faculty. Exam reviews may be scheduled with faculty during office hours and within TWO (2) business days from the return of the exam grades.
- Official notification of exam scores will be posted on Canvas after faculty analysis and review. Every effort will be made to post the scores in a timely manner.
- Any student achieving an exam grade <70% MUST schedule an appointment with the course coordinator within two business days from the official notification of the exam grades.
- If an absence for an exam is necessary, the student is responsible for notifying the course coordinator PRIOR to the exam with an acceptable reason. Failure to meet this requirement may result in denial of opportunity to make up the exam at a later date. Make-up exams may be given at the time designated by the course coordinator.
- Exams missed for medical/emergency will require official documentation and the documentation must be given to the coordinator no later than five (5) business days after the exam.
- Make-up exams may only be given at the discretion of the course coordinator or relevant faculty and may be in a different format from the original exam.
- Any student suspected of cheating may be immediately removed from the testing area. Strict enforcement of the college Honor Code is maintained.

## **Appeals Policy**

All grading related appeals for a particular project or assignment must be submitted IN WRITING to the responsible instructor and course coordinator within TWO (2) business days of the publication of that grade on Canvas. All appeals must be defended with relevant evidence from appropriate current textbooks and primary literature, and must be properly referenced.

A student can file an appeal if there is a disagreement with a final course grade. The appeal must be submitted within TWO (2) business days of online posting of final course grades. The student must initiate a formal grade appeal process by completing the Course Grade Appeal form available on the College web page and by submitting this form to the course coordinator.

### **Course Remediation Policy**

Please see the Student Handbook (<https://www.utt Tyler.edu/pharmacy/student-handbook/index.php>).

The Fisch College of Pharmacy (FCOP) is dedicated to achieving academic excellence. Students who do not pass required courses, may be afforded the opportunity of participating in a remedial process designed to further their academic competency. Consequently, the primary goal of remediation is to assist the student in correcting deficits in knowledge, skills, attitudes, and behavior beyond the standard course curriculum. Academic remediation should not be viewed as insurance for students who fail a course. Remediation is a privilege and is available for eligible students who have received a D or F grade in up to two required courses in the same academic year and no more than two required courses during the three didactic years, but are otherwise progressing satisfactorily within the program. This student remediation policy is intended for FCOP didactic courses only.

The objective of the remediation process allows any student who earns a final course grade of D or F in a course to be reassessed on the content of that course.

Exclusions: All experiential courses (IPPE, APPE), elective courses and courses taught outside the College of Pharmacy are excluded from this policy. The Course Remediation Policy does not apply to students who are enrolled in 8-week fall or spring sessions (i.e. courses offered within the Class of 2020 third professional year). These courses follow the Course Reassessment Policy.

Process: Students who do not pass (D or F grade) up to two courses in the same academic year or up to two courses during the three didactic academic years may have an opportunity to remediate the course or courses. To qualify for remediation students cannot be on academic probation. Students who remediate must have demonstrated regular attendance and fulfilled the terms of all academic alerts and academic watches. It is the sole responsibility of the student to demonstrate participation in these activities to the FCOP Associate Dean of Academic Affairs to qualify for course remediation.

Remediation will be provided in the form of self-directed, independent study followed by a comprehensive reassessment of the course content. The independent study format will be outlined by the student and the course coordinator. The remediation and subsequent reassessment are not mandates placed on the student, but may be utilized by students who meet the aforementioned criteria for remediation of a course.

- The Course Coordinator will notify the student and the FCOP Office of Academic Affairs when a student's final course grade is a D or F. Notification will occur within 24 hours of the grades being posted to the learning management system. Students must request intent to employ the remediation policy within 7 days following grade notification.
- If the final course grade is D or F, a student may remediate the course.

- Students will be required to take a cumulative course assessment following notification of course grade and prior to the next semester on a date and time determined by the course coordinator, but not to exceed 3 weeks after the previous semester and prior to the start of the next semester.
- Students are expected to attend all didactic classes in the following semester until a final grade is submitted.
- No more than one remediation assessment will be allowed per course during the three didactic years.
- No more than a total of two reassessments will be granted during the three didactic years, with no more than two reassessments granted per semester.
- If the student originally earned a D in the course and passes the reassessment with  $\geq 70\%$ , then a grade of 70% (C) shall replace the summative course grade and will serve as the final grade for the course.
- If the student originally earned an F in the course and passes the reassessment with  $\geq 70\%$ , then a grade of 65% (D) shall replace the summative course grade and will serve as the final grade for the course.
- If the student fails the reassessment with  $< 70\%$ , then the original summative course grade stands and the student will follow the progression policy.
- The student's pre-remediation grade will be submitted to the registrar and a grade change form will be submitted pending successful completion of the remediation and reassessment ( $\geq 70\%$ ).

