Discover your **FUTURE**

Whether you clearly see your future career path or if you're still trying to figure it out, The University of Texas at Tyler has a place for you. With nationally ranked programs, a supportive faculty and vibrant student life, we are driven by three guiding priorities: student success, teaching excellence and service to East Texas that all add up to helping you achieve a bright future. From your first campus tour to when you walk across the Cowan Center stage at commencement, we'll be with you every step of the way until you reach your goals.

Your **JOURNEY** *starts here*

Swoop, the UT Tyler mascot, is showing the "Talons Up" hand signal.

“The professors here are so interested in their respective fields that it invokes a fire in me to reach their level.”

SIRISAAC FOSTER
Sophomore, Biochemistry
Frankston, Texas

Discover YOURSELF at UT TYLER

What impressed Sirlsaac Foster the most about UT Tyler is its strong healthcare programs that would prepare him to pursue a career in medicine. UT Tyler students receive an exceptional education, thanks to our renowned faculty, state-of-the-art facilities and small class sizes.

When choosing a major, Sirlsaac decided to study biochemistry in order to strengthen his medical background.

“I discovered a love for the human body and chose medicine as my life’s work,” he says. “I must understand the systems behind human beings before I take on the responsibility of repairing them through surgery.”

As a member of the LOGOS Honors College Student Senate and an undergraduate researcher in the chemistry and biochemistry department, Sirlsaac credits UT Tyler’s commitment to teaching excellence as the reason for his success.

“I’ve not only gained useful experiences in a highly academic environment but will also stand out on my applications to medical school,” he says.

CAMPUS ENGAGEMENT

Find the friends who will help you on your journey by getting involved in our close-knit community. UT Tyler has something for everyone with more than 120 student organizations; rich university traditions like Midnight Breakfast, MET Gala and more; intramural and club sports; outdoor adventures; and service and leadership opportunities. Whether you're from East Texas or new to the area, you'll live, learn and make lifelong friends here on campus.

Find the organization that's right for you at uttyler.edu/engage

CAMPUS ACTIVITIES

From Patriot Palooza to Patriot Days, we have fun activities for students year-round! UT Tyler's student activities help promote connection with others while having fun during the time they are here.

REC SPORTS

We make it easy to stay active while you are here at UT Tyler! Our 260-acre, park-like campus is a great place to spend outdoors. You can view the trees while walking our trails or gather friends together for a game of disc golf at our disc golf course. You can also take in our beauty by relaxing on the deck or paddling a canoe out on Harvey Lake.

GREEK LIFE

Want to go Greek? Joining one of our eight fraternities or sororities is a great way to build a lasting community with like-minded students who are among the most connected, organized, academically minded and service-oriented students at UT Tyler. Once you are a member, you are a member for life.

FOOD OPTIONS

You won't go hungry while you're here. With a full-service dining hall, convenience store and retail options like Chick-fil-A, Einstein Bros. Bagels, Jersey Mike's, Starbucks and more, we'll satisfy the pickiest of eaters.

Plus, there are a wide variety of off-campus dining options just steps from campus.

HEALTH, SAFETY AND WELLNESS

UT Tyler is invested in our students' health, safety and wellness. We provide a Student Wellness Center that offers massage chairs, puzzles, rotating wellness activities and more; an on-campus health center; and a police department that is on call 24-7.

Sam Schott*

NCAA Woman of the Year 2025
Medical Student, Class of 2029

*"It's a gift to attend school and pursue a degree.
Not everyone gets to do what you're doing.
So, you have to treat every day like a blessing."*

SUCCESS ON AND OFF THE FIELD

Our student-athletes succeed on and off the field, including UT Tyler softball alum Sam Schott, who was recently named the 2025 NCAA Woman of the Year for her athletic and academic accomplishments.

Sam made UT Tyler softball program history by playing 225 games with 211 starts and has won several awards including being selected as the All-Lone Star Conference and LSC Golden Glove awards.

She chose UT Tyler because of the location and the legacy of the Patriot softball program. After graduating last spring, Sam continues her education as a first-year medical student in the School of Medicine's Class of 2029, where she is reaching her goal of becoming a doctor.

PATRIOT ATHLETICS

With entertaining activities and tailgating events, fun theme nights and other gatherings, UT Tyler Patriot Athletics has something fun for all students!

UT Tyler students also receive free admission to all home games, so catch a game, enjoy the great halftime shows and events and support your Patriots with a hearty **Talons Up!**

**Sam was a member of the back-to-back 2024 and 2025 national champion UT Tyler softball teams.*

Discover *Tyler*

ENTERTAINMENT

You can find great entertainment options here in Tyler! Take in a show or find fellow art enthusiasts at local venues in our newly-revitalized downtown square, or catch once-in-a-lifetime concerts at the **UT Tyler Cowan Center**. With annual events such as the historic **Texas Rose Festival** and the **Red Dirt BBQ and Music Festival**, there's always something happening.

