COURSE DESCRIPTION & OBJECTIVES:
Prerequisite: ART 1316 (Drawing I) or consent of instructor
This course will focus primarily on drawing from the nude human form. Some clothed human figures, objects or animals may be incorporated as subject matter towards the end of the semester. No prior figure drawing experience is necessary, however it is essential that students complete the pre-requisite Drawing I course which emphasizes observation and introductory drawing techniques. We will expand on beginning drawing skills such as composition, contour line, gesture, scale and proportion, measuring angles and full value development while using the more complex human form as our subject matter.

For final grade assessment, students must turn in a hard copy binder of 1) completed images of artworks created during the semester which are on good quality paper only (no newsprint drawings need to be included) and 2) image inventory list.

NOTES:
Any and all required supplies and materials are listed separately. There are no text books required for this course. Studio courses do not have final exams.

ATTENDANCE AND MISSED WORK POLICY:
Attendance is mandatory. After 2 absences (2 sick days) you may be dropped a full letter grade from your semester GPA, at 4 absences students may fail the course! Continual tardiness will also have an effect on the overall grade. If you are more than 30 minutes late to class (or if you leave 30 minutes early), you will be marked absent. If you are unprepared for class you will be marked absent. Being late is walking into class 5 minutes after start time. Being tardy or leaving early up to three times is equal to one absence. If you are absent on critique day, you may fail that assignment, if you are absent on midterm critique you may be dropped a letter grade from your GPA or if you are absent final critique day, you may fail the class.

CLASSROOM ETIQUETTE: Class time begins promptly at 8:00am with the first pose beginning at 8:05am. Students MUST show up between 7:45am-7:55am to set up easels and/or prepare paper. Once the pose begins, students are not allowed to enter or exit the classroom until a break is called. DO NOT WALK INTO THE CLASSROOM AFTER THE DOOR HAS BEEN SHUT! If you are running late, please text the faculty in charge and wait outside of the classroom until the next break. Because of the nature of the class utilizing a nude model, the environment must be absolutely professional. Students must NOT directly address the model at any time during the pose or on breaks. Conversation regarding model poses and requests will be between the professor and student or professor and model only. NO CELL PHONE USAGE DURING CLASS! Things that will not be tolerated during class time: texting, emailing, chit chatting, constant breaks, studying for other classes (headphones are ok as long as you are still able to hear the professor’s instructions). Students who exhibit disruptive behavior will be asked to leave the class and/or will be expelled from the course altogether. Some (but not all) examples of disruptive behavior include habitually lateness or leaving early, an extensively sloppy studio space, interrupting or talking during class instruction or discussion when not in turn and failure to maintain proper classroom safety and etiquette.

STUDIO DRESS AND SAFETY WEAR CODE:
1) Appropriate work clothing is required for the entire Department of Art and Art History, however individual classes may have different requirements depending on the materials and equipment being used.
2) All 2D classes require the following dress code:
   - No open toed shoes are allowed in the studio
   - Students are expected to wear long pants
   - Students should wear long sleeved shirts (preferred) however short sleeved shirts will be permitted as long as shoulders are covered.

   It is best to cover yourself!

MATERIALS AND CHEMICALS:
Any spray fixative or other chemicals must be utilized outside during breaks. It is not required for you to “fix” your drawings, however if you plan to do so-please use the outdoor area and allow your drawing 45 minutes of dry time before bringing it back into a classroom.
GRADING PROCESS:
The student is graded on his or her dedication and output in completing the course objectives. Attendance, studio work ethic, completion of required drawings, quality of drawings, and maturation of skill and observation during the course of the semester, are all part of the overall grade. Students are encouraged to ask questions and are expected to commit outside time.

Please note: By simply completing the above listed requirements, you may earn the average letter grade of C. You must go above and beyond the basic requirements of the course in order to earn yourself a grade that is above and beyond average.

Numeric to Letter Grade Translation:

- 100 - 90% = A
- 89 - 80% = B
- 79 - 70% = C
- 69 - 60% = D
- 59 - 0% = F

20% work ethic/improvement
80% body of work

*It is expected that you attend all gallery openings and any art lectures (unless excused)

*Students will have 24 hour access every day of the week once any online safety trainings are completed/approved and Art Student Safety Agreements have been signed and completed/approved. Students working after hours must always have their UT Tyler student ID on them at all times. Please note that any abuse of access privileges will result in the loss of after-hour studio access. Please report any suspicious behavior immediately to campus police!

