### REQUIRED TEXT

Houser, R. A. (2019). *Counseling and educational research: Evaluation and application*. Sage Publications.

American Psychological Association. (2020). *Publication manual of the American Psychological Association: The official guide to APA style* (7th ed.). ISBN: 9781433832161

\* In addition to the required text, extra readings will be assigned throughout the semester. These readings will be available on CANVAS.

### METHODS OF INSTRUCTION

This is a hybrid class that utilizes a flipped classroom structure. You are expected to spend an average of 8 hours per week on course-related activities. The course consists of two components: asynchronous learning and in-class sessions. In asynchronous learning, students review recorded lecture videos and complete assigned readings independently to build foundational knowledge before class. The content is available for you to study at your own pace in preparation for weekly class discussions.

During the in-class sessions, we will discuss questions related to the asynchronous materials and engage in collaborative learning activities. Participation in discussions, listening actively, asking meaningful questions, and completing assigned readings are essential for success. Academic integrity is expected at all times, and plagiarism from any source will not be tolerated. Please contact me if you have any questions or concerns about the course.

**Canvas** (<https://www.utt Tyler.edu/canvas/>)

Canvas will serve as the overall structure and launching pad for all our activities in this course. In Canvas, you will find announcements, assignments, course schedule, links to outside activities and so on. Within each module folder, the activities necessary to successfully complete that module are described in great detail. It is students' responsibility to examine each module and get in touch with the instructor immediately if they are not clear about the requirements prior to assignment due dates.

## COURSE POLICIES

There are 5 modules to be completed for this class. Each module contains class content videos, additional readings, and different activities (e.g., discussion posts, videos, reflections, ethical dilemmas, skills recordings) which should be completed that week.

Due to the online nature of this course, it is essential that you remain acutely aware of the due dates for assignments and modules. **All modules (which includes module activities, assignments, and quizzes) are due by 11:59 pm Friday Central Time** as outlined in the class schedule. **All assignments are submitted on CANVAS.** Please DO NOT email or turn in hard copies of your assignments to the instructor, as they will not be accepted as your official submission. You are responsible for uploading the correct version of your assignment to correct location on CANVAS. If you are having trouble logging onto CANVAS or uploading assignments, please contact the CANVAS helpdesk at (903)566-7439 or email them at [itsupport@patriots.utt Tyler.edu](mailto:itsupport@patriots.utt Tyler.edu). You can also receive help by using the Help tab located on the left side of your CANVAS screen, using the CANVAS guides, or contacting CANVAS help at (844)214-6949.

**Late assignments:** Assignments submitted after the due date (as indicated by the CANVAS submission time stamp) will receive a 10% grade deduction for each day up to 3 days. In other words, an exemplary assignment submitted one day late (which would have been graded 100%) will be graded as 90%, and so forth. The work can be submitted a maximum of three days late, and an assignment might receive a minimum of 70% of the grade. Thus, **work submitted later than the third day will not be accepted and will receive a zero even with an excuse.** I strongly recommend that students be proactive and complete assignments ahead of time.

**Participation & Professionalism:** Learning/teaching is a dynamic social process. In this class, your active engagement with the online material is essential. Professionalism represents a way of being made up of appearance, manner, communication, interacting, attitudes, approach, skills, and openness to grow. As part of this class, students are expected to demonstrate professionalism during in-person and online interactions with their peers and

the instructor.

You are expected to be fully engaged in the topic of assessment, invested in your own learning and the learning of others, and eager to participate. Concretely, active participation and professionalism means:

- Reading required materials and being prepared to work
- Demonstrating knowledge of reading assignment material
- Actively taking part in class activities
- Interacting well with peers
- Showing respect and courtesy toward peers and instructor
- Exhibiting a professional demeanor
- Actively engaging in learning opportunities
- Demonstrating critical thinking
- Exhibiting growth in content knowledge and skills
- Contributing to a professional climate

### COURSE ASSIGNMENTS

1. **QUIZZES:** Each module in this course includes one quiz, for a total of five (5) quizzes. These quizzes will cover lecture materials and assigned readings, and will assess your understanding of key topics, vocabulary, and basic concepts. The format will include multiple choice, matching, and true/false questions.

