Research Paper and Presentation:

A list of artists will be provided. Each student will choose one artist to write on and present over. Guidelines for the paper and the presentation will be provided as well as a presentation schedule. Guidelines must be strictly adhered to or the resulting grade will be a zero.

Artist Statements:

An artist statement is a crucial component for every artist. It is the way in which we further communicate about and understand our work. Each student will begin working on formulating the written language around their work and process by writing multiple drafts of their artist statements during the course of the semester. Each draft should express progressive and evolving thoughts on the work and process. Examples of artist statements will be provided. Artist statements are due with each critique. Please follow the artist statement guideline included in the “Critique” Module of this course. The final iteration of the statement for this class will be due at the final critique.

Critiques and Final Critique:

We will have individual and group critiques throughout the semester.

Critiques are a time when work is presented by all students for the purpose of receiving formal criticism, as well as a time to develop a vocabulary to effectively communicate your ideas to others. Each required clay assignment not presented at a critique will be deducted a full letter grade. Students are expected to actively participate in the critique process and are graded not only on work presented but also on participation.
Each student will have an opportunity to present their work both visually and verbally. Presentation and preparedness matters. Further dates guidelines for critiques will be provided during the first week of class.

**Individual/Community studio space maintenance and cleanliness:**

This is a shared, community space. Each student is expected to maintain tidiness of this space. Clean up after yourself, do not expect others to do it for you. To ensure that everyone knows how to properly clean the studio and where the cleaning supplies are located, we will be cleaning the studio during the first, and possibly second, day of class.

Do not sweep or dust without an appropriate dust mask on! You will not be allowed in the studio during cleanup day if you do not have the appropriate PPE. If there is nothing suitable for you to clean in another area of the ceramics studio (kiln pad or glaze room), your final grade will reflect that you did not participate in the cleaning.

**Attendance:**

**Attendance Policy:**

Attendance will be taken at the beginning of every class. You are allowed 3 absences on days without demonstrations or critique. If you miss a critique you will earn a zero for that critique. Demonstrations will not be repeated.

After the 3rd Absence, your grade will by reduced as follows:

1. 4 absences: final grade lowered 1 letter
2. 5 absences: final grade lowered 2 letters
3. 6 absences: final grade lowered 3 letters
4. 7 absences: You will receive an F in this course.

If you need to leave early, for an excusable reason, please let me know before class begins. If you arrive more than 5 minutes late or leave early without approval, you will be counted tardy. Three late arrivals and/or leaving early will count as one full absence. After that, each late arrival/leaving early will count as full absence days.

If you foresee that you will need to miss a demonstration or critique day due to an approved excuse of absence (religious holiday, mandatory university event)
you must notify me via EMAIL by the SECOND class date. If you must miss a demonstration or critique due to an emergency (medical/tragedy) you must email me promptly and provide suitable documentation of said emergency. I may provide accommodations for such instances on a case by case determination.

Final Grades:

- 75% Critiques: Body of Work and Artist Statements
- 25% All other assigned work:
  - Research Paper and Presentation
  - Pop Quizzed, Tests
  - Presentations
  - Discussions
  - Individual/Community studio space maintenance and cleanliness

*Poor attendance/participation and non-adherence to deadlines will result in a lowered grade.

*Missed cleanup days will result in a full letter grade deduction. If you have an excused absence, you may be granted a makeup cleanup duty. This is per the instructor's judgment.

Extra Credit:

- UT Tyler Art and Art History Gallery Receptions.
- Dates/Times/Locations posted on Canvas in Modules and Course Calendar.
- Must see me at the beginning of the event so that I can mark your attendance.
- Submit 3 questions or comments on correlating Canvas discussion board.
  - If you submit questions/comments without attending the reception, you will not receive any extra credit points.
- Earn up to 4pts on your final grade.

Grading Scale: Remember, these grades are not given, they are earned.
A= 90-100    B= 80-89    C= 70-79    D= 60-69    F= 50-59
Firing:

You will be responsible for either leading or assisting in all firings, including loading and unloading.

**Only work that is completed will be fired. Cracked poorly constructed, and poorly glazed work will not be fired. I will be strictly adhering to this policy.** All work must be **clearly signed** to be fired. It is your responsibility to do the best work possible and to participate in kiln loading/unloading. Finished and critiqued work must be taken out of the studio. Any unfired bisque ware left in the studio will be discarded at the end of the semester unless otherwise approved by class instructor.

Students must RAKU fire their own work, and only under the supervision of the Instructor or an approved supervisor. Procedures will be demonstrated in class.

**Storage/Lockers:** Each student will choose a locker with a partner. Due to space limitations clay and tools may not be stored in the classroom unless being used at the time. Any clay or tools found will be removed. You should store your materials in your locker or elsewhere, bringing to class only what you need to work with.

In any academic situation, sticking with “Professor” is the safest path, until you have been invited to address your professors otherwise, even then, be aware of the propriety of doing so depending upon the situation (private conversation vs. professional event).

Likewise, engagements with university/departmental staff members should be equally respectful. Please understand that the staff members are critical partners in the department. Please refer to them as Mr./Mrs./Ms.

**Required Field Trips**

Required field trips, rehearsals, etc., scheduled outside of regularly-scheduled class time, along with any accompanying fees and tickets; and/or course procedures unique to the course that might cause students to reconsider their enrollment in the course should be discussed with the course instructor immediately.

**Student Absence for University Sponsored Events and Activities**

**Facility Access & Studio Lab Safety and Mechanical Safety Training**

Studio facility access is for enrolled students only. Students are required to use appropriate safety equipment (PPE) and practice safe operation procedures when using any hazardous equipment or materials. All students must successfully complete the lab safety training and mechanical safety training and quizzes on Canvas and complete an Art Safety Agreement before afterhours access to the complex is granted.
Failure to adhere to the terms of the Art Safety Agreement will result in the loss studio facility access.

**Personal Protective Equipment (PPE)**

For your safety, you must follow all safety requirements established by the department and university. It is required that you provide your own Personal Protective Equipment for use in studio areas. This equipment includes: dust mask with at least a N95 rating and attached filter, safety glasses, ear protection, gloves, close-toed shoes, and appropriate clothing. Each semester’s Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date (Sept. 12th) is the deadline for many forms and enrollment actions of which students need to be aware. These include:
