

DOCTOR OF PHARMACY PREREQUISITE COURSEWORK

Pre-pharmacy courses provide a solid foundation for the Pharm.D. curriculum and a well-rounded general education. The Accreditation Council for Pharmacy Education recommends chemistry, biology, mathematics, information and communication technologies, physical sciences, and general education courses as a foundation for the Pharm.D. curriculum (ACPE 2011, Standard 17.1).

College of Pharmacy Prerequisite Coursework

Prerequisite Course	TCCNS	The University of Texas at Austin
General Chemistry I & Lab	CHEM (1311 & 1111) or 1411	CH 301 & 204 ¹
General Chemistry II & Lab	CHEM (1312 & 1112) or 1412	CH 302 & 204 ¹
Biology I & Lab	BIOL (1306 & 1106) or 1406	BIO 311C & 206L ¹
Biology II & Lab	BIOL (1307 & 1107) or 1407	BIO 311D & 206L ¹
Fundamentals of Speech	SPCH 1311, 1315, 1318 or 1321	CMS 305, 306M, 315M
Calculus I	MATH 2413, 2313, 1325, or 1425	M 403K, M 408K, M 408N or M 408C
Economics	ECON 2301 or 2302	ECO 304L or ECO 304K
Organic Chemistry I & Lab	CHEM (2323 & 2223) or 2423	CH (310M or 320M) & (110K or 220C ¹)
Organic Chemistry II & Lab	CHEM (2325 & 2225) or 2425	CH (310N or 320N) & (110L or 220C ¹)
Microbiology & Lab	BIOL (2320 & 2120) or (2321 & 2121) or 2421	BIO 326M & 226L or (326R & 226L)
Anatomy/Physiology I & Lab*	BIOL (2301 & 2101) or 2401	BIO (416K & 416L) or (Anatomy-BIO
Anatomy/Physiology II & Lab*	BIOL (2302 & 2102) or 2402	466L & Physiology-BIO-365S & 165U)

TCCNS: Texas Core Course Numbering System (<http://www.tccns.org>); SCH: Semester Credit Hour

***Notes:** A separate Anatomy + Lab (3+1 SCH) and Physiology + Lab (3+1 SCH) courses may be used to satisfy the Anatomy/Physiology I & II requirements.

Time Requirements: Organic chemistry, biology, anatomy/physiology, and microbiology courses must be completed no longer than 7 years prior to entry into the college of pharmacy. Requests to consider exceptions to the pre-requisites or other requirements may be made in writing to the Admissions Committee through the Office of Student Affairs. Pre-pharmacy courses do not have to be completed prior to applying to the College of Pharmacy, but must be completed prior to entry.

Grade Requirements: All prerequisite must be completed at a grade of C or higher. Students may retake these course if they receive a grade lower than a "C". If the repeated grade is a "C" or higher, this requirement will be considered met. Both the original grade(s) and the repeated grade(s) will be included in the GPA calculations.

Advanced placement (AP): AP courses may be substituted for a required course depending upon the score obtained, refer to <http://www.uttyler.edu/admissions> for more information.

Texas Core Curriculum: The Texas Core Curriculum describes the general education requirements that all first time college graduates in Texas must complete as part of their degree program. Exemptions to this requirement and additional information on the Texas Core Curriculum may be found at: <http://www.uttyler.edu/pharmacy/core.php>

Equivalent coursework at other colleges and universities: Courses can be identified through the Texas Common Course Numbering System (<http://www.tccns.org>) and/or the equivalency sheets available at <http://www.uttyler.edu/pharmacy/new-students.php>. For courses not included in the TCCNS, please contact the Office of Student Affairs.