Quizzes will be available throughout the week and can be taken at any time before Friday at 11:59 PM. Be sure to allow enough time to complete each quiz, as they will automatically close at 11:59 PM—regardless of whether you have finished. Each quiz may only be taken once. The late policy does not apply to quizzes.

To help you adjust to the format, your lowest quiz score will be dropped. While there are five quizzes, your grade will be based on the highest four. If you complete all five quizzes with full scores (100%), you will earn 0.5 extra credit point.

2. **ARTICLE SELECTION PAPER:** This assignment is designed to assess your ability to locate articles related to your topic of interest using different research methodologies. **You are required to identify three peer-reviewed empirical research articles** on the topic you select. All three articles should be on the same topic. Each article must represent one of the following research designs: **one qualitative, one quantitative, and one mixed-methods design**. These articles should have been published within the last 10 years (the earliest acceptable publication year is 2016) in a counseling journal (e.g., Journal of Counselor Development, Counselor Education and Supervision). Please refer to the provided list of counseling journals if you need assistance identifying appropriate journals.

The Article Selection paper should be 1–2 pages long (excluding the title page and references), follow APA 7 guidelines (including title page, running head, in-text citations, references, and overall formatting), and include the following information for each article:

For each article, address the following:

- What is the purpose of the study?
- What research design was used?
- Describe the following components of the research design
  - Research question(s)
  - Hypothesis
  - Data collection method(s)

- Data analysis method(s)

**Be sure to select articles that interest you, as you will later complete your Article Review Paper based on one of these articles. As part of this assignment, you will be submitting five documents: a PDF version of your paper, a Word document version of your paper, and a PDF version of each article you have selected.**

*Addresses CACREP Standards: 2.F.8.b, 2.F.8.f, 2.F.8.g, 2.F.8.j.*

3. **ARTICLE REVIEW PAPER:** This assignment is designed to assess skill acquisition in reading, understanding, and critiquing articles from the counseling field. Review and synthesize current research related to your counseling topic, then discuss how the findings can guide ethical and effective counseling practice. Use **at least three peer-reviewed articles**, including those you have already reviewed.

The paper should be 2 to 4 pages (not including title page and references) follows APA 7 guidelines (title page, running head, in-text citation, references, formatting, etc.), and should include the following sections:

- a. Overview of the Counseling Topic
- b. Summary of Research Evidence
  - Strengths
  - Limitations
- c. Implications for Counselors

**As part of this assignment, you will be submitting two documents: a PDF and a Word version of your paper.**

*Addresses CACREP Standards: 2.F.8.b, 2.F.8.f, 2.F.8.g, 2.F.8.j.*

### **EXTRA CREDIT OPPORTUNITY**

Your constructive assessment of this course plays an indispensable role in shaping education at the University of Texas at Tyler. Upon completing the course, please take time to fill out the online course evaluation. The final class evaluation is an extra credit opportunity for this class. When a student submits the completion page into CANVAS by 7/3 11:59 pm, they will receive 0.5 points. Additionally, as mentioned under the quizzes section, if you complete all five quizzes with 100% of the possible points, you will receive 0.5 points as extra credit. I do not round up grades, so to ensure you are receiving the grade you are hoping for, please make sure to utilize the opportunities for extra credit.

### **GRADING**

During the semester, you will have opportunities to earn up to 100 points. Grading is on the following scale: 100% - 90% = A; 89% - 80% = B; 79% - 70% = C; 69% or less = F.

The following number of points can be earned throughout this course:

Quizzes (10 pts*4) .....	40 points
Article Selection Paper .....	20 points
Article Review Paper.....	40 points

---

Total: 100 points

### PROGRAM AND DEPARTMENTAL POLICIES

#### **Clinical Mental Health Counseling Program Mission Statement:**

The mission of the CACREP-Accredited Master of Arts in Clinical Mental Health Counseling (CMHC) program at the University of Texas at Tyler (UTT) is to prepare ethical and competent professional counselors. The CMHC program places a strong emphasis on preparing future counselors to work with a diverse range of client populations. Faculty members collectively aim to provide a rigorous learning environment and supportive atmosphere encouraging personal and professional development to a diverse student body. Throughout their time in the CMHC program, students are supported in developing a deep sense of self-awareness and a strong professional counselor identity, integrating mental health, research, service, and advocacy. Upon successful completion of the program, students are eligible for counselor licensure in Texas and are able to pursue impactful mental health careers within the community.

