COURSE DESCRIPTION

This course provides a chronological survey of the major monuments of painting, sculpture, architecture, textiles, and metalwork from the Pre-Renaissance period to the present.

COURSE OBJECTIVES

This course aims to provide a chronological account of the history of art. It seeks to develop visual literacy through the analysis of works of art, and to develop critical thinking skills through lectures, readings, writing assignments and class discussions. Three examinations and several writing projects, including a formal analysis, will test the student’s general knowledge of information gained from class lectures and text. Core course SLO’s below.

By the end of this course, students should be able to:

• THINK CRITICALLY: Critical thinking skills include (but are not limited to) creative thinking, innovation, inquiry and analysis, evaluation and synthesis of information.
  o Students will learn to critically analyze works of art and architecture from the Pre-Renaissance to the Contemporary period. They will learn how to analyze form (composition, technique, color, light/shadow) to determine how these elements work together to create meaning in art and architecture. Critical thinking skills will be assessed through two short papers, one longer paper, and embedded exam questions.

• WORK IN TEAMS: Teamwork skills include (but are not limited to) the ability to consider different points of view and to work effectively with others to achieve a common goal.
  o Students will be organized into groups to compare and contrast works of art and demonstrate their understanding of the formal elements and historical context. Teamwork skills will be assessed through group projects and peer assessment.

• COMMUNICATE ABOUT ART USING ART HISTORICAL METHODOLOGIES: Communication skills include (but are not limited to) the effective development, interpretation and expression of ideas through written, oral, and visual communication.
Students will analyze works of art, current scholarship, and contemporary methodologies through assigned readings and class discussion. Students will be assessed through embedded exam questions.

**COURSE PREREQUISITES:**

There are no prerequisites for this course.

**COURSE REQUIREMENTS:**

**ATTENDANCE AND PARTICIPATION:**

Attendance and active participation in class discussions are required. Class meets twice per week. Class attendance is mandatory. Excessive tardiness will count as absenteeism. **Each absence will count off 10 points out of 100 point total for attendance grade. Students who are late or who leave early will be given half credit for attendance.** Students who are caught using their phones or other electronic devices, reading other materials, sleeping, etc. during class will be marked absent for that day. These policies will be strictly enforced.
In the event of an absence, the student is responsible for obtaining class lecture notes from a classmate. If a student knows he/she is going to be late or absent, the student should inform the professor in person or via email prior to class. Students are expected to attend class, to complete the readings and assignments, and to participate in class discussions. During class, the professor may ask questions on the assigned readings. If the professor feels that students are not keeping up with the reading assignments or with the discussion, pop quizzes may be given.

**READING ASSIGNMENTS:**

All reading assignments should be completed before the lectures for which they are assigned. A course calendar with assigned readings will be posted on Canvas. Be prepared to discuss and answer questions about the readings in class.

**GROUP ASSIGNMENT:**

There will be one group project. Students will be placed into assigned groups and will meet outside of class to complete the assignment. In order to receive credit, students must complete a self-assessment. A guidelines sheet detailing the specifics of the project will be posted to Canvas.

Students will be asked to recreate a work of art as a living tableau. Students may use props and/or costumes. Students will photograph this living tableau, print out the photograph, and turn in the photograph to the professor. Students will also write a minimum 250 word explanation of their recreation of the work. All work must be performed as a group outside of class time. Students must complete a self-assessment in order to receive credit.

The Group Assignment will be due on **Monday, 11 February**.

* LATE GROUP ASSIGNMENTS WILL NOT BE ACCEPTED.*

**EXAMINATIONS:**

Students are required to memorize the following ID information for artworks: (1) artist/architect, (2), title (3) date, (4) medium (materials), (5) period, and (6) location (if architecture).

Exams will not be cumulative. Each examination will cover only the material since the previous exam. **There will be no make-up exams** unless you are hospitalized or there is a death in the family (requires documentation.) A review will be posted on Canvas at least one week before each exam. See course calendar for dates of the exams. NOTE: You will be permitted to look over your corrected exams; however, you will not be permitted to keep them.

The tentative exam dates are Wednesday, 20 February (Exam #1) and Wednesday, 3 April (Exam #2). The date of the final exam (Exam #3) will be determined and announced.

Font must be Times New Roman in size 12. Margins must be 1-inch on all four sides. Students must be aware of these issues and take them into account when writing and printing out papers.

Expectations for the assignments:

Student papers will be graded both for content and for grammar. Students should proofread their papers to ensure grammatical correctness and coherence of thought. Papers must contain a thesis statement and supporting arguments. Students’ papers should contain original ideas, opinions, and arguments. The guidelines for the assignments must be followed exactly. These guidelines are detailed on assignment sheets that will be posted on Canvas.

The guidelines for the Group Assignment must be followed exactly. Students will be divided into groups by the professor. Students must complete the assignment as a group. More specific information about Group Assignment will be provided closer to the due date.

Footnotes and a works cited page/bibliography are mandatory for the Appropriation Paper and any other paper in which outside sources are used. Students should use the Chicago Manual of Style format for their papers. Failure to properly cite authors is considered plagiarism. Students must not reference another author’s work without citing that author. If you paraphrase an author, students must cite this author or it is plagiarism.
For citations, students **MUST** use Chicago Manual of Style. All papers, including Critical Response Papers, must have footnotes and a works cited page. Student papers will be marked down for incorrect citations. Students may consult the following websites for assistance with proper citations.

Papers also be submitted to SafeAssign on Canvas. Plagiarism will not be tolerated and will automatically result in a zero (0) on the assignment.

Grades will be posted on Canvas and written on returned papers. Students are responsible for checking online to ensure that their grades have posted and are correct. If a grade is missing that means the professor did not receive your work. Contact Dr. Magnusen immediately if you think there is an error.

**All dates for assigned readings, assignments, and exams will be on a course calendar handed out the first day of class**

**SUBMISSION OF ASSIGNMENTS:**

Students are expected to keep an extra hard copy of all assignments turned in to the professor. The professor will only accept HARD COPIES of written assignments. Students may be requested to upload electronic copies on Canvas in the safe-assign drop box, which checks for plagiarism, but students must still submit hard copies to the professor. **Late assignments will NOT be accepted.** Hard copies of papers must be turned in at the beginning of class on the date on which they are due. Please do not e-mail any assignments to the professor. No papers will be accepted via email.

**A course calendar with exam and assignment due dates will be handed out in class.**

GRADE REPLACEMENT / FORGIVENESS AND CENSUS DATE POLICIES:

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. Grade Replacement Contracts are available in the Enrollment Services Center or at http://www.uttyler.edu/registrar. Each semester’s Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date is the deadline for many forms and enrollment actions that students need to be aware of. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a “W” grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waivers through Financial Aid

STATE-MANDATED COURSE DROP POLICY:

Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date). Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.
