

Basic Life Support (BLS) Temporary Waiver

Student name: _____

Student ID number: _____

Today's date: _____

Semester planning to start Level 1: _____

I understand that successful completion of a Basic Life Support (BLS) course designed for healthcare providers and issued by either the American Heart Association or the American Red Cross is required prior to any clinical experience. Beginning in Fall 2026, students will complete a BLS course as part of one of the Level 1 courses. Therefore, the CastleBranch BLS requirement is temporarily waived as an onboarding requirement. I understand the new due date will be set based on the following schedule:

Submitting documentation	Semester planning to start Level 1	New BLS due date
October - December	Spring	February 28
February - April	Summer	June 30
June - August	Fall	September 30
