

PRECEPTORS

We've Partnered with CEI to Provide You with Quality Preceptor Education!

CEI offers an entire library of programs of practical tools to help Preceptors engage students and residents and make the most of their teaching site. CEI's Preceptor Library includes a series of online, interactive educational activities that meet ACPE standards for education and professional development of preceptors. Including a monthly online journal club discussion - **Login To Learn (L2L)** - that allows preceptors and students to review and evaluate a clinical, primary literature article. Login To Learn is a LIVE webinar on the second Wednesday of every month from 12noon - 1:00pm (central).

As a Preceptor you can:

- Participate in activities at your convenience within your schedule
- Choose from a selection of activities that meet your professional development needs
- Enhance your ability to integrate student pharmacists
- Benefit from an online journal club for participation with your students

Please contact jcremers@uttyler.edu for code.
