- Learn More About Antimicrobial Stewardship (Malawian medical attendings, medical students, laboratory professionals) *Oct 2022*

Scholarship

Research and Quality Improvement Projects

Correlation of Mid-Upper Arm Circumference Z-Score for Pediatric Undernutrition Assessment in Rural Southern Malawi

Jul 2024 – April 2026

Preceptor: Emily K. Flores, PharmD, BCPS

Christian Brown, PharmD, BC-ADM

christianbrown@uttyler.edu

Process Development and Financial Sustainability of CGM Utilization in a Family Medicine Resident Clinic

Oct 2024 – Nov 2024

Collaborator: McKenzie C. Highsmith, PharmD, BC-ADM

Development and Implementation of a Pharmacist-Led, Cardiologist-Approved Antiplatelet Stewardship Service

Aug 2023 – May 2024

Preceptors: Julianne Isaac, PharmD, BCPS and Azur Eckley, PharmD, BCPS

UNC Pharmacy Desegregation Oral History Project

Jul 2020 – May 2023

Collaborators: Ben Urick, PharmD, PhD; Greg Bong, PhD; Carla White, RPh

Iowa Capitation for Pharmacy Services History Project

Apr 2020 – Aug 2020

Collaborator: Ben Urick, PharmD, PhD

Publications
