Each student is in Field Practicum beginning with first day of the fall semester and commencing the Friday of Finals week. Students may begin their practicum one week prior to the start of the semester (8/17/26). Block placement students must complete their hours by the final day of the semester (12/11/26). Split placement students will be enrolled in Practicum II in the Spring, and will have until 4/30/27 to complete their 400 hours.

Students must complete a minimum of 400 hours in a field agency during their Field Practicum*. Each student must also successfully complete the goals/behaviors specified in their Learning Contract, in addition to successfully completing all the specific behaviors listed in the Mid-Term Evaluation, including any corrective action provided during the evaluation.

****Disclaimer: The completion of the minimum time commitment of 400 hours for Field Block Placement does not ensure a passing grade. Achievement of the behaviors for each of the nine core competencies must be demonstrated.***

Grading Information:

Assignment	% of Grade
Required Zoom Meeting	5
Field Paperwork: Learning Contract & Confidentiality Agreement	25
Mid-Term Evaluation	40
Field Records: Hours Reports and Supervision Logs	30
Total	100

All assignments listed will be completed in ELC.

A Note on Due Dates in ELC:

The due dates listed are the dates when you must complete and/or send the listed assignment to your Field Instructor. Professor Forehand is able to see in ELC when you submit an assignment, even if your Field Instructor does not submit it by the due date listed in the course. **You are responsible for submitting the assignment by the listed due date, but you are not responsible for your Field Supervisor signing off on the assignment on time.**

REQUIRED Zoom Meeting: Tuesday August 25th, 2026 12pm-1pm

Although this class is asynchronous, we will have one required meeting on August 24th from 12pm-1pm to go over the syllabus and assignments for this course. We will also discuss how to navigate ELC. The Zoom link for this meeting will be posted in Canvas. Throughout the course, we will also have optional meetings on the first Tuesday of every month, from 12pm-1pm. You are encouraged to attend these meetings for additional processing and support throughout your practicum experience, although they are not required.

Field Paperwork:

Confidentiality Agreement DUE Sunday, August 30th, 2026

To encourage ethical practices in Field, Students are required to complete the Field Practicum Confidentiality Agreement at the start of the semester. This confidentiality agreement will cover the entirety of Field. The Confidentiality Agreement is located in ELC under the Assignments tab.

Learning Contract DUE Sunday, September 13th, 2026

Think of the learning contract as a roadmap for your internship; it is a list of tasks you plan to complete while in your practicum. These tasks align with the nine core social work competencies, and you will be graded on these tasks. Each competency in the learning contract **must have at least two executable goals assigned, written in complete sentences**. The student should work with their assigned field instructor and task instructor, if applicable, to complete the learning contract. Please reference the learning contracts module in Canvas and attend the scheduled Learning Contract meeting for assistance with your learning contract. You may enlist the assistance of the Field Director if further questions arise.

Students are permitted to use AI to assist them in writing the learning contract. However, each learning competency task should still be specific to the student's agency. Students should use AI for support, brainstorming, and rephrasing, as needed. **Students should not use AI to completely generate their learning contract.**

Mid-Term Evaluations:

Mid-Term Evaluation Form DUE Sunday September 27th, 2026

The mid-term evaluation is an evaluative tool used by a student's agency to mark progress on the learning contract and pre-professional behavior. The mid-term evaluation is located in ELC. The student must initiate the evaluation by starting the assignment and submitting it to their supervisors via ELC by 9/27/26. You will then use the booking link in Canvas to schedule your Mid-Term Eval meeting sometime over the following weeks. You must submit the Mid-Term Eval assignment in ELC by 9/27/26, to give your Field Instructor ample time to complete it before our Mid-Term Eval meeting.

A student must receive a minimum score of "3-Developing" on the mid-term evaluation. If a score of "3" is not earned, a performance improvement plan may be developed to help the student during the second half of the placement.

Mid-Term Evaluation Meetings

Your Mid-Term Evaluation Form must be completed prior to your Mid-Term Evaluation Meeting. If you have not submitted your Mid-Term Eval form in time for your supervisor to complete it before our scheduled meeting, I will cancel the meeting and you will be docked points on your Mid-Term Evaluation.