EATING

Discover the best food here in Tyler! From national chains to local favorites, you will be able to find what you are looking for! If you are into nightlife, be sure to check out **Rick's on the Square**, **Prime 102** or **The Foundry Coffee House** downtown.

SHOPPING

Find the perfect gift, something for the home or complete your wardrobe with the many great shops located in Tyler! From **boutiques downtown** to shopping at the **The Village at Cumberland Park**, Tyler has a wide variety of stores to help you find what you need.

Check out all the stores students get discounts at uttyler.edu/discount-program

“Tyler has a lot to offer with beautiful murals, delicious local restaurants, live music, movie theaters, coffee houses, shopping and historic buildings.”

COHEN TAYLOR
Class of 2026, General Business BS
Garland, TX

STUDENT INSIGHT INTO TYLER

Located in the heart of East Texas, the city of Tyler is a regional focal point for entertainment, retail, healthcare, dining, arts and outdoor recreation. For Garland native and general business alum Cohen Taylor, the city was one of many reasons he chose UT Tyler as his place to study.

One of the many things Cohen loves about Tyler is the amenities. Whether you love outdoor adventures, the local music scene, or just a vibrant place to live and study, Tyler has something for everyone. Cohen also loved the fact that the city was not that far from his home.

“The city of Tyler is filled with beautiful scenic spots like the Tyler State Park and the Tyler Rose Garden,” he said. “Downtown also has a lot to offer, with beautiful murals, delicious local restaurants, live music, theaters, coffee houses, shopping and historic buildings. Plus, it’s located less than 100 miles east of Dallas, so it’s not too hard to make a trip to the Metroplex.”

“Exploring the city of Tyler and its welcoming community made my first year of college seem less daunting,” Cohen added.

Find Future Success

We are here to ensure that every student enrolled with us not only completes their degree but also graduates truly prepared to enter the workforce — all while enjoying the journey. We prepare our students for a lifetime of success in their careers, as well as making a meaningful impact in the communities where they live.

EMPLOYERS ACTIVELY
RECRUITING AT UT TYLER
2025-2026 academic year

WORKSHOPS

From resume writing to networking, we offer workshops on a variety of career development topics to refine your skills and guide you down the path to success.

INTERNSHIPS

Internships give you the opportunity to gain valuable work experience and gain networking connections that can increase your success in your career search. Internships also are a great tool for employers to evaluate talent. UT Tyler students have interned at top companies locally, statewide and abroad and received valuable work experience while being an intern.

CAREER FAIRS

Several fairs take place annually to allow you to visit with regional, national and international employers about internships and careers. Make sure to attend!

ACADEMY OF FUTURE HEALTH PROFESSIONALS

Through specialized workshops, mentoring and hands-on experiences, UT Tyler is preparing students to be accepted into medical school and excel in their studies.

TOP EMPLOYERS

- Brookshire Grocery Company
- CHRISTUS Health
- TechServ Engineering and Consulting
- Trane Technologies
- UT Health East Texas
- Soules Foods
- Texas Parks and Wildlife
- Walgreens

CAREER OPPORTUNITIES

After graduation, your UT Tyler degree can lead to successful careers in a variety of fields with salaries ranging from \$80,000 per year for someone just starting out in their first year of nursing to up to \$126,600 for someone in civil engineering with 10 years of experience, with many other career opportunities between.

Alumni Impact

“To get such good training at UT Tyler and to be able to take it and use it in the field has been amazing.”

CEDRIC GOLDEN SPORTSWRITER

*Class of 2001, Journalism BA
2025 National Sports Media Association's
Texas Sportswriter of the Year*

BASKETBALL TO JOURNALISM

Like many kids, Cedric Golden dreamed of playing basketball professionally. In 1984, he even helped lead the Bishop Gorman Crusaders to the TCIL state basketball tournament, where they lost in the championship game. But, he also had an aptitude for writing and knew from a young age that he would become a sportswriter.

Early on, Cedric would read scoreboards in the newspaper, jotting down notes and coming up with his own stories about a game he saw on TV. He also participated in Bishop Gorman's school newspaper, which solidified his decision to become a sportswriter.

After high school, Cedric attended Tyler Junior College and served on the sports staff for the school newspaper. When it was time to transfer, UT Tyler just made sense.

“UT Tyler had a good journalism program and made financial sense for me,” says Cedric.

The excellent professors and dedicated staff helped Cedric to hone his writing skills and learn more about the written word, speech, presentation and organization.

During his time at UT Tyler, Cedric worked part-time at the Tyler Morning Telegraph and a local steakhouse while taking classes.

“The people at UT Tyler were really instrumental in getting me through,” says Cedric. “I don't know that I would have been able to do this without a degree from UT Tyler.”

