MA Thesis & Exhibition Hours
Upon Completion of all required courses, university, college, departmental requirements, the candidate will enroll in six (6) hours of thesis work, three of which culminate in the thesis exhibition for the MA degree with an Emphasis in Studio Art. Approval from the candidate’s committee must be given prior to the semester in which the student enrolls in the Thesis and Graduate Exhibition hours.

**MFA Thesis & Exhibition Hours**

Approval from the candidate's committee must be given prior to the semester in which the student enrolls in the Thesis and Graduate Exhibition hours.

**MA & MFA Thesis Exhibition Proposal**
Prior to enrolling in thesis hours, and with the advice and approval of the Committee Chair, the candidate must define the broad parameters of the exhibition. An exhibition proposal is then prepared and submitted to the graduate Committee Members for their approval and signatures.

The candidate should be aware that the work itself must be judged by the faculty to be original, conceptually mature, technically proficient, and formally sound. The exhibition proposal should include the following materials:

1. **Cover Sheet:** The exhibition proposal should include a cover sheet that includes the proposed Title of the exhibition, name, date, etc.

The location of the exhibition and exhibition dates will be determined by the thesis committee, in consultation with the Department Chair and Gallery Coordinator, within the first few weeks of the thesis semester.

**Oral Defense**
Candidates are required to complete an oral defense of the thesis exhibition by giving a scholarly presentation of the thesis work and fielding questions from the Graduate Committee. The exhibition will not be approved to open until the oral defense has taken place. The oral defense should be schedule by the student.

The thesis document must demonstrate a thorough awareness of the sources, inspiration, and traditions relevant to the work, as well as the particular methods employed in the use of materials and conceptual principles that determined the form of the completed work. The quality of the oral defense and written thesis will also be considered in whether the candidate will be granted the MA or MFA degree.

While there are no set parameters pertaining to the organization, content, and length of the thesis document for the MA or MFA thesis, the document should be developed in consultation with the thesis committee,
under the direction of the thesis chair. The thesis document should follow the Thesis and Dissertation Formatting Guidelines (and Sample Pages) provided by the Graduate School.