### **Classroom Behavior Expectations**

Overall, students are expected to exhibit professional behaviors as described in the Student Handbook.

## **UT Tyler Policies and Further Information**

### **Student Rights and Responsibility**

All students are responsible for reviewing the syllabus and abiding by all that is within it. Students are encouraged to seek clarification within the first week of the course. The student is responsible to know and understand the policies that affect her or his rights and responsibilities as a student at UT Tyler. Please follow this link: <http://www2.uttyler.edu/wellness/rightsresponsibilities.php>.

### **Course Website**

Course faculty and coordinators will use Canvas course management tools ([uttyler.edu/canvas](http://uttyler.edu/canvas)) to facilitate communication and to provide access to materials, assessment scores, and other resources. Materials will be posted to the website before formal student engagement and readiness assessment tests.

### **Instructor Communication and Response**

Course faculty strive to have open communication with students both in and outside of the classroom. Students are encouraged to contact faculty to discuss questions or other issues related to the course. Responses to phone or email messages will be transmitted during regular working hours. If you do not have a response within a reasonable time, please check to assure you have used the correct email address or phone number and follow up if with course faculty if needed. Faculty will respond to student questions received during evenings and weekends once they are back in the office during regular business hours. Communications from faculty and course coordinators to students, regarding the course, will be made via the Canvas website and/or UT Tyler email.

### **Attendance and Make-up Policy**

Given the importance of classroom discussion to successful learning in the class, classroom absences will only be excused under exceptional circumstances. In such cases, students are required to make every reasonable effort to notify the course coordinator in advance.

**Late Arrival:** A student may be given credit for classroom participation and contribution if they arrive late and the late arrival was due to circumstances beyond the student's control. In all cases, the decision of the course coordinator with input from the instructor for the day is final. Students will not be allowed to enter the room after the beginning of iRATs until after its conclusion to avoid distracting other students during the exam.

**Known Excused Absence:** A student may request an excused absence from class/pharmacy practice experiences for known personal, compassionate, professional, or health-related reasons. Known excused absence requests are initiated in writing to the course coordinator. Generally, *known* excused absences are for one or two academic days. Known excused absences greater than five academic days in a session may require a student to withdraw from the course. Students will be required to present appropriate documentation to support a request for a known excused absence. ***The decision to grant a known excused absence is at the discretion of the course coordinator and is final.***

**Unexpected Excused Absence:** In the event of unexpected circumstances, students are responsible for submitting a request to the course coordinator requesting the unexpected absence be considered excused within three (3) days of the absence. Students will be required to present appropriate documentation to support a request for an unexpected excused absence. It will be the student's responsibility to make arrangements for making up missed assignments and/or examinations. If the assignment and/or examination cannot be made-up but is considered excused, then the missed activity should not count against the student's final grade; however, this is at the discretion of the course coordinator. ***The decision to grant an unexpected excused absence is at the discretion of the course coordinator and is final.***

The course coordinator(s) in conjunction with instructors will determine if a student's absence results in the need for the completion of additional/supplemental work in order to satisfy course requirements. No makeup assignments or exams will be given outside the attendance and make-up policy outlined in the syllabus. Students will receive a score of zero (0) for assignments not completed within the time frame established by the course coordinator, generally not more than 5 days (including weekends).

**Unexcused Absence:** Students will receive a ZERO (0) for all missed assignments or projects.

### **Course Withdrawal and Census Date**

**The last day to withdraw from the course without academic or financial penalty is September 10, 2018.**

The last day to withdraw from the course with an automatic grade of "W" is **November 5, 2018**. The course coordinator is not responsible for officially withdrawing you from the class. If you do not withdraw by the official dates you will automatically receive a letter grade of "F".

The Census Date is the deadline for many forms and enrollment actions that students need to be aware of. These include:

- Requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit;
- Receiving 100% refunds for withdrawals. (There is no refund after the Census Date);

- Schedule adjustments (section changes, adding a new class, dropping without a “W” grade);
- Being reinstated or re-enrolled in classes after being dropped for non-payment;
- Completing the process for tuition exemptions or waivers through Financial Aid.

### **Handling of Student Accommodations**

In accordance with Section 504 of the Rehabilitation Act, Americans with Disabilities Act (ADA) and the ADA Amendments Act (ADAAA) the University of Texas at Tyler offers accommodations to students with learning, physical and/or psychological disabilities. If you have a disability, including non-visible a diagnosis such as a learning disorder, chronic illness, TBI, PTSD, ADHD, or you have a history of modifications or accommodations in a previous educational environment, you are encouraged to visit <https://hood.accessiblelearning.com/UTTyler> and fill out the New Student application. The **Student Accessibility and Resources (SAR)** office will contact you when your application has been submitted and an appointment with Cynthia Lowery, Assistant Director Student Services/ADA Coordinator. For more information, including filling out an application for services, please visit the SAR webpage at <http://www.uttyler.edu/disabilityservices>, the SAR office located in the University Center, # 3150 or call 903.566.7079.

