The master’s programs in the College of Business and Technology (CBT) at UT Tyler provide men and women with the opportunity to develop leadership abilities in an increasingly complex and dynamic business society. The programs are designed to enhance your knowledge, managerial proficiencies, and analytical skills and will challenge you to grow and excel. It’s your choice what you decide to study and at what pace you navigate the degree requirements, but we promise flexible courses available at night or online with internationally-recognized instructors to fit your needs. Choose excellence; choose the CBT master’s programs.

- Master of Business Administration (MBA)
- Master of Science (MS) Human Resource Development
- Master of Science (MS) Industrial Management
- Coordinated Master of Science in Nursing & MBA (MSN-MBA)
- Master of Accountancy (MAcc)
- Organizational Development & Leadership Certificate

Students must complete an online graduate application and send their official transcripts to the UT Tyler Office of Graduate Admissions. The required application is available through Apply Texas: www.ApplyTexas.org. Satisfactory entrance exam score and undergraduate grade point average (GPA) are required; see each program for specific requirements. Leveling courses may be required depending on the program selected.

Accredited by The Association to Advance Collegiate Schools of Business (AACSB) and The Association of Technology, Management, and Applied Engineering (ATMAE), the College of Business and Technology (CBT) provides an outstanding education. Graduate students are instilled with our Core Values: Professional Proficiency, Technological Competence, Global Awareness, Social Responsibility, and Ethical Courage.
