GRADE REPLACEMENT/FORGIVENESS POLICY

If you are repeating this course for a grade replacement/forgiveness, you must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Day of this semester. Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

STUDENT-MANDATED COURSE DROP POLICY

Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date).

INCOMPLETE POLICY

If a student, because of extenuating circumstances, is unable to complete all of the requirements of this course by the end of the semester, then I may issue an incomplete (I) for the course. An incomplete is NOT a substitute for a failing grade. I will only issue an incomplete, if at the time of the extenuating circumstance, the student is passing the class. The student must complete the required work within the guidelines established by the university.

CLASS LECTURE & READING ASSIGNMENTS

Chapters should be read prior to coming to class. All course lectures, in class activities, and discussions assume that you have completed the required reading prior to coming to class. Textbooks and calculators should be brought to all classes. Chapter Quizzes may be given at the beginning of each chapter.

CLASS CASES, HOMEWORK AND PARTICIPATION (20% OF FINAL GRADE)

There will be cases studies assigned throughout the semester. The cases may require analysis of accounting data and written conclusions/recommendations in a professional business format. Solutions will be graded for completeness, accuracy, and professionalism. Please type or word-process your written work. No handwritten cases are
accepted. Electronic documents are accepted in Microsoft Word or Excel only. **No late cases are accepted.** Homework from each chapter (quizzes and/or reading notes may be substituted) will be assigned. Class participation and attendance will be assessed every class period. Every class missed will reduce your final grade.

**EXAMINATIONS (80% OF FINAL GRADE)**

Four exams will be given throughout the semester. The content and format of the exams will vary, but may include any of the following: multiple choice questions, problems, fill in the blank, completion, matching, or essays. During exams, only simple four-function calculators are allowed. Sharing calculators is not permitted. No programmable calculators or cell phones are allowed during an examination. All other electronic/photographic devices (e.g., watches, cameras, etc.) must be removed during exams.

Make-up exams will **ONLY** be given under extenuating conditions. The following are considered extenuating conditions: hospitalization, medical emergency, physical injury, or death of an immediate family member. You **MUST** bring proof of your medical issue (or death), in order to facilitate an exam make-up. For extenuating conditions, make-up exams must be taken within three days of your medical release. A modified final exam (which may include material from the missed exam in addition to the regular final material) **may** be weighted to count for the missed exam contingent upon my prior approval. All athletes must present (at the beginning of the semester) a schedule of approved absences in order to make up work.

Exams will not be returned to you in class as class time is short. You should review your exam in my office. If you believe there is an error in grading of a midterm exam, bring it to my attention within two weeks of the date that the exam is graded by stating your reason in writing.

**Canvas**

All course material is available on Canvas. Announcements, grades, lecture slides, case projects, assignments, and activities are posted on Canvas. You should check Canvas regularly for updates. You are responsible for meeting deadlines and retrieving any information from Canvas.