## **UNIVERSITY POLICIES**

### **UT Tyler Honor Code**

Every member of the UT Tyler community joins together to embrace: Honor and integrity that will not allow me to lie, cheat, or steal, nor to accept the actions of those who do.

### **Students Rights and Responsibilities**

To know and understand the policies that affect your rights and responsibilities as a student at UT Tyler, please follow this link:

<http://www.uttyler.edu/wellness/rightsresponsibilities.php>

### **Withdrawing from Class**

Students may withdraw (drop) from this course using the Withdrawal Portal. Withdrawing (dropping) this course can impact your Financial Aid, Scholarships, Veteran Benefits, Exemptions, Waivers, International Student Status, housing, and degree progress. Please speak with your instructors, consider your options, speak with your advisor, and visit the One-Stop Service Center (STE 230) or email [enroll@uttyler.edu](mailto:enroll@uttyler.edu) to get a complete review of your student account and the possible impacts to withdrawing. We want you to make an informed decision. UT Tyler faculty and staff are here for you and often can provide additional support options or assistance. Make sure to carefully read the implications for withdrawing from a course and the instructions on using the Withdrawal portal.

Texas law prohibits students from dropping more than six courses during their entire undergraduate career\*. The six courses dropped includes those from other 2-year or 4-year Texas public colleges and universities. Consider the impact withdrawing from this class has on your academic progress and other areas, such as financial implications. We encourage you to consult your advisor(s) and Enrollment Services for additional guidance.

- CAUTION #1: Withdrawing before census day does not mean you get a full refund. Please see the Tuition and Fee Refund Schedule.
- CAUTION #2: All international students must check with the Office of International Programs before withdrawing. All international students are required to enroll full-time for fall and spring terms.
- CAUTION #3: All UT Tyler Athletes must check with the Athletic Academic Coordinator before withdrawing from a course.
- CAUTION #4: All veterans or military-affiliated students should consult with Military and Veterans Affairs.

\* Students who began college for the first time before 2007 are exempt from this law.

### **Campus Carry**

We respect the right and privacy of students 21 and over who are duly licensed to carry concealed weapons in this class. License holders are expected to behave responsibly and keep a handgun secure and concealed. More information is available at <http://www.uttyler.edu/about/campus-carry/index.php>

### **UT Tyler a Tobacco-Free University**

All forms of tobacco will not be permitted on the UT Tyler main campus, branch campuses, and any property owned by UT Tyler. This applies to all members of the University community, including students, faculty, staff, University affiliates, contractors, and visitors.

Forms of tobacco not permitted include cigarettes, cigars, pipes, water pipes (hookah), bidis, kreteks, electronic cigarettes, smokeless tobacco, snuff, chewing tobacco, and all other tobacco products.

There are several cessation programs available to students looking to quit smoking, including counseling, quit lines, and group support. For more information on cessation programs please visit [www.uttyler.edu/tobacco-free](http://www.uttyler.edu/tobacco-free).

### **Grade Replacement/Forgiveness and Census Date Policies**

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. Grade Replacement Contracts are available in the Enrollment Services Center or at <http://www.uttyler.edu/registrar>. Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date is the deadline for many forms and enrollment actions of which students need to be aware. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a "W" grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waivers through Financial Aid

### **Grade Appeal Policy**

Disputes regarding grades must be initiated within sixty (60) days from the date of receiving the final course grade by filing a Grade Appeal Form with the instructor who assigned the grade. A grade appeal should be used when the student thinks the final course grade awarded does not reflect the grades earned on assessments or follow the grading scale as documented in the syllabus. The student should provide the rationale for the grade appeal and attach supporting document about the grades earned. The form should be sent via email to the faculty member who assigned the grade. The faculty member reviews the rationale and supporting documentation and completes the instruction section of the form. The instructor should return the form to the student, even if a grade change is made at this level. If the student is not satisfied with the

decision, the student may appeal in writing to the Chairperson of the department from which the grade was issued. In situations where there is an allegation of capricious grading, discrimination, or unlawful actions, appeals may go beyond the Chairperson to the Dean or the Dean's designee of the college from which the grade was issued, with that decision being final. The Grade Appeal form is found in the [Registrar's Form Library](#).

