I. Student Learning Outcomes
   a. Critical Thinking: Students will demonstrate critical thinking about works of art.
   b. Synthesize Knowledge: Students keep a journal documenting their work experience in which they integrate art history, formal analysis, and contemporary scholarship in order to develop original scholarship of their own.
   c. Critical Writing: students will demonstrate a thoughtful and critical approach to a work of art through written analysis of their semester long work experience. This may include their participation in an exhibition or collection accession. They must submit a 5 – 8 page Semester Analysis Paper in which they critically assess their internship experience.

   e. Analyze Scholarship: students will review literature and analyze scholarly methodologies that take place as part of their duties as an intern, which they then use when writing their Semester Analysis Paper.
   f. Oral Proficiency: students will present original scholarship as part of their internship activities and/or in a presentation when completing their internship.

II. Description

The Internship is where a graduate student participates in practical and general training experiences in the workplace, under the direction of an external field supervisor in conjunction with the university instructor. It is intended to give the student an opportunity to apply theory, expand knowledge, and gain experience in the museum, gallery or research fields. The internship may be taken for either three or six hours of credit. (These hours will be counted as elective credit.) The student will ordinarily be expected to spend between 10-15 hours per week on location for each three hours of credit. Student must hold a 3.0 GPA in order to apply for the internship. The course may be repeated once.

   pages) to the academic supervisor at the completion of the internship program.
   Although the specific content of the paper will be determined by the student and the

   learning experience and analysis of applied methodologies used during the
   practicum. It may involve assessment of an exhibition, accession work or
   educational tours given during the student’s participation in the internship.
3. Give a presentation on the activities completed in the field including a critical
   assessment of methodologies used and learned, complete with research on applicable

Grade Replacement/Forgiveness and Census Date Policies

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. (For Fall, the Census Date is Sept. 12.) Grade Replacement Contracts are available in the Enrollment Services Center or at http://www.uttyler.edu/registrar. Each semester’s Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade
replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

**The Census Date** (see exact date on semester calendar) is the deadline for many forms and enrollment actions of which students need to be aware. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a “W” grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waivers through Financial Aid

**State-Mandated Course Drop Policy**

Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date).

Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.