Students with disabilities must register with the Student Accessibility and Resources office to receive accommodations under ADA(AA) provisions. Students are encouraged to submit application for services 3 weeks prior to need so that eligibility, notification of instructor, possible exam scheduling, and other accommodations can be effectively coordinated. Once approved, exams should be scheduled no less than three (3) days prior to test date. Authority for disability accommodation can be found in the Handbook of Operating Procedures, Section 5.14.1 and can be found at:

<http://uttyler.smartcatalogiq.com/en/UTTyler/2015-2016-HOP/Series-500-Student-Affairs/5-14-1-Disability-Accommodation>.

### **Notice of Permission / Non-Permission**

All course materials (including but not limited to; audio, visual, print and electronic) are copyrighted. External distribution outside of Canvas or for purposes other than classroom use is prohibited without first gaining permission. For additional information regarding the use of copyrighted materials, please refer to the Handbook of Operating Procedures, 2.3.1. Copyrighted materials

<http://uttyler.smartcatalogiq.com/en/UTTyler/2015-2016-HOP/Series-200-General-Policies-and-Procedures/2-3-1-Copyrighted-Materials>.

### **Holidays and Religious Observations**

Students who anticipate the necessity of being absent from class due to the observation of a major religious observance must provide notice of the date(s) to the instructor, in writing, by the second class meeting. Authority for approved absence policy can be found in the Handbook of Operating Procedures, Section 5.10.1 and can be found at:

<http://uttyler.smartcatalogiq.com/en/UTTyler/2015-2016-HOP/Series-500-Student-Affairs/5-10-1-Approved-Student-Absences>.

### **Professionalism Expectations / Handling of Academic Misconduct**

#### **Academic Misconduct and Consequences**

- The University policies regarding academic misconduct will be strictly enforced. Student suspected of cheating during a quiz or examination will receive zero points for the assessment and will be reported to the College’s Office of Academic Affairs and/or the University of Texas at Tyler Office of Judicial Affairs for further sanctions. (See Examination and/or Major Assignment Policies and Procedures). Upon confirmation of academic misconduct in these circumstances of serious

disregard for academic integrity, course faculty may recommend sanctions including that the student be awarded a failing grade in the course.

- Course faculty will adhere to a no tolerance policy for cheating and expect students to abide by university, college and program policies. **The Honor Code will apply at all times.** Students also are expected to help enforce this code.
- Students are expected to work independently on all individual assignments, quizzes and exams. Group projects will be clearly identified. The use of any resources other than the student's own recollection and reasoning ability on an individual assignment, paper, quiz, or exam is cheating. Inappropriate use of electronic or wireless technology (e.g., cellular telephone, pagers, PDA's, laptops) during quizzes or examinations is considered academic misconduct. Students must be honest when reporting on work completed within the course. Putting a student's name on a report that he/she did not actually contribute to in a meaningful way is dishonest and is considered cheating. Both the student whose name is placed on the report or assignment and the student(s) doing so will be sanctioned.
- Plagiarism, another form of cheating that occurs when another person's work is used or copied without proper acknowledgement, is not condoned and will not be allowed.
- Students may be asked to move during an examination if proctors believe a student is knowingly committing or unknowingly contributing to academic misconduct.

Students are encouraged to obtain a copy of *A Student Guide to Conduct and Discipline at UT Tyler*, available in the Office of Student Affairs.

Authority for handling of academic misconduct can be found in the Handbook of Operating Procedures, Sections 5.5.1 and 5.5.2 and can be found at:

Section 5.5.1 – Student Conduct: <http://uttyler.smartcatalogiq.com/en/UTTyler/2015-2016-HOP/Series-500-Student-Affairs>.

Section 5.5.2 – Student Conduct Code, Student Disciplinary Hearing and Appeals Procedures: <http://uttyler.smartcatalogiq.com/en/UTTyler/2015-2016-HOP/Series-500-Student-Affairs/5-5-2-Student-Conduct-Code-Student-Disciplinary-Hearings-and-Appeals>.

### **Social Security and FERPA Statement**

It is the policy of The University of Texas at Tyler to protect the confidential nature of social security numbers. The University has changed its computer programming so that all students have an identification number. The electronic transmission of grades (e.g., via e-mail) risks violation of the Family Educational Rights and Privacy Act; grades will not be transmitted electronically.

