

DOCTOR OF PHARMACY PREREQUISITE COURSEWORK

Pre-pharmacy courses provide a solid foundation for the Pharm.D. curriculum and a well-rounded general education. The Accreditation Council for Pharmacy Education recommends chemistry, biology, mathematics, information and communication technologies, physical sciences, and general education courses as a foundation for the Pharm.D. curriculum (ACPE 2011, Standard 17.1).

College of Pharmacy Prerequisite Coursework

Prerequisite Course	Texas Common Course Numbering System (TCCNS)
General Chemistry I & Lab	CHEM (1311 + 1111) or 1411
General Chemistry II & Lab	CHEM (1312 + 1112) or 1412
Biology I & Lab	BIOL (1306 + 1106) or 1406
Biology II & Lab	BIOL (1307 + 1107) or 1407
Fundamentals of Speech	SPCH 1311, 1315, 1318 or 1321
Calculus I	MATH 2413, 2313, 1325 or 1425
Economics	ECON 2301 or 2302
Organic Chemistry I & Lab	CHEM (2323 + 2223) or 2423
Organic Chemistry II & Lab	CHEM (2325 + 2225) or 2425
Microbiology & Lab	BIOL (2320 + 2120), (2321 + 2121), 2420 or 2421
Anatomy/Physiology I & Lab*	BIOL (2301 + 2101) or 2401
Anatomy/Physiology II & Lab*	BIOL (2302 + 2102) or 2402

TCCNS: Texas Core Course Numbering System (<http://www.tccns.org>); SCH: Semester Credit Hour, LCCN: Louisiana Common Course Numbers ([link here](#))

***Notes:** A separate Anatomy + Lab (3+1 SCH) and Physiology + Lab (3+1 SCH) courses may be used to satisfy the Anatomy/Physiology I & II requirements.

Time Requirements: Organic chemistry, biology, anatomy/physiology, and microbiology courses must be completed no longer than 7 years prior to entry into the college of pharmacy. Requests to consider exceptions to the pre-requisites or other requirements may be made in writing to the Admissions Committee through the Office of Student Affairs. Pre-pharmacy courses do not have to be completed prior to applying to the College of Pharmacy, but must be completed prior to entry.

Grade Requirements: All prerequisite must be completed at a grade of “C” or higher. Students may retake these course if they receive a grade lower than a “C”. If the repeated grade is a “C” or higher, this requirement will be considered met. Both the original grade(s) and the repeated grade(s) will be included in the GPA calculations.

Advanced placement (AP): AP courses may be substituted for a required course depending upon the score obtained, refer to <http://www.uttyler.edu/admissions> for more information.

Texas Core Curriculum: The Texas Core Curriculum describes the general education requirements that all first time college graduates in Texas must complete as part of their degree program. Exemptions to this requirement and additional information on the Texas Core Curriculum may be found at: <http://www.uttyler.edu/pharmacy/core.php>.

Equivalent coursework at other colleges and universities: Courses can be identified through the Texas Common Course Numbering System (<http://www.tccns.org>) and/or the equivalency sheets available at <http://www.uttyler.edu/pharmacy/new-students.php>. For courses not included in the TCCNS, please contact the Office of Student Affairs.