Cedric continued working part-time for the Tyler paper until joining the staff full-time as a sportswriter. During his tenure there, Cedric attended the '93 Super Bowl in Atlanta, and gained valuable experience as a writer.

In 1999, Cedric began working for the Austin American-Statesman where he's been ever since, traveling all over to cover the dynamic world of high school and college sports.

Earlier this year, Cedric was named the National Sports Media Association's Texas Sportswriter of the Year, a testament to his dedication, wit and willingness to do what it takes to reach his goals.

“I was drawn to the Honors College and the incredible opportunities it provides for growth and community.”

HADASSAH BALCORTA
HONORS COLLEGE
Sophomore, Education
Gladewater, Texas

WHY HONORS COLLEGE

Geared toward hard-working and intellectually driven students, the Honors College provides a rigorous curriculum, research opportunities and a close-knit community of like-minded peers.

Students can make their own mark through independent research, writing or other creative projects.

To apply, fill out an application at uttyler.edu/honors. Incoming freshmen need to have an unweighted high school GPA of 3.75 or higher, an SAT score of 1350 or higher, or an ACT score of 29 or higher. Scholarships are also available. [**uttyler.edu/honors**](https://uttyler.edu/honors)

ACADEMIC SUPPORT

From writing your very first college essay to presenting your senior thesis, every point in your education comes with exciting challenges. Face them with confidence by tapping into UT Tyler's wide variety of academic support services. Meet with an academic advisor, improve your study habits with specialized workshops, join a tutoring program or get personalized feedback from trusted peers. Together, we can help you walk the path toward your success.

For a full list of services, visit [**uttyler.edu/academics/success-services**](https://uttyler.edu/academics/success-services)

RESEARCH

UT Tyler is one of 139 universities recognized as an R2 Research University by the Carnegie Classification of Institutions of Higher Education. What does this mean for you? This means that the university conducts a high amount of research activity between our faculty and students. Some of our programs even allow you to take part in research as an undergrad — some as early as your freshman year!

Discover all the opportunities available at [**uttyler.edu/research**](https://uttyler.edu/research)

STUDY ABROAD

Take your education beyond the classroom by studying abroad! The University of Texas at Tyler's study abroad programs allow you to earn college credit, build lifelong connections and gain valuable global experience. Whether you choose to travel with fellow UT Tyler students or study independently, for a few weeks or an entire academic year, there are opportunities for every student. Scholarships are also available to help turn your travel goals into reality.

Since 2023, more than 300 UT Tyler students have studied abroad across 19 countries worldwide, including Australia, Denmark, India, Italy, Japan and more!

Explore all the opportunities available at [**uttyler.edu/studyabroad**](https://uttyler.edu/studyabroad)

GRADUATE PROGRAMS

After you graduate, consider UT Tyler's graduate programs for your next steps. With graduate programs offered across the university's eight academic colleges and schools, you'll receive one-on-one support from passionate faculty members and take part in cutting-edge research that creates solutions for a better world. Plus, our Patriot Admit program offers UT Tyler students and alumni with a minimum 3.0 cumulative GPA various enrollment benefits based on the program they choose.

Visit [**uttyler.edu/graduate**](https://uttyler.edu/graduate) to learn more!

Academics

COLLEGE OF **Arts and Sciences**

Students in the College of Arts and Sciences are a community of innovators and creators. With programs spanning the humanities, natural and social sciences, communications, the arts and career preparation, our students not only launch their careers or pursue graduate studies but also serve and grow East Texas and beyond.

SCHOOL OF Nursing

From registered nurses on the front lines of healthcare delivery to clinicians and researchers contributing to nursing's scholarly output, the School of Nursing prepares graduates for careers as caring, community-oriented professionals serving East Texas and beyond. With flexible options for every student and classes available on the main campus, Longview University Center and Palestine Campus, we are ready to help you along your journey toward a BSN.

Nursing BSN

Pre-Licensure BSN Track — Dive into nursing courses right away while completing core curriculum and nursing prerequisite requirements. You'll complete all clinical-based courses at UT Tyler, and by graduation you'll be fully prepared to take the NCLEX-RN and begin your career as a Registered Nurse.

Co-Enrollment Option — Are you planning to transfer into our Pre-Licensure BSN track? Co-enroll in three UT Tyler courses and get a head start in our program with the resources and support of both institutions.

Concurrent ADN/BSN Track — Planning to complete your ADN at a community college but want your BSN too? If you're accepted to or enrolled in a Board of Nursing approved ADN program in Texas, you can take your ADN courses on your community college campus and UT Tyler's BSN courses online. Earn both degrees at the same time!

RN-BSN Track — Already an RN? Take the next step! This track is designed with busy professionals in mind: with fully online courses in flexible seven-week sessions. Full-time students can earn their BSN as quickly as two semesters!