**NOTE:** The Grade Appeal Form is different from the Application for Appeal form submitted to the Student Appeals Committee, which does not rule on grade disputes as described in this policy.

### **Disability/Accessibility Services**

In accordance with Section 504 of the Rehabilitation Act, Americans with Disabilities Act (ADA) and the ADA Amendments Act (ADAAA) the University of Texas at Tyler offers accommodations to students with learning, physical and/or psychological disabilities. If you have a disability, including a non-visible diagnosis such as a learning disorder, chronic illness, TBI, PTSD, ADHD, or you have a history of modifications or accommodations in a previous educational environment, you are encouraged to visit

<https://hood.accessiblelearning.com/UTTyler> and fill out the New Student application. The Student Accessibility and Resources (SAR) office will contact you when your application has been submitted and an appointment with Cynthia Lowery, Assistant Director of Student Services/ADA Coordinator. For more information, including filling out an application for services, please visit the SAR webpage at <http://www.uttyler.edu/disabilityservices>, the SAR office located in the University Center, # 3150 or call 903.566.7079.

### **Military and Veterans**

UT Tyler honors the service and sacrifices of our military-affiliated and veterans students. If you are a student who is a veteran, on active duty, in the reserves or National Guard, or a military spouse or dependent, please stay in contact with your faculty member if any aspect of your present or prior service or family situation makes it difficult for you to fulfill the requirements of a course or creates disruption in your academic progress. It is important to make your faculty member aware of any complications as far in advance as possible. Your faculty member is willing to work with you and, if needed, put you in contact with university staff who are trained to assist you. The [Military and Veterans Affairs](#) has campus resources for military-affiliated students. The MVSC can be reached at [MVSC@uttyler.edu](mailto:MVSC@uttyler.edu) or via phone at 903.565.5972.

### **Students on an F-1 Visa**

To remain in compliance with Federal Regulations requirements you must do the following:

- **Traditional face-to-face classes:** Attend classes on the regular meeting days/times.
- **Hybrid Classes:** Attend all face-to-face classes convened by the instructor according to the schedule set for your specific course.
- **Online course:** Only one online course can count toward your full-time enrollment. Students are expected to be fully engaged and meet all requirements for the online course.

### **Student Absence due to Religious Observance**

Students who anticipate being absent from class due to a religious observance are requested to inform the instructor of such absences by the second class meeting of the semester.

### **Student Absence for University-Sponsored Events and Activities**

If you intend to be absent for a university-sponsored event or activity, you (or the event sponsor) must notify the instructor at least two weeks prior to the date of the planned absence. At that time the instructor will set a date and time when make-up assignments will be completed.

### **Absence for Pregnant Students**

This course follows the requirements of Texas Laws SB 412, SB 459, SB 597/HB 1361 to meet the needs of pregnant and parenting students. Part of the supports afforded pregnant students includes excused absences. Faculty who are informed by a student of needing this support should make a referral to the Parenting Student Liaison. NOTE: Students must work with the Parenting Student Liaison in order to receive these supports. Students should reach out to the Parenting Student Liaison at [parents@uttyler.edu](mailto:parents@uttyler.edu) and also complete the [Pregnant and Parenting Self-Reporting Form](#).

### **FERPA Statement**

UT Tyler follows the Family Educational Rights and Privacy Act (FERPA) as noted in UT Tyler's Policy 7.01: Family Educational Rights and Privacy Act. The course instructor will follow all requirements to protect your confidential information.

### **Emergency Exits and Evacuation**

Everyone is required to exit the building when a fire alarm goes off. Follow your instructor's directions regarding the appropriate exit. If you require assistance during an evacuation, inform your instructor in the first week of class. Do not re-enter the building unless given permission by University Police, Fire department, or Fire Prevention Services.

### **Academic Honesty and Academic Misconduct**

The UT Tyler community comes together to pledge that "Honor and integrity will not allow me to lie, cheat, or steal, nor to accept the actions of those who do." Therefore, we enforce the Student Conduct and Discipline policy in the Student Manual Of Operating Procedures (Section 8).

Disciplinary proceedings may be initiated against any student who engages in scholastic dishonesty, including, but not limited to, cheating, plagiarism, collusion, the submission for credit of any work or materials that are attributable in whole or in part to another person, taking an examination for another person, any act designed to give unfair advantage to a student or the attempt to commit such acts.

