Admission

Students must complete an online graduate application and send their official transcripts and GMAT scores to the UT Tyler Office of Graduate Admissions. The required application is available at Apply Texas: www.applytexas.org.

Prerequisite course work will be required for students without an undergraduate business degree in Accounting.

Accreditation

The College of Business and Technology is accredited by AACSB International - The Association to Advance Collegiate Schools of Business.
MAcc Program

The Master of Accountancy (MAcc) program in the College of Business and Technology (CBT) at UT Tyler provides students with the necessary accounting skills and knowledge for a professional career in accounting. MAcc Graduates will meet the Texas state requirements to sit for the Uniform CPA Exam, and can pursue careers in public accounting, industry, or government.

It’s your choice to decide at what pace you navigate the degree requirements, but we promise flexible core and program courses available to fit your needs.