#### **FERPA Statement for Courses That Utilize Plagiarism Detection Software**

The University of Texas at Tyler has an account with an automated plagiarism detection service which allows instructors and students to submit student assignments to be checked for plagiarism. Faculty reserve the right to 1) request that assignments be submitted as electronic files and 2) electronically submit assignments to SafeAssign, or 3) ask students to submit their assignments to SafeAssign through the LMS course management program of UT Tyler. Assignments are compared automatically with a database of journal articles, web articles, and previously submitted papers. The instructor receives a report showing exactly how a student's paper was plagiarized. For more information about the University's policies regarding plagiarism, go to Subchapter 8-800-Student Standards of Conduct in the Manual of Policies and Procedures for Student Affairs. It can be found at:

<http://www.uttyler.edu/mopp/documents/8Student%20Conduct%20and%20Discipline.pdf>.

Please remove your name from the body of your paper and replace it with your UT Tyler ID#. Also remove your name from the file name and replace it with your UT Tyler ID# (e.g., "U12345678 Essay 1.docx") before submitting it to SafeAssign. Pursuant to the provisions of the Family Educational Rights and Privacy Act (FERPA), students are requested to maintain confidentiality as a way to keep their personal contact information (i.e. name, address, telephone) from being disclosed to vendors or other outside agencies. By your submission, you are also agreeing to release your original work for review for academic purposes to SafeAssign.

### **Student Absence for University-Sponsored Events and Activities**

If you intend to be absent for a university-sponsored event or activity, you (or the event sponsor) must notify the instructor at least two weeks prior to the date of the planned absence. At that time the instructor will set a date and time when make-up assignments will be completed.

### **Emergency Exit and Evacuation**

Everyone is required to exit the building when a fire alarm goes off. Follow your instructor's directions regarding the appropriate exit. If you require assistance during an evacuation, inform your instructor in the first week of class. Do not re-enter the building unless given permission by University Police, Fire department, or Fire Prevention Services.

### **Emergency Preparedness for Academic Continuity**

In the event of an emergency, it may be necessary for UT Tyler to suspend normal operations. During this time, UT Tyler may opt to continue delivery of instruction through methods that include but are not limited to: Canvas, Skype, and email messaging and/or an alternate schedule. It's the responsibility of the student to monitor Canvas site for each class for course specific communication, and the main UT Tyler, College, and department websites and emails for important general information.

### **Syllabus Content Change Disclaimer**

The information contained in the course syllabus, other than the grading criteria and absence and make-up policies, may be subject to change with reasonable advance notice as long as the change is without prejudice to the students.

### **Instructional Technology Assistance**

If you experience technical problems or have a technical question about this course, you can obtain assistance by emailing [itsupport@patriots.utt Tyler.edu](mailto:itsupport@patriots.utt Tyler.edu) or call 903.565.5555.

When you email IT Support, be sure to include a complete description of your question or problem including:

- The title and number of the course
- The page in question
- If you get an error message, a description and message number
- What you were doing at the time you got the error message

### **Netiquette Guide**

"Netiquette" is network etiquette, the do's and don'ts of online communication. Netiquette covers both common courtesy online and informal "rules of the road" of cyberspace. Review and familiarize yourself with the guidelines provided. (<http://www.learnthenet.com/learn-about/netiquette/index.php>)

### **Course and Instructor Evaluations**

Evaluations are a professional responsibility. Constructive evaluation is a valuable tool utilized by the faculty as a method for quality control of the curriculum. Student evaluations are viewed by the faculty and administration as one method for maintaining high, consistent levels of quality education in the College. As a professional pharmacy student, evaluation requires maturity and objectivity. This evaluation tool is the student's opportunity to participate in the on-going evaluation process. The evaluations will be online and links to the tool will be provided on Canvas toward the end of the term. Evaluations are collated and presented in a composite format after final grades are submitted to the Registrar's Office.

**Dress Code**

Please refer to the Student Handbook

**Handgun Policy**

We respect the right and privacy of students who are duly licensed to carry concealed weapons in this class. License holders are expected to behave responsibly and keep a handgun secure and concealed. More information is available at <http://www.uttyler.edu/about/campus-carry/index.php>.

**Tobacco-Free University**

All forms of tobacco will not be permitted on the UT Tyler main campus, branch campuses, and any property owned by UT Tyler. This applies to all members of the University community, including students, faculty, staff, University affiliates, contractors, and visitors.

Forms of tobacco not permitted include cigarettes, cigars, pipes, water pipes (hookah), bidis, kreteks, electronic cigarettes, smokeless tobacco, snuff, chewing tobacco, and all other tobacco products.

There are several cessation programs available to students looking to quit smoking, including counseling, quitlines, and group support. For more information on cessation programs please visit [www.uttyler.edu/tobacco-free](http://www.uttyler.edu/tobacco-free).
