Communication

To contact me via email, you may use the Canvas email. You may also email me at szolkoski@uttyler.edu. Please note this is **not** a Patriots email address. I will respond to your emails as quickly as possible; my priority is to be supportive of your work to ensure your success. I work to reply to emails within 24 hours. While I will try to respond to emails over the weekend as promptly as possible, emails sent over the weekend might not be read until Monday morning. My preferred method of communication is **email**.

Teaching Strategies

Strategies utilized in the delivery of the course will include various readings, lecture, discussion, group collaboration, and application activities/assignments.

Class Participation

This course is designed as an online course. You will be expected to complete all coursework online. Please be sure to regularly look at the modules and announcements for our course. There will be scheduled zoom conferences.

Additional Information

You will enroll in the following:

- a) **Research Pool Requirement:** Students enrolled in specified SOE courses must fulfill a research pool requirement each semester. The research requirement for these courses can be satisfied in one of two ways. First, students can satisfy the research pool requirement by volunteering to participate in approved research studies offered by the School of Education (2 credits for 20 points and up to 10 additional points for 1 more credit [total 3 credits]). Alternatively, students can satisfy the research pool requirement by completing alternative assignments equal in time and effort to the research opportunities.
- b) **Google Site:** You will be creating a website where you will be sharing your classroom management plan.

Course Policies and Guidelines

1) Assignment Submission:

For written assignments a “page” is defined as:

- 8½” x 11” paper
- Times New Roman or Arial 12-point font
- Double-spaced (unless otherwise directed)
- 1-inch margin on all sides.
- Put page numbers on the top right-hand side.
- Put the title of the assignment, centered at the top of your paper.
- **For all assignments submitted in Canvas, your name, date, class number, or any other information should NOT be included.**
- Upload written assignments on the Canvas website under the assignment tab.

- a) **Criteria for all assignments** will be available in class and posted online unless otherwise notified by the instructor.

Canvas: Students will access class notes, assignments, grades, and course information through Canvas. Any changes to the course schedule, schedule of assignments, or any special assignments will be posted on Canvas. Students are expected to regularly check Canvas for updates and to download any class handouts.

Classroom Management Portfolio: Students will be creating a classroom management portfolio that will be posted on Google Sites. To ensure a professional product to use on their resume, students will have the opportunity to fix their portfolio assignments as many times as they would like for up to full credit on the assignment (**unless the original submission is not submitted on time**).

- b) Late work:** It is expected that assignments and projects be submitted on time. **An assignment will be considered late if it is not turned in the day it is due.** You may turn in your assignment early. Late assignments are not accepted unless prior arrangements have been made with the instructor. Assignments and due dates are posted in Canvas.
- c) Plagiarism.** Students need to use their own words when completing all assignments. A zero will be given for any assignment that is detected as being plagiarized. Students are subjected to a disposition or a failing grade in the course. Using AI tools without appropriate acknowledgment and citation violates UT Tyler's Honor Code, constitutes plagiarism, and will be treated as such.
- d) AI.** Some assignments in this course will permit using artificial intelligence (AI) tools, such as ChatGPT or Copilot. When AI use is permissible, it will be documented in the assignment description, and all use of AI must be appropriately acknowledged and cited.

When using AI tools for assignments, add an appendix showing (a) the entire exchange (e.g., prompts used), highlighting the most relevant sections; (b) a description of precisely which AI tools were used, (c) an explanation of how the AI tools were used (e.g. to generate ideas, elements of text, etc.); and (d) an account of why AI tools were used (e.g. to save time, to surmount writer's block, to stimulate thinking, to experiment for fun, etc.). Using AI tools without appropriate acknowledgment and citation violates UT Tyler's Honor Code, constitutes plagiarism, and will be treated as such.

***Turn It In** is a tool that will be used to check a document for plagiarism. The tool provides feedback as to whether or not the text in a document is a close match with other documents on the Internet, in journal databases, and submitted to Canvas. It also detects the use of AI. If a student is caught plagiarizing, a grade of zero will be given as well as a disposition for cheating. Once you submit an assignment, you will get a report where you can see plagiarism detection and grammatical errors.* Using AI tools without appropriate acknowledgment and citation violates UT Tyler's Honor Code, constitutes plagiarism, and will be treated as such.

- 2) **You are responsible** for all information given online, during zoom conferences, and in the syllabus.
- 3) **Dispositions** - All students in the UT Tyler Teacher Preparation Program must adhere to the professional behaviors outlined in the U.T. Tyler School of Education Dispositions. Information on dispositions can be found under the attachments of the Course Information Page.

According to The University of Texas at Tyler Office of the President, UT Tyler is committed to student success by providing a uniquely balanced student experience in an environment of innovative teaching shaped to serve and advance the educational, economic, technological, and public interests of East Texas and beyond. We aspire to be the primary educational and economic driver of East Texas.

<https://www.uttyler.edu/president/missionstatement.php>

Excellent teachers must aspire to encourage and engage students with a wide range of abilities, interests, and personalities. UT Tyler has the responsibility of guiding and evaluating teacher candidates' effectiveness, knowledge and skills, and professional habits using many instruments and methods to ensure the highest quality of teacher performance in the complex classrooms of the 21st century.

A professional disposition includes principles or standards reinforcing teacher candidates' success in school and in the classroom. Professional dispositions include values, professional ethics, honesty, responsibility, and social justice. These beliefs and attitudes shape how an educator interacts with colleagues, students, and families. Each semester student dispositions are evaluated by course instructors and field supervisors in consultation with mentor teachers.

SCHOOL OF EDUCATION MISSION

Core Purpose of the School of Education

To prepare competent, caring, and qualified professionals in the field of education, psychology, and counseling; to foster discovery; and to advance the knowledge base in our respective disciplines.
