GRADE REPLACEMENT/FORGIVENESS POLICY

If you are repeating this course for a grade replacement/forgiveness, you must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) by the 11th day of class. Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

STUDENT-MANDATED COURSE DROP POLICY

Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date).

INCOMPLETE POLICY

If a student, because of extenuating circumstances, is unable to complete all of the requirements of this course by the end of the semester, then I may issue an incomplete (I) for the course. An incomplete is NOT a substitute for a failing grade. I will only issue an incomplete, if at the time of the extenuating circumstance, the student is passing the class. The student must complete the required work within the guidelines established by the university.

STUDENT RIGHTS AND RESPONSIBILITIES

To know and understand the policies that affect your rights and responsibilities as a student at UT Tyler, please follow this link: [http://www.uttyler.edu/wellness/rightsresponsibilities.php](http://www.uttyler.edu/wellness/rightsresponsibilities.php).
CLASS LECTURE & READING ASSIGNMENTS

Chapters should be read prior to coming to class. All course lectures, in class activities, and discussions assume that you have completed the required reading prior to coming to class. Textbooks and calculators should be brought to all classes.

Wahlen, Jones & Pagach: Intermediate Accounting: Reporting and Analysis, 2nd edition, the required text for this class, is an essential part of your classroom experience and a key component to you being prepared and succeeding in this course.

EXAMINATIONS (90% OF FINAL GRADE)

Three mid-term exams and a comprehensive final exam will be given during the semester. The content and format of the exams will vary, but may include any of the following: multiple choice questions, problems, fill in the blank, completion, matching, or essays. During exams, only simple four-function calculators are allowed. Sharing calculators is not permitted. No programmable calculators or cell phones are allowed during an examination.

Make-up exams will ONLY be given under extenuating conditions. The following are considered extenuating conditions: hospitalization, medical emergency, physical injury, or death of an immediate family member. You MUST bring proof of your medical issue (or death), in order to facilitate an exam make-up. For extenuating conditions, make-up exams must be taken within three days of your medical release or a modified final exam (will include material from the missed exam in addition to the regular final material) may be weighted to count for the missed exam contingent upon my prior approval. All athletes must present (at the beginning of the semester) a schedule of approved absences in order to make up work.

Exams will not be returned to you in class as class time is short. You should review your exam in my office. If you believe there is an error in grading of a midterm exam, bring it to my attention within two weeks of the date that the exam is graded by stating your reason in writing.

QUIZZES, HOMEWORK, AND PARTICIPATION (10% OF FINAL GRADE)

Students should understand that accounting is an applied discipline and working problems is essential to the learning of accounting. Therefore, quizzes, homework, and participation constitute 10% of your final grade. Attendance will be taken for each class and will be considered when evaluating participation. Class participation is highly encouraged and I will call on students during class.

Homework assignments must be handwritten (no word or excel homework assignments will be accepted) and will be randomly collected and graded for accuracy and completeness. Quizzes or in-class assignments may be given if I feel students are falling behind. These quizzes and assignments may not be made up and no late assignments will be accepted. One assignment/quiz will be dropped.

Homework should be completed (attempted) prior to coming to class on the suggested completion date. Experience has shown that a clear understanding of accounting concepts and principles requires working through problems. While it can be difficult and even frustrating, the end result of understanding will serve you well in the future. Consultation with others on the suggested problems (only) is highly encouraged but you should not copy another student’s work.

BLACKBOARD

All course material is available on Blackboard. Announcements, grades, lecture slides, case projects, assignments, and activities are posted on blackboard. You should check blackboard regularly for updates. You are responsible for meeting deadlines and retrieving any information from blackboard. Grades posted on blackboard throughout the semester are not weighted but are posted for your review. Final weighted grades will be posted on blackboard at the end of the semester using the weighting stated previously under Evaluation.
EMAIL PROTOCOL
The best way to contact me is by email. Please use the following protocol: (1) use your UT Tyler account; (2) put your course number (ACC 3312) in the subject line; (3) sign the email with your full name. The course U.T. Tyler Blackboard site is the primary means of communication with students outside of class and should be checked on a regular basis.

COMPANION WEBSITE AND REVIEWS
To enhance your learning, students are highly encouraged to use the textbook companion website, which contains key term and other quizzes, via blackboard (under external links) and to attend any additional review sessions that may be offered throughout the semester.

TIME REQUIREMENT FOR THIS COURSE
The time requirement to earn an above average grade in this course is significant, although it may vary for each student. Students should be prepared to spend 9-15 hours per week which includes 2.5 hours of class time.