- i. "Cheating" includes, but is not limited to:
  - o copying from another student's test paper;
  - o using, during a test, materials not authorized by the person giving the test;
  - o failure to comply with instructions given by the person administering the test;
  - o possession during a test of materials which are not authorized by the person giving the test, such as class notes or specifically designed "crib notes". The presence of textbooks constitutes a violation if they have been specifically prohibited by the person administering the test;
  - o using, buying, stealing, transporting, or soliciting in whole or part the contents of an unadministered test, test key, homework solution, or computer program;

- collaborating with or seeking aid from another student during a test or other assignment without authority;
  - discussing the contents of an examination with another student who will take the examination;
  - divulging the contents of an examination, for the purpose of preserving questions for use by another, when the instructors has designated that the examination is not to be removed from the examination room or not to be returned or to be kept by the student;
  - substituting for another person, or permitting another person to substitute for oneself to take a course, a test, or any course-related assignment;
  - paying or offering money or other valuable thing to, or coercing another person to obtain an unadministered test, test key, homework solution, or computer program or information about an unadministered test, test key, home solution or computer program;
  - falsifying research data, laboratory reports, and/or other academic work offered for credit;
  - taking, keeping, misplacing, or damaging the property of The University of Texas at Tyler, or of another, if the student knows or reasonably should know that an unfair academic advantage would be gained by such conduct; and
  - misrepresenting facts, including providing false grades or resumes, for the purpose of obtaining an academic or financial benefit or injuring another student academically or financially.
- ii. “Plagiarism” is representing someone else's ideas and work as your own. Plagiarism includes not only copying verbatim, but also rephrasing the ideas of another without properly acknowledging the source. As you prepare and submit work to meet course requirements, whether a draft or a final version of a paper or project, take great care to distinguish your own ideas and language from information derived from sources. Sources include published primary and secondary materials, electronic media, and information and opinions gained directly from other people.
- iii. “Collusion” includes, but is not limited to, the unauthorized collaboration with another person in preparing academic assignments offered for credit or collaboration with another person to commit a violation of any section of the rules on scholastic dishonesty.
- iv. All written work that is submitted will be subject to review by plagiarism software.

### **Artificial Intelligence Statement**

UT Tyler is committed to exploring and using artificial intelligence (AI) tools as appropriate for the discipline and task undertaken. We encourage discussing AI tools’ ethical, societal, philosophical, and disciplinary implications. All uses of AI should be acknowledged as this aligns with our commitment to honor and integrity, as noted in UT Tyler’s Honor Code. Faculty and students must not use protected information, data, or copyrighted materials when using any AI tool. Additionally, users should be aware that AI tools rely on predictive models to generate content that may appear correct but is sometimes shown to be incomplete, inaccurate, taken without attribution from other sources, and/or biased. Consequently, an AI tool should not be considered a substitute for traditional approaches to research. You are ultimately responsible for the quality and content of the information you submit. Misusing AI tools that violate the

guidelines specified for this course is considered a breach of academic integrity. The student will be subject to disciplinary actions as outlined in UT Tyler's Academic Integrity Policy.

In this course, I expect all work submitted by students to be their own. I have carefully designed all assignments and class activities to support your learning. Doing your own work, without human or artificial intelligence assistance, is best for your efforts in mastering the course learning objectives. For this course, I expressly forbid using ChatGPT or any other artificial intelligence (AI) tools for any stage of the work process, including brainstorming. To monitor AI use, I will use the University's Turnitin platform, embedded in Canvas, to screen ALL assignments for AI. Any AI detection over 30% will result in a full rewrite for credit. For me to consider the rewrite for credit, it must result in an AI detection of 30% or less. Furthermore, if AI above 30% is detected for more than one assignment or more than once on the same assignment, I will follow the University's policies for reporting academic dishonesty. Please note that AI use is strictly forbidden in this course. Therefore, citing AI use will NOT protect AI use. Any required rewrite must be completed within a timeframe determined by the instructor.

**Any deviations from these guidelines will be considered a violation of UT Tyler's Honor Code and academic integrity policy and will result in an automatic failure of the course, regardless of your performance on other assignments or exams.**