Students Rights and Responsibilities
To know and understand the policies that affect your rights and responsibilities as a student at UT Tyler, please follow this link: http://www2.uttyler.edu/wellness/rightsresponsibilities.php

Grade Replacement/Forgiveness and Census Date Policies
Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. Grade Replacement Contracts are available in the Enrollment Services Center or at http://www.uttyler.edu/registrar. Each semester’s Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date is the deadline for many forms and enrollment actions that students need to be aware of. These include:
• Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
• Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
• Schedule adjustments (section changes, adding a new class, dropping without a “W” grade)
• Being reinstated or re-enrolled in classes after being dropped for non-payment
• Completing the process for tuition exemptions or waivers through Financial Aid

State-Mandated Course Drop Policy
Texas law prohibits a student who began college for the first time in fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date). Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.

Art Safety Agreement
(revised 7.10.17)

I, ____________________________________________________________,
am an adult student of The University of Texas at Tyler (the “University”) over the age of
eighteen, and wish to use the art studios of the Department of Art and Art History during
the________201___ semester. I acknowledge that I have: 1) attended a basic
safety-training course offered by the University conducted in the art studios
on_____________ (enter date and time attended), 2) have completed the Environmental
Health and Safety Lab and Mechanical Safety training course(s) on Canvas, 3) have
passed the Lab and Mechanical Safety training quizzes on Canvas, and 4) will attend
the Best Practices meeting that is required at the beginning of each semester by the
Department of Art and Art History. I further acknowledge that I understand the material
presented in the basic safety-training course, the course syllabus, and the
Environmental Health and Safety lab safety training and will comply with all safety and
usage guidelines as prescribed by the Department, University, and University of Texas
System policies.

I understand that using equipment in the art studios poses potential risk of serious injury,
and I agree to use all equipment in a safe manner in accordance with applicable safety
and operating instructions. I agree that I will not use any equipment unless I have been
fully trained in the proper use of the equipment and thoroughly understand how to
operate it safely. I will not use equipment that is not functioning properly, or that has
been designated as unserviceable by the University. I will not use any equipment
outside of class unless given permission in writing by the instructor in the respective art
studio class. I will wear appropriate safety protection (PPE) as described
and
demonstrated in the basic safety-training course when using any equipment that may
cause injury. I also agree to abide by all posted studio safety and access rules.

In addition to my compliance with the equipment usage, I understand that there are risks
involved with the materials and chemicals that I may be using or be in contact with
throughout the course of the semester. I agree that I will not bring any materials not
included on the course material list into the art studios without prior approval by the
faculty member overseeing the studio area in which I am working. I also understand that
I must notify the studio technician of any approved chemicals and materials at the time
that I bring them into the studio complex. I understand that all chemicals must have an
appropriate label on the container at all times, and that I will replace a damaged label
(on the original container) or adhere a new label to an alternative container that satisfies
the label requirements listed in my course syllabus. Just as I will take the proper safety
precautions when using equipment, I will use the appropriate safety protection (PPE)
while working with any materials and/or chemicals in the studio that are considered
hazardous.

In consideration of my use of equipment and chemicals in the art studio, I hereby accept
all risks to my health that may result from such usage. I hereby release The University
of Texas at Tyler, its governing board, officers, employees and representatives and The
University of Texas System, its governing board, officers, employees and
representatives from any liability to me, and any and all other persons regardless of
capacity who may have a cause of action through me for any and all claims and causes
of action for loss of or damage to my property and for any and all illness or injury to my
person, including death, that may result from or occur during participation. I further agree to indemnify and hold harmless The University of Texas at Tyler and its governing board, officers, employees, and representatives and The University of Texas System, its governing board, officers, employees and representatives from liability for the injury or death of any person(s) and damage to property that may result from my negligent or intentional act or omission while participating in the activity.

I understand that my use of equipment and materials in the art studios is strictly voluntary and based upon the mutual agreement of the parties and that my access to the art studios is conditional on my abiding by the usage terms and conditions contained in this Agreement and/or availability of the equipment and authorization by the University. The terms and conditions of this Agreement may be amended by the University if deemed in the best interests of the University.

I understand that I will not be permitted to use the art studios or equipment if I do not agree to the usage terms and conditions contained in this Agreement and have this properly completed and signed form on file in the Department of Art and Art History office. I understand that it is my responsibility to turn this form into the Art Studio Technician who will make sure that it is kept on file. I understand that I will not be granted after-hours access until I have completed the Environmental Health and Safety lab safety training and passed the lab safety quiz. Failure to adhere to the terms of this Agreement will result in the loss studio facility access.

I acknowledge that I have read and understand this Agreement, and my signature is evidence of my acceptance of the terms and conditions contained herein.
