**IMPORTANT:** **Policy on proctored exams for online classes**

Exams: The Soules College of Business is pleased to offer courses online in an asynchronous environment in order enhance their accessibility. In order to preserve academic integrity in these online courses, we observe the following testing policy.

1) Classes offered online may have up to two tests/examinations offered in a proctored setting.
2) These proctored exams should have meaningful impact on a student’s grade in class.
3) Exams administered online should be proctored live using a proctoring service approved by the University.
4) Students must register for the proctoring service using information provided by the instructor (on Canvas).
5) Exam proctoring will be at no cost to the student provided that the exam is scheduled in a timely manner per the course instructions. Students may be billed for cancelling or rescheduling an exam per the provider’s fee schedule.

2. **Contract Negotiation Project:** The class will be divided into several groups. Each group will represent either the buyer or seller in a contract negotiation. A sample contract, fact sheet, and contract worksheet will be provided on Canvas. The teams will either draft an initial contract or a response to the initial contract. Both sides must come to an agreement and submit the final agreed upon contract as a final project near the end of the semester. All materials needed will be uploaded to Canvas, and discussion groups will be set up on Canvas for the purpose of the negotiation exercise. Your final grade will be based on the terms proposed, nature of the negotiations on the discussion board, and the final contract.

3. **Quizzes:** We will have 15 short quizzes over the course of the semester. The quizzes will be found in MindTap within the chapters. Due dates will be posted there as well. There will be no make-ups for missed quizzes.

4. **Case Discussion Board:** The class will be divided into groups (same as #2 above) and assigned a case or topic from one of the chapters in the text. A question or issue regarding the case will be posted. Students in the assigned groups will monitor and guide the discussion board postings. Posting is mandatory for your assigned topic but optional for other topics. Points will be assigned for your thoughtful, meaningful, and relevant postings to the discussion board. To gain full credit, you must make at least three original posts (10 pts ea) and four substantive responsive posts (5 pts ea). Postings on the discussion board which are irrelevant, disrespectful, or which violate any provision of the terms of use of UT Tyler will result in point deductions.