The mid-term evaluation is completed by the agency field instructor and task supervisor (if applicable) and reviewed with the student and the field liaison in the Mid-Term Evaluation meeting. Generally, this happens via Zoom, but can also be scheduled in person, depending on your site location. Appointments for Mid-Term Eval Meetings must be made **in advance** via the booking link in the Canvas module. **Do not email me to set up your Mid-term Eval—you must use the booking link.**

It is the responsibility of the student to find a time that works for them and their supervisor and to book that time using the above link. If the student would prefer to meet in person or if none of the available times work for their/their supervisors schedules, **please reach out to the Field Director in advance (in this instance, you can email me).**

BLOCK Students: Meetings are available Tuesdays and Thursdays from 10/5-10/16. Please use the link posted in Canvas to book.

SPLIT Students: Meetings are available Tuesdays and Thursdays from 11/2-11/20. Please use the link posted in Canvas to book.

Field Records: Hour Reports and Supervision Logs DUE WEEKLY

NOTE FOR BLOCK STUDENTS: If you are enrolled as a Block student all of your supervision logs and hour reports submitted in Tevera/ELC will count for your “Assignments at Field Practicum Agency” for both your Practicum I and II courses.

Students are responsible for submitting all hour reports and supervision logs in ELC by Sunday of each week. Students are encouraged to reach out to the Field Director or to click on the “Help” button in ELC, if they have any questions. You will begin with an initial grade of 100 for both your supervision logs and hour reports. Each late or missing report or log will result in -5pts to your grade. **You cannot graduate unless all supervision logs and hour reports have been submitted.**

Students are permitted to miss two supervision meetings over the course of the semester. Students should always attempt to reschedule the meeting, if possible, but they will be given two passes for a supervision meeting that cannot be rescheduled. **All other missed meetings must be rescheduled, or students will be docked -5 points per missed meeting.** If there is an emergency situation (a death in the family, an accident, etc.) where the student or their supervisor cannot attend supervision, please contact Professor Forehand.

Written, Oral and Behavioral Assignments To Be Determined (TBD) by Field Practicum Agency:

All written assignments must be grammatically correct using APA style. Assignments with many grammatical errors, misspellings, and/or evidence of plagiarism or AI use will not receive a satisfactory grade.

All assignments will be due on the date as assigned by the field instructor.

Final Grade Assignment:

A = 90-100

B = 80-89*

C = 70-79

D = 60-69

F = Below 60

**If a student earns below a B in Field Practicum I, the student may be required to retake Practicum 4601 at the discretion of the Field Director and BSW Program Director, in accordance with the BSW handbook and CSWE accreditation standards. Students who withdraw from Practicum are not eligible to re-take Field.*

Make-Up Assignments:

Late assignments are strongly discouraged. It is up to the discretion of the field liaison/Field Director if late assignments are accepted. Supervision/hour logs submitted after the Sunday deadline will incur a penalty of -5pts per week late. **You must submit all supervision/hour logs to be eligible to pass the course.** All other late assignments will incur a penalty of -5 pts per day late.

It is the student's responsibility to ensure that work is completed on time and submitted correctly.

Expectations for Out-of-Class Study:

N/A. Class is considered the time spent in the Field Practicum Agency. If the field instructor, field director and student agree, agency assignments may be completed outside of scheduled field hours.

Attendance:

Students are expected to present at their assigned Field Practicum Agency prepared and engaged on each of their scheduled days. Scheduling is at the discretion of the assigned agency and agreed upon by the student prior to starting their practicum. Any absences should be scheduled by the student and approved in advance (if possible) by the field instructor/agency. Unplanned absences must follow agency protocol for notification and make up hours.

The Census Date for the semester is September 8th, 2026. This is the last day students may withdraw from the course without penalty.

University Policies and Information

Withdrawing from Class

Students may withdraw (drop) from this course using the Withdrawal Portal. Withdrawing (dropping) this course can impact your Financial Aid, Scholarships, Veteran Benefits, Exemptions, Waivers, International Student Status, housing, and degree progress. Please speak with your instructors, consider your options, speak with your advisor, and visit the One-Stop Service Center (STE 230) or email enroll@uttyler.edu to get a complete review of your student account and the possible impacts to withdrawing. We want you to make an informed decision. UT Tyler faculty and staff are here for you and often can provide additional support options or assistance. Make sure to carefully read the implications for withdrawing from a course and the instructions on using the Withdrawal portal.

Texas law prohibits students from dropping more than six courses during their entire undergraduate career*. The six courses dropped includes those from other 2-year or 4-year Texas public colleges and universities. Consider the impact withdrawing from this class has on your academic progress and other areas, such as financial implications. We encourage you to consult your advisor(s) and Enrollment Services for additional guidance.

