Program: UT Tyler Physician Assistant Program	Document: Technical Standards Attestation Form

Acknowledgment of Technical Standards

I acknowledge that I have received, read, and understand the Technical Standards required for successful completion of the UT Tyler Physician Assistant Program.

I understand that the Technical Standards describe the essential physical, sensory, motor/tactile, cognitive, behavioral, communication, and social abilities required to:

- Participate in all didactic, laboratory, simulation, and clinical activities.
- Meet program learning outcomes.
- Perform the essential functions of a Physician Assistant student.
- Provide safe and effective patient care.

I understand that these standards apply to all aspects of the program, including classroom instruction, laboratory training, simulations, examinations, and clinical rotations.

Accommodation Process

I understand that:

- Students who require accommodation must request them through the [UT Tyler Office of Student Accessibility and Resources](#).
- Accommodations are determined through the University's formal interactive process.
- The PA Program does not independently grant accommodation and cannot implement until a formal letter is received from the UT Tyler Office of Student Accessibility and Resources.
- Any accommodation must not fundamentally alter essential program requirements, compromise patient health & safety, interfere with the learning environment of other students, or compromise academic integrity or professional standards.

Student Responsibility

I acknowledge that:

- I am responsible for meeting the Technical Standards, with or without reasonable accommodation.
- If I believe I require accommodation, I must initiate the process through the appropriate University office.

- Failure to meet the Technical Standards, with or without accommodation, may result in academic action, including academic warning, probation, deceleration, withdrawal, or dismissal from the program.

Attestation

By signing below, I confirm that I have read and understand the Technical Standards, have had the opportunity to ask questions, understand the accommodation process, and agree to abide by these standards as a condition of enrollment in the program.