HOW TO SUCCEED IN THIS COURSE
Every student has different goals, learning styles, and study habits; therefore it is up to you to determine what works best for you. However, I can offer a couple of suggestions for this particular course that may make achieving your goals easier. First, realize that accounting by its nature often builds on itself. As such, it is crucial that you stay on top of the material as we progress. If you dig yourself into a hole in the beginning, you may find it difficult to climb out. Second, to the extent possible, read through the material and homework assignments before the topics are discussed in class. This will not only force you to keep up with the material; but also it will enhance your in-class learning and in general make your time in class more enjoyable. It is my philosophy that both hard work and mastery of the course material should be rewarded. To earn a top grade in this class you will need both. Overall students should understand the demanding nature of accounting and should be willing to invest the necessary time and effort to succeed in the course.

CLASSROOM POLICIES:
1. Class starts promptly at the assigned time. If you have a problem that prohibits you from arriving to class on time, please inform me as soon as possible. If this is a continuing issue, please select a seat near the entrance to minimize the disruptions to the classroom.
2. Inform me in advance if you must leave the class before the scheduled ending time.
3. Electronic devices (cell phones, pagers, iPods, etc.) must be deactivated during class. Texting and surfing the internet in class is not allowed.
4. Textbooks, materials and calculators should be brought to all classes.
5. Courtesy to the instructor and fellow students is expected. Open discussion is encouraged in the classroom, but derogatory remarks and profanity will not be allowed in the classroom.
6. Dishonesty will not be tolerated in this class. Violations of accepted standards of conduct will result in the imposition of the penalties allowed by the University.
7. In an accounting class, missing just one class can cause you to fall behind! If you are absent, it is your responsibility to obtain materials and class notes. Lengthy instructions will not be repeated on a one-to-one basis.
8. Class assignments are due at the beginning of class if you wish to make notes or corrections on your work, please bring two copies one to submit and another for your use.

LATE WORK IS NOT ACCEPTED.
COLLEGE OF BUSINESS STATEMENT OF ETHICS

The ethical problems facing local, national and global business communities are an ever-increasing challenge. It is essential the College of Business and Technology help students prepare for lives of personal integrity, responsible citizenship, and public service. In order to accomplish these goals, both students and faculty of the College of Business and Technology at The University of Texas at Tyler will:

~ Ensure honesty in all behavior, never cheating or knowingly giving false information.
~ Create an atmosphere of mutual respect for all students and faculty regardless of race, creed, gender, age or religion.
~ Develop an environment conducive to learning.
~ Encourage and support student organizations and activities.
~ Protect property and personal information from theft, damage and misuse.
~ Conduct yourself in a professional manner both on and off campus.

ACADEMIC DISHONESTY STATEMENT

The faculty expects from its students a high level of responsibility and academic honesty. Because the value of an academic degree depends upon the absolute integrity of the work done by the student for that degree, it is imperative that a student demonstrates a high standard of individual honor in his or her scholastic work.

Scholastic dishonesty includes, but is not limited to, statements acts or omissions related to applications for enrollment of the award of a degree, and/or the submission, as one’s own work of material that is not one’s own. As a general rule, scholastic dishonesty involves one of the following acts: cheating, plagiarism, collusion and/or falsifying academic records. Students suspected of academic dishonesty are subject to disciplinary proceedings.

University regulations require the instructor to report all suspected cases of academic dishonesty to the Dean of Students for disciplinary action. In the event disciplinary measures are imposed on the student, it becomes part of the student’s official school records. Also please note that the handbook obligates you to report all observed cases of academic dishonesty to the instructor.

“All that is required for dishonesty to flourish is that good men and women do nothing.”

DISABILITY STATEMENT

If you have a disability, including non-visible disabilities such as chronic diseases, learning disabilities, head injury, PTSD or ADHD, or you have a history of modifications or accommodations in a previous educational environment you are encouraged to contact the Student Accessibility and Resources office and schedule an interview with the Accessibility Case Manager/ADA Coordinator. If you are unsure if the above criteria apply to you, or have questions or concerns please contact the SAR office. For more information or to set up an appointment please visit the SAR office located in the University Center, Room 3150 or call 903.566.7079. You may also send an email to saroffice@uttyler.edu.

EXIT STRATEGY

Everyone is required to exit the building when a fire alarm goes off. Follow your instructor’s directions regarding the appropriate exit. If you require assistance during an evacuation, inform your instructor in the first week of class. Do not re-enter the building unless given permission by University Police, Fire department, or Fire Prevention Services.

UNIVERSITY POLICIES

Please see the informational sheet posted at http://www.uttyler.edu/academicaffairs/files/syllabuspolicy.pdf and on blackboard for further explanation of the policies contained in this syllabus and additional student policies.