*CAUTION #1: Withdrawing before census day does not mean you get a full refund. Please see the Tuition and Fee Refund Schedule. CAUTION #2: All international students must check with the Office of International Programs before withdrawing. All international students are required to enroll full-time for fall and spring terms. CAUTION #3: All UT Tyler Athletes must check with the Athletic Academic Coordinator before withdrawing from a course. CAUTION #4: All veterans or military-affiliated students should consult with the Military and Veterans Success Center. * Students who began college for the first time before 2007 are exempt from this law.*

Artificial Intelligence (AI) Statement

UT Tyler is committed to exploring and using artificial intelligence (AI) tools as appropriate for the discipline and task undertaken. We encourage discussing AI tools' ethical, societal, philosophical, and disciplinary implications. All uses of AI should be acknowledged as this aligns with our commitment to honor and integrity, as noted in UT Tyler's Honor Code. Faculty and students must not use protected information, data, or copyrighted materials when using any AI tool. Additionally, users should be aware that AI tools rely on predictive models to generate content that may appear correct but is sometimes shown to be incomplete, inaccurate, taken without attribution from other sources, and/or biased. Consequently, an AI tool should not be considered a substitute for traditional approaches to research. You are ultimately responsible for the quality and content of the information you submit. Misusing AI tools that violate the guidelines specified for this course is considered a breach of academic integrity. The student will be subject to disciplinary actions as outlined in UT Tyler's Academic Integrity Policy

For this course, SOCW 4601:

AI is permitted only for specific assignments or situations, and appropriate acknowledgement is required.

This course has specific assignments where artificial intelligence (AI) tools (such as ChatGPT or Copilot) are permitted and encouraged. When AI use is permissible, it will be clearly stated in the assignment directions, and all use of AI must be appropriately acknowledged and cited. Otherwise, the default is that AI is not allowed during any stage of an assignment. **For this course, students are permitted to use AI to write their learning contracts only.**

Final Exam Policy

Final examinations are administered as scheduled. If unusual circumstances require that special arrangements be made for an individual student or class, the Dean of the appropriate college, after consultation with the faculty member involved, may authorize an exception to the schedule. Faculty members must maintain student final examination papers for a minimum of three months following the examination date.

Incomplete Grade Policy

If a student, because of extenuating circumstances, is unable to complete all of the requirements for a course by the end of the semester, then the instructor may recommend an Incomplete (I) for the course. The "I" may be assigned in place of a grade only when all of the following conditions are met: (a) the student has been making satisfactory progress in the course; (b) the student is unable to complete all coursework or final exam due to unusual circumstances that are beyond personal control and are acceptable to the instructor, and (c) the student presents these reasons before the time that the final grade roster is due. The semester credit hours for an Incomplete will not be used to calculate the grade point average. The student and the instructor must submit an Incomplete Form detailing the work required and the time by which the work must be completed to their respective department chair or college dean for approval. The time limit established must not exceed one year. Should the student fail to meet all of the work for the course within the time limit, then the instructor may assign zeros to the unfinished work, compute the course average for the student, and assign the appropriate grade. If a grade has yet to be assigned within one year, then the Incomplete will be changed to an F, or NC. If the course was initially taken under the CR/NC grading basis, this may adversely affect the student's academic standing.

Grade Appeal Policy

Disputes regarding grades must be initiated within sixty (60) days from the date of receiving the final course grade by filing a Grade Appeal Form with the instructor who assigned the grade. A grade appeal should be used when the student thinks the final course grade awarded does not reflect the grades earned on assessments or follow the grading scale as documented in the syllabus. The student should provide the rationale for the grade appeal and attach supporting document about the grades earned. The form should be sent via email to the faculty member who assigned the grade. The faculty member reviews the 08/2024 rationale and supporting documentation and completes the instruction section of the form. The instructor should return the form to the student, even if a grade change is made at this level. If the student is not satisfied with the decision, the student may appeal in writing to the Chairperson of the department from which the grade was issued. In situations where there is an allegation of capricious grading, discrimination, or unlawful actions, appeals may go beyond the Chairperson to the Dean or the Dean's designee of the college from which the grade was issued, with that decision being final. The Grade Appeal form is found in the [Registrar's Form Library](#).

NOTE: The Grade Appeal Form is different from the Application for Appeal form submitted to the Student Appeals Committee, which does not rule on grade disputes as described in this policy.
