OTR Recommendation Form

As part of the application process to the MOT program, prospective students are required to submit a recommendation from two registered occupational therapists. The applicant must have one recommendation form completed by each of two different OTRs with whom the applicant has worked in a supervisory arrangement.

Attached you will find the form with which to rate the applicant's performance. Your comments will be held in confidentiality. Please complete the form, scan, and email it to ogs@uttyler.edu

Thank you for your willingness to assist in the process of selecting occupational therapy students who will be an asset to the profession. I can be reached at the email address below, should you need further information.

Sincerely,

Anjali Parti
