CAREER

Pharmacist

May 2024 - Present

Walgreen's Pharmacy #11175, Kilgore, TX

- Responsibilities:
 - Ensure pharmacy security, performance management, quality assurance, insurance verification and claims, dispensing, counseling, and patient education
- Accomplishments:
 - Consulted regarding medication administration processes

Health Services Pharmacist

May 2018 – May 2024

Brookshire Grocery Company, Tyler, TX

- Responsibilities:
 - Promoted to the corporate office to recruit, build, and empower a Clinical Pharmacist team of five to oversee medication therapy management services, immunization programs, and non-dispensing services at 138 stores in Texas, Arkansas, Louisiana, and Oklahoma
 - Cultivated and built relationships with pharmaceutical manufacturers, healthcare providers, and community stakeholders
 - Researched and responded to medication and immunization-related inquiries from pharmacy personnel at over 120 pharmacies
 - Utilize conventional and nonconventional strategies to achieve company objectives
- Accomplishments:
 - Championed the development and deployment of COVID-19 vaccine and testing programs, maintained COVID-19 state and federal provider agreements, managed company-required internal documentation, and executed COVID-19 site audits
 - Developed and launched programs to include advanced pharmacy technician roles, pharmacist intern utilization, and expanded pharmacy health services
 - Advocated before the Texas House Public Health Committee on Test & Treat hearings and Louisiana Senate Health and Welfare Committee on Expanding Vaccine Access

Pharmacy Manager

2005 – 2018

Super 1 Pharmacy #631, Marshall, TX

- Responsibilities:
 - Recruited as a Registered Pharmacist and promoted within 90 days
 - Hire, train, and schedule a team of four pharmacists, eight pharmacy technicians, and three pharmacy clerks
 - Assume leadership for budgeting, forecasting, purchasing, inventory management, pharmacy security, performance management, quality assurance, insurance verification and claims, dispensing, counseling, and patient education
 - Serve as a pilot site for many programs
 - Train new-hire pharmacy employees across the East Texas area
- Accomplishments:
 - Led the remodel and expansion of the pharmacy to include drive-through pharmacy services to improve customer service
 - Initiated staff incentive programs that boosted performance and significantly improved customer satisfaction
 - Secured management buy-in to introduce new services (travel immunizations, vaccines, and medication therapy management), marketing strategies, and community outreach that drove scripts from 900 to 3,000+ weekly
