You want the excellent academics and research opportunities provided by big universities and your degree to be backed by a world-renowned university brand. But you also want professors who care about you and that supportive community you find at small colleges.

At The University of Texas at Tyler, you don’t have to compromise.

We’ve created a truly unique college experience, full of passion, community and opportunity.

Backed by a UT education, whatever your career dreams are, you can pursue your passion.

On our beautiful campus and within our engaging student life, you’ll find your community.

The best news is, with our affordable tuition and millions of dollars in scholarships and grants available, you can seize your opportunity for college success.

ACADEMIC EXCELLENCE + PERSONAL FOCUS

Why not both?

FROM THE PRESIDENT

UT Tyler has grown exponentially since its founding in 1971 as a two-year, upper-level university serving juniors and seniors. This year as we celebrate our 50th anniversary, we are a comprehensive four-year university with nearly 10,000 students, 80 undergraduate and graduate degrees and 17 NCAA DII sports. Our students have all the advantages of a major university, while also benefitting from a close-knit, student-centric community unique to UT Tyler.

We recently began an exciting new era as UT Tyler and The University of Texas Health Science Center at Tyler (UTHSCT) aligned and became a single university. This unification broadens our educational offerings and provides new opportunities in student research and career preparation.

I am honored to serve as president of the unified UT Tyler. Together, we will continue to impact the future of our region and the state, through our primary missions of education, research and service.

“Visiting UT Tyler, I was impressed with what they said about the class sizes and how students could build strong connections with professors. I had heard horror stories about students in bigger schools having trouble reaching out to professors for help. UT Tyler seemed like the exception... and they did not disappoint.”

EXCELLENT ACADEMICS & CAREER FOCUS

Pursue your passion.

From cancer treatments to political polling, undergraduate students have unique opportunities to conduct research that truly impacts lives in East Texas and beyond. By participating in research at UT Tyler, you will help solve real-world problems, gain valuable insight into your chosen field and build skills that employers seek, giving you an edge in finding a great career after graduation.
How to Succeed as a Patriot...

PASS THE TEST
92% of our nursing graduates passed the NCLEX-RN licensure exam on the first try, which is higher than the state (91%) and national (87%) pass rates in 2020.

NETWORK
Our Association of Technology, Management and Applied Engineering student organization has earned the national Outstanding Chapter award five times in the last 10 years.

BUILD A RÉSUMÉ
From career fairs, to our Career Success Conference, to the career coaches in every college—our Office of Career Success and Alumni Engagement is committed to helping you find a career you’re passionate about.

LAND THE JOB
Our engineering graduates are ranked at the top in gainful employment among all Texas public universities with programs in civil, electrical and mechanical engineering, according to the Texas Higher Education Coordinating Board in 2016.

Research Opportunities

UT Tyler students are contributing to advancements in their fields of interest through research as early as their freshman year. Work alongside professors like Dr. Dustin Patterson in biochemistry, who is developing cell-specific drug delivery strategies in the fight against cancer; or Dr. Amy Hayes in psychology, who is researching the interaction between emotional intelligence, gender and academic achievement.

Save the Endangered

Faculty and students explore new ways to save endangered species in the Center for Environment, Biodiversity and Conservation. Projects include the work of biology professors Dr. Lance Williams, Dr. Joshua Banta and Dr. Katrina Kellner to investigate factors causing the extinction of freshwater mussels, which play a significant role in keeping Texas’ waterways clean.

Build Video Systems

Students assist electrical engineering professor Dr. Jounsup Park in developing new systems to deliver high-quality 360-degree video streaming in the field of virtual reality. Their goal is to improve the multimedia user experience.
STUDENT LIFE ON A BEAUTIFUL CAMPUS

Find your community.

A big part of the college experience is what you do with your time outside the classroom. Get involved in our thriving campus life and make lifelong friendships, explore new interests, develop skills, serve the community, enhance your health or advance your career.
“I had an amazing experience at freshman orientation and camp, which inspired me to become a leader the next summer. I love the opportunity to better develop my leadership skills and help people any way that I can.”

Due to COVID-19, UT Tyler will be waiving SAT and ACT requirements for the 2021–2022 academic year. Students are still encouraged to send test scores with their application, if available.
Scholarships & Financial Aid

UT Tyler is already one of the most affordable University of Texas schools. But on top of our great price, we also award millions of dollars each year in merit and need scholarships. Plus, more than 80% of our students receive some sort of financial aid to help, too. Additionally, we have separate scholarship programs for our NCAA Division II athletes and transfer students.

Competitive Awards

HONORS SCHOLARS SCHOLARSHIP
The Honors Scholars Scholarship provides high-achieving students with an unweighted GPA of 3.75 or higher the opportunity to invest in their learning and engage in a dynamic and passionate community. Selected through a holistic process, Honors Scholars are awarded $10,000 per year, renewable for up to four years. Apply by December 1.

PATRIOT SCHOLARSHIP
A competitive scholarship for first-time-in-college students who have at least a 3.5 GPA. Students can be awarded up to $5,000, and this scholarship has four years of total eligibility as long as renewal requirements are met. December 1 priority deadline, March 1 final deadline.

Academic Merit Awards

ACADEMIC EXCELLENCE SCHOLARSHIP
UT Tyler offers the Academic Excellence Scholarship of $2,000 for four years to first-time-in-college students ranked in the top 25% of their high school class with a minimum 3.0 GPA. Students who are homeschooled, students from non-ranking high schools and international students with a minimum GPA of 3.5 also are eligible.

VALEDICTORIAN & SALUTATORIAN
Valedictorian scholarship is for full tuition, fees, books, room & board. Salutatorian is for full tuition and fees. Student must provide a high school transcript showing the student is a valedictorian or salutatorian of a high school in Smith County, or the cities of Longview or Palestine. Scholarship has four years of total eligibility as long as renewal requirements are met.

NEW TRANSFER SCHOLARSHIP
This scholarship is specifically for students who have completed 30 college credit hours at time of admission and who have a cumulative GPA of 3.0 or higher. There is no scholarship application, but the deadline is May 1 to confirm intention to enroll.
Apply early, often and for everything—even small scholarships can make a big difference.
