Three exams will be given throughout the semester and each exam is non-cumulative. The format will be the combination of multiple choices and short essay questions. You are allowed to bring your own formula sheet, which must be no larger than an 8 1/4 by 11 sheet of paper. You are not allowed to write down anything other than formulas on your formula sheet. You are required to bring #2 pencils and a half-sheet scantron form (Form 882-E) for each exam. You may use your calculator to solve the problems. **Smart phones will not be allowed to be used for calculations on tests.**

**Homework:**

Homework assignments are assigned through McGraw Hill Connect. You will have one assignment for each chapter. One to One and a half week time will be given for you to complete each assignment. Each homework is due at the end of the day. **Late submissions are allowed with penalty of 10% off your homework grade. All homework must be turned in before December 10th to be counted toward your grade.** No make-up homework is allowed.
Quiz:
Four quizzes will be assigned through McGraw Hill Connect. No late submission is allowed. No make-up quiz is allowed.

Projects:
Two projects on Excel applications will be given throughout the semester. Both must be turned in before final exam to be counted.

Participation
Class participation, including attending class, asking and discussing questions in class, is strongly encouraged. Students will be responsible for all work missed during an absence. Coming to class late, leaving class early, leaving classroom in the middle of the class without legitimate reasons are considered disruptive behavior, and your participation points for that particular class section will be deducted by 50%.

Make-Up Policy:
If you must miss an exam, you must contact me in person before the exam. Evidence for the unavoidable absence is required. Failure to do so may result in a zero for that exam. Make-up exams, if allowed, may be taken before the absence and no later than the next scheduled class period.

Evaluation
A student’s grade for the class will be based on performance in exams, assignments, and class participation. Below is the grading scale with the corresponding weights for each component:

1. Exam 1 100 pts.
2. Exam 2 100 pts.
3. Exam 3 100 pts.
4. Homework 150 pts.
5. Quizzes 50

7. Participation 50 pts.
   TOTAL 600 pts.

The grade scale is as following:

>=90% : A
<=80%<90% : B

Grade Replacement/Forgiveness and Census Date Policies
Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. (For Fall, the Census Date is Sept. 12.) Grade Replacement Contracts are available in the Enrollment Services Center or at http://www.uttyler.edu/registrar. Each semester’s Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date (Sept. 11th) is the deadline for many forms and enrollment actions of which students need to be aware. These include:
• Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
• Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
• Schedule adjustments (section changes, adding a new class, dropping without a "W" grade)
• Being reinstated or re-enrolled in classes after being dropped for non-payment
• Completing the process for tuition exemptions or waivers through Financial Aid

**State-Mandated Course Drop Policy**
Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date).

Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.
